City of Sacramento  
Community Development Department  
Attn: Greg Sandlund  
300 Richards Boulevard, 3rd Floor  
Sacramento, CA 95811

The City of Sacramento passed a Universal Design Ordinance for residential dwellings in order to facilitate the development of dwelling units that are visitable, usable and safe for occupancy for all persons. Please take a moment to help us evaluate the effectiveness of this ordinance along with your experience with the homebuilder in these regards.

**CIRCLE ONE**

- |  |     |    |
|--|-----|----|
| 1. I received a brochure from the builder with information on the Universal Design ordinance:          | Yes | No |
| 2. Placards were placed in the model home informing me of my Universal Design options:                 | Yes | No |
| 3. If I were to purchase a home, I would select at least one of the Universal Design features offered: | Yes | No |
| 4. It is too expensive to purchase the optional Universal Design features:                             | Yes | No |
| 5. Do you feel it is important to have Universal Design features available to homebuyers?              | Yes | No |
| 6. Please list the builder information:  |     |    |
