

Electronic Plan Check (EPC) Submittal Verification Checklist

This document is a checklist prepared for applicants to use in performing a last-minute review of their Electronic Plan Check submission. This document should not be used as the sole source of information in preparing your submission. The [Electronic Plan Check Building Permit Complete Submittal Guide \(EPC Submittal Guide\)](#) must be reviewed to successfully prepare a submittal. Although this document is lengthy it is primarily comprised of screenshots depicting how a submission is actually preformed.
