Amounts paid for non-covered services/medications do not count toward a member's out-of-pocket maximum.

- Prescription medications as subject to conditions, limitations and exclusions stated in the Combined Evidence of Coverage and Disclosure Form (EOC/DF), available when logged in at mywha.org

Covered medications included in a member's Prescription drug plan are categorized as Tier 1, 2, 3 or 4 in WHA's Preferred Drug List (PDL). A member's PDL can be requested by calling WHA Member Services or viewed online at mywha.org/Rx.

NOTE: All medications included in the PDL are evaluated regularly for their efficacy, quality, safety, similar alternatives, and cost to ensure rational, cost-effective use of pharmaceutical agents. A drug's presence on the PDL does not guarantee that the member's Participating Provider will prescribe the drug. There are a small number of drugs, regardless of tier, that may require prior authorization to ensure appropriate use based on criteria set by WHA.

Preventive medications, supplements and vaccines: Aspirin, folic acid (including in prenatal vitamins), fluoride for preschool age children, tobacco cessation medication, contraceptives, and preventive vaccines, including those for flu and COVID-19, are covered without member cost-sharing; see Appendix A in your EOC/DF for a complete list. Generic required if available.

A member's copayment or cost share will not exceed the cost of the drug dispensed. If a Tier 1 medication is available and the member elects to receive a medication from Tier 2, 3 or 4 without medical indication from the Prescribing Provider, the member will be responsible for the applicable Tier 2-4 copayment plus the difference in cost between the Tier 1 medication and the purchased medication. The amount paid for the difference in cost does not contribute to the out-of-pocket maximum.

Prescription copayments contribute to the medical annual out-of-pocket maximum unless copayment is for the treatment of fertility or infertility when coverage is elected by the employer.

MANAGING YOUR TRADITIONAL PLAN: To review amounts applied to your out-of-pocket (OOP) maximum, simply access your accumulator at mywha.org. If you have any questions about how much has been applied to your annual OOP maximum, or whether certain payments you have made apply to the OOP maximum, call WHA Member Services. Once you have satisfied your OOP maximum, you may request a written statement confirming that you do not have to pay any more copayment amounts for covered services through the end of the calendar year.
