CRIME CODE: 196 P.C.

REPORT NUMBER: 94-14475

VICTIM: [REDACTED]

NARRATIVE SECTION

SUMMARY:

On 2/18/94, 2335 hours, after a short pursuit, Allen attempted to kill Sacramento Police Officer(s) D. Hogge, badge #0672, K. Nowicki, badge #0340, D. Langston, badge #0311 and citizen Ride-Along, [REDACTED]

Allen used a .22 caliber rifle and fired multiple rounds. Officer Hogge and Nowicki returned gunshots and Allen was killed.

The incident was investigated and documented on Sacramento Police Report 94-14476. See this report for details.

The following reports are connected to this investigation;

94-14476 664/187 and 12021 P.C.
94-14478 Collision Investigation
94-14497 Impounded Vehicle

NARRATIVE SECTION

Today, at approx. 1620 hrs., I received a telephone call from Sacramento County Coroner Deputy Synhorst, badge #23. The deputy requested that I make a fingerprint comparison of a dead person involved in a homicide that they believed to be Scott Lee Allen, S# [REDACTED]. Shortly After the conversation, I received a fax from the Sac. Co. Coroners which included a set of fingerprints from the body of SPD case #94-14475. I compared the left middle finger from the faxed set of fingerprints and the left middle finger from fingerprint card S# [REDACTED] and found them to be the same. I called Dep. Synhorst to advised of the identification.

FIRST NAME	MIDDLE NAME	LAST NAME	CASE NUMBER
Scott	Lee	ALLEN	94-0757

CASE SUMMARY

On 02/18/94 at approximately 2335 hours, a Sacramento Police patrol officer attempted to make a vehicle stop but the driver of the vehicle failed to yield. The driver began to flee from the officer so the officer began a vehicle pursuit. The driver turned onto a dead-end street and collided with a mailbox. An occupant of the vehicle exited the car with a rifle and began firing at the officers. Officers returned the gunfire and struck the suspect with the rifle. Officers requested emergency medical personnel to respond to the scene. The suspect, Allen, was transported to the University of California, Davis Medical Center Emergency Department via Life Flight helicopter, arriving at 0030 hours. Physicians attempted resuscitative efforts but were unsuccessful and pronounced Allen dead at 0049 hours. Emergency Department staff notified the Coroner's Department of the death and I arranged to have the deceased transported to the Coroner's Department for autopsy.

Dr. Robert Anthony, Forensic Pathologist, performed the autopsy and determined that the cause of death was due to MULTIPLE GUNSHOT WOUNDS. Toxicology studies revealed that the deceased's blood contained 0.75 mg/L of methamphetamine. I will finalize this case as a HOMICIDE with the cause of death as stated above.

Kim L. Burson 03/24/94
 Kim L. Burson, #28

REPORT OF AUTOPSY

NAME ALLEN, Scott Lee CASE # 94-0757

DATE OF AUTOPSY Saturday, February 19, 1994 @ 0940 hrs

AGE 27 ETHNICITY Caucasian SEX Male LGTH 71" WT 209 lbs

EXTERNAL DESCRIPTION

The decedent is a well-developed, well-nourished, adult, white male. The body is received partially clothed. Present on the right shoulder is a knit-type jersey overlying what appears to be a gray sweatshirt which has been partially cut away from the body. Underlying the body are blood-soaked underwear and other portions of blood-soaked garments which are not recognizable as well as blood-stained sheets and disposable pads from the hospital. There is a Coroner's Office tag present on the left great toe in the name of Unidentified White Adult Male. Taped to the right shin is a hospital tag in the name of "Blake Doe." Present around the right wrist is a hospital identification tag also in the name "Blake Doe." There is 4+ rigor mortis present in the jaws, neck, back, and extremities of the decedent. Trace amounts of slightly blanchable purple livor mortis are noted on the posterior aspects of the body surfaces. The body is cold to palpation.

The decedent appears normocephalic despite gunshot trauma of the head. Present on the scalp is a moderate amount of short, light-brown hair measuring approximately 1" in maximum length. The irides are blue-green, and the pupils measure 7 mm and 7 mm. The sclerae are white without evidence of hemorrhage, injection, or icterus noted. No petechiae are noted. The ears are symmetrical without evidence of hemorrhage or discharge. There is gunshot trauma of the left ear which will be described in detail below. The nose is symmetrical without hemorrhage or discharge. There are superficial abrasions of the forehead and left side of the nose which will be described in detail below. Present on the upper lip is a mustache. The remainder of the face appears cleanly shaven. The bones of the forehead, nose, cheeks, and jaw are palpably intact. The teeth are present and in fair repair. There are no obstructing materials or lesions noted in the anterior mouth. There is therapeutic intervention present.

The neck is symmetrical without evidence of scars or masses noted. There is superficial abrasion over the lower anterior neck which will be described in detail below. The chest has been subjected to massive therapeutic intervention. It has been deformed by the intervention. Present superior to the right breast is a tattoo of twin lightning bolts. The abdomen is flat with gunshot trauma present in the right upper quadrant and left lateral areas. There is dry and clotted present over the entire chest and abdomen. No scars or masses can be

45 appreciated. There is a normal adult distribution of pubic hair present. Present on the
46 dorsum of the penis is a tattoo of twin lightning bolts. The penis appears circumcised. Both
47 testes are descended and palpable in the scrotum. The anus appears atraumatic. Swabs and
48 smears of the anus are obtained by the undersigned pathologist.

49
50 The lower extremities are well muscled and without evidence of pretibial or pedal edema.
51 There is gunshot trauma of the left leg. There is bruising on the anterior left shin. The
52 toenails are thin and translucent. There is therapeutic intervention present about both ankles.

53
54 The upper extremities have dry blood present on both hands. There is gunshot trauma
55 involving the left hand which will be described in detail below. There is therapeutic
56 intervention present in the right arm. There is abrasion of the fingers on the left hand which
57 will be described in detail below. Present from the shoulder to the elbow on both the right
58 and left arm are multiple, intertwined, complex tattoos which cover all of the available
59 cutaneous surfaces. There is gunshot trauma to the left upper arm and shoulder. There is
60 gunshot trauma of the right arm.

61
62 The back is remarkable for gunshot wounds. Also present on the back from the level of the
63 neck to the sacrum are large, complex tattoos covering the entire back surfaces. Present high
64 on the upper left back adjacent to the axilla is an obliquely oriented scar approximately 3" in
65 maximum dimension.

66
67 THERAPEUTIC INTERVENTION

68
69 Present in the right side of the mouth is an endotracheal tube held in place with cloth tape.
70 Present on the superior back are two disposable EKG leads. Present on the chest are a total
71 of three disposable EKG leads. Starting below the right nipple and extending into the left
72 axillary fold is a thoracotomy incision which measures 16" in length and is closed with black
73 suture material. Present in the right antecubital fossa is an intravenous apparatus which is
74 held in place with multiple pieces of adhesive tape. The right and left ankles are noted to be
75 encased in bandages. Removal of the bandages reveals vascular cutdown sites present above
76 the right and left medial malleolus. Both of these contain intravenous devices. There is
77 brown surgical soap staining the surface of the skin surrounding the cutdowns.

78
79 The body is washed, and the examination continues.
80
81
82
83

DETECTIVE COPY MADE94-0757
ALLEN, Scott Lee
AUTOPSYTRAUMA

84
85
86 Present high on the right forehead is an area of dry, red abrasion which has dimensions of
87 1/2" by 1/4" overall. Present above the medial right eyebrow is another area of dry, red-
88 brown abrasion which measures 3/4" by 3/8" overall. Present on the left lateral bridge of the
89 nose is an area of dry, red-brown abrasion which measures 5/8" by 1/4" overall. Present on
90 the anterior chin are two foci of focal red-brown abrasion each measuring on the order of 1/4"
91 in maximum dimension. Present over the lower right neck is an area of superficial abrasion
92 measuring approximately 2" by 1/4".
93

94 Present over the right lateral chest wall is an area of yellow-purple ecchymosis which has
95 dimensions measuring 1-1/4" by 7/8" overall.
96

97 Present on both knees are superficial, faint, cutaneous ecchymoses which measure up to 2" in
98 maximum dimension. Present high on the lateral left shin is an area of subcutaneous
99 ecchymosis approximately 2" in diameter.
100

101 There are thirteen gunshot wounds of the body. They are arbitrarily labeled Numbers 1
102 through 13 beginning on the top of the head and working down the anterior surfaces of the
103 body. Then the numbering continues on the posterior surfaces of the body.
104

GUNSHOT WOUND NO. 1:

105
106
107 Entrance: Gunshot Wound No. 1 occurs high on the left ear. The defect is centered at a
108 point 4" down from the top of the head and 6-1/4" to the left of the anterior midline. The
109 defect is circular and measures 3/8" in diameter. There is an abrasion collar about the
110 entrance defect which extends out as much as 1/4" around the entrance defect. No gunpowder
111 residues are noted on the surface of the skin or in the depths of the wound proper. No
112 satellite injuries are noted.
113

114 Exit: Present on the left anterior occiput is an exit defect. This defect is centered at a
115 point 4-3/4" down from the top of the head and 8" to the left of the anterior midline. The
116 defect is oval in shape and measures 1/2" in length by 1/4" in width. The edges of the wound
117 are lacerated and everted.
118

119 Wound Track: The wound track passes through the superior substance of the left external
120 ear. The wound track passes into the scalp behind the left ear and causes a subcutaneous
121 passage on the outer table of the skull. The wound track exits the body through the

DETECTIVE COPY MADE94-0757
ALLEN, Scott Lee
AUTOPSY

122 previously described exit defect. The wound track does not cause fracturing of the skull or
123 any vital structures.
124

125 In summary, this is an apparent distance-range gunshot wound of the left ear which passes
126 beneath the scalp of the left head. No vital structures are damaged. The trajectory through
127 the body is front towards back and slightly downwards. No projectile is recovered.
128

129 GUNSHOT WOUND NO. 2:
130

131 Entrance: Gunshot Wound No. 2 occurs high in the left chest adjacent to the axilla. The
132 defect is centered at a point 14" down from the top of the head and 7-1/2" to the left of the
133 anterior midline. The defect is circular and measures 5/16" in diameter. There is a 1/8"
134 superficial abrasion collar noted around the entrance defect. The edges of the wound are
135 irregularly lacerated. No gunpowder residues are noted on the surface of the skin or in the
136 depths of the wound proper. No fouling, stippling, tattooing, charring, or other cutaneous
137 manifestations of gunpowder residue are noted about the entrance defect. No satellite injuries
138 are noted.
139

140 Exit: Located high on the left back is an exit defect. This defect is centered at a point
141 14" down from the top of the head and 11" to the left of the midline. The exit defect appears
142 as a vertically oriented slit in the skin. The defect is 5/8" in length by 3/8" in width. The
143 edges of the wound are slightly everted.
144

145 Wound Track: The wound track passes through the muscles and soft tissues of the upper
146 left shoulder. The underlying bony structures are not involved by this injury. The only
147 damage that can be ascertained is to the muscles and soft tissues of the left shoulder area. No
148 projectile is recovered.
149

150 In summary, this is an apparent distance-range gunshot wound of the upper left chest
151 which passes front towards back and towards the decedent's left. There is secondary damage
152 to the muscles and soft tissues of the shoulder. No projectile is recovered.
153

154 GUNSHOT WOUND NO. 3:
155

156 Entrance: Gunshot Wound No. 3 occurs high in the anterior right abdomen. It is located
157 below the rib margins on the anterior chest wall. The defect is centered at a point 25" down
158 from the top of the head and 3" to the right of the anterior midline. The defect appears
159 somewhat horizontally oriented as an ellipse and measures 7/16" in length by 5/16" in width.
160 The defect has an irregular abrasion collar about it that varies in size from 1/16" to 1/8" in

DETECTIVE COPY MADE94-0757
ALLEN, Scott Lee
AUTOPSY

161 maximum dimension. No gunpowder residues are noted on the surface of the skin or in the
162 depths of the wound proper. There is slight subcutaneous hemorrhage around the entrance
163 defect.
164

165 Exit: Present on the lower right back is a slit-like exit defect. This defect is centered
166 28-1/2" down from the top of the head and 5-1/2" to the right of the posterior midline. The
167 defect measures 5/8" in length by 1/4" in width. The edges of the wound are lacerated and
168 slightly everted.
169

170 Wound Track: The wound track passes through the skin and subcutaneous soft tissues of
171 the anterior abdominal wall. The wound track penetrates the peritoneal space and passes
172 obliquely through the distal portions of the lower right lobe of the liver. There, a markedly
173 hemorrhagic lacerated wound track can be appreciated. After passing through the entire
174 substance of the right lobe of the liver, the wound track passes through the muscles and soft
175 tissues of the posterior back and exits the body at the previously described location.
176

177 In summary, this is an apparent distance-range gunshot wound of the anterior abdomen
178 which passes front towards back, downwards, and slightly toward the decedent's right. There
179 is secondary damage to the right lobe of the liver. No projectile is recovered.
180

181 GUNSHOT WOUND NO. 4:
182

183 Entrance: Gunshot Wound No. 4 occurs high on the anterior left thigh. The defect is
184 centered at a point 38-1/4" down from the top of the head. The defect is also approximately
185 4" to the left of the midline. The defect is circular and measures 3/8" in diameter. The edges
186 of the wound are irregularly lacerated. There is a 1/8" abrasion collar about the entrance
187 defect. No gunpowder residues are noted on the surface of the skin or in the depths of the
188 wound proper. No stippling, tattooing, or other cutaneous manifestations of gunpowder
189 residue are noted around the entrance defect. There is slight subcutaneous hemorrhage noted.
190

191 Exit: Present on the back of the left thigh is an exit defect. This defect is centered at a
192 point 47-1/2" down from the top of the head. The defect measures 1/2" in length by 3/8" in
193 width. The edges of the wound are slightly lacerated and everted.
194

195 Wound Track: The wound track passes through the skin and subcutaneous soft tissues of
196 the anterior thigh. The wound track passes through the substance of the thigh and causes
197 laceration to the musculature of the anterior left thigh. The femur is intact by radiographic
198 evaluation. No projectile is recovered.
199

DETECTIVE COPY MADE94-0757
ALLEN, Scott Lee
AUTOPSY

200 In summary, this is an apparent distance-range gunshot wound of the anterior left thigh
201 which passes front to back, downwards, and towards the midline of the body. There is
202 secondary damage to the muscles of the left thigh. No projectile is recovered.
203

204 GUNSHOT WOUND NO. 5:
205

206 Entrance: Gunshot Wound No. 5 occurs on the lateral aspect of the upper right arm in the
207 vicinity of the triceps muscle. The entrance defect is centered at a point 8" down from the
208 top of the shoulder. The defect is circular and measures 3/8" in diameter. Present on the
209 medial and superior aspects of the injury is an abrasion collar which extends 1/4" in length.
210 The edges of the wound are slightly lacerated. No gunpowder residues are noted on the
211 surface of the skin or in the depths of the wound proper. No fouling, stippling, tattooing, or
212 other manifestations of gunpowder residue are noted around the wound. No satellite injuries
213 are noted.
214

215 Exit: Present on the back of the right triceps is an exit defect. This defect is 9-1/2" down
216 from the top of the shoulder. The defect measures 1/2" in diameter. The edges of the wound
217 are irregularly lacerated and everted.
218

219 Wound Track: The wound track passes through the skin and subcutaneous soft tissues of
220 the lateral right arm. There is damage to the triceps muscle. The defect is primarily a
221 subcutaneous injury and does not involve any vital structures. No projectile is recovered.
222 The wound track through the body is front towards back and downwards. No vital structures
223 are involved.
224

225 In summary, this is an apparent distance-range gunshot wound of the right arm with
226 secondary damage to the muscles of the upper right arm. No vital structures are involved.
227 No projectile is recovered. The wound track through the body is front towards back and
228 downwards.
229

230 GUNSHOT WOUND NO. 6:
231

232 Entrance: Gunshot Wound No. 6 occurs on the lateral aspect of the left biceps. The
233 defect occurs at a point 10" down from the top of the shoulder. The entrance defect measures
234 3/8" in length by 1/4" in width. The edges of the wound have a 1/8" abrasion collar present.
235 No gunpowder residues are noted on the surface of the skin or in the depths of the wound
236 proper. No fouling, stippling, charring, or tattooing are noted. No satellite injuries are noted.
237
238

ORIGINAL
DETECTIVE COPY MADE

94-0757
ALLEN, Scott Lee
AUTOPSY

239 Exit: Present on the upper inner aspect of the left arm is an exit defect. It is noted to be
240 8-1/4" down from the top of the shoulder. It is an oval laceration measuring 5/8" by 1/2"
241 overall. The edges of the wound are irregularly lacerated. The wound margins are slightly
242 everted.
243

244 Wound Track: The wound track passes through the posterior portions of the left biceps
245 muscle. The humerus of the upper arm is uninvolved. This a through-and-through gunshot
246 wound passing from the outer surface of the arm towards the inner surface of the upper arm
247 with secondary damage to the muscles of the upper arm. No projectile is recovered.
248

249 In summary, this is an apparent distance-range gunshot wound of the left arm. It is a
250 through-and-through injury involving the muscles of the left upper arm. The trajectory
251 through the body is front towards back. No projectile is recovered.
252

253 GUNSHOT WOUND NO. 7:
254

255 Gunshot Wound No. 7 occurs on the dorsum of the left hand. The injury overlies the
256 proximal-most portions of the MP joint of the first (or index) finger of the left hand. The
257 defect occurs as a horizontally oriented groove in the surface of the skin. The defect is 7/8"
258 in length by up to 5/16" in width. The wound track through the skin is a superficial grazing
259 injury. The edges of the defect have the lines of force pointing towards the medial aspect of
260 the hand, and the projectile passing laterally over the surface of the dorsum of the first finger.
261 No vital structures are involved. No projectile or fragments of projectile are recovered.
262

263 In summary, this is a grazing gunshot defect of the back of the left hand. The wound
264 track is right towards left and is a graze of the skin only. No projectile is recovered.
265

266 GUNSHOT WOUND NO. 8:
267

268 Entrance: Gunshot Wound No. 8 occurs on the dorsum of the first (or index) finger of
269 the left hand. The entrance defect is distal to the PIP joint of the first finger on the left hand.
270 The defect is circular and measures 3/16" in diameter. The edges of the wound are slightly
271 lacerated. There is a 1/16" abrasion collar present. No gunpowder residues are noted on the
272 surface of the skin or in the depths of the wound proper. The entrance occurs at a point
273 29-1/4" down from the top of the shoulder.
274

275 Exit: Present on the medial portion of the first finger of the left hand is an exit defect.
276 The defect is proximal to the PIP joint of the first finger. The defect occurs at a point

DETECTIVE COPY MADE94-0757
ALLEN, Scott Lee
AUTOPSY

277 28-1/2" down from the top of the shoulder. The defect is circular and measures 1/4" in
278 diameter. The edges of the wound are irregularly lacerated and slightly everted.

279
280 Wound Track: The wound track passes through the skin and subcutaneous soft tissues.
281 The wound track then passes through the PIP joint of the first finger. The wound track then
282 exits the body through the previously described defect. No projectile is recovered. No vital
283 structures are involved. The trajectory is distal to proximal and medial to lateral through the
284 first finger of the left hand.

285
286 In summary, this is an apparent distance-range gunshot wound of the left hand. The
287 trajectory through the body is front towards back and towards the lateral aspect of the hand.
288 No projectile is recovered.

289
290 GUNSHOT WOUND NO. 9:

291
292 Entrance: Gunshot Wound No. 9 involves the palmar aspects of the first and second
293 fingers of the left hand. The entrance occurs at a point 29" down from the top of the
294 shoulder. The wound track passes across the palmar aspects of the first finger and enters the
295 palmar aspects of the second finger between the PIP and MP joints on the left hand.
296 Evaluation of the palmar aspect of the left hand reveals no gunpowder residues noted on the
297 surface of the skin or in the depths of the wound proper.

298
299 Exit: There is no wound of exit associated with Gunshot Wound No. 9. Radiographic
300 evaluation of the body reveals a retained projectile present within the palm of the hand.

301
302 Wound Track: After passing through the palmar aspect of the first and second fingers of
303 the left hand, the wound track passes in a subcutaneous fashion across of the palm of the left
304 hand. There is hemorrhage within the tendon sheaths and muscles of the palm of the hand.
305 Present within a fractured bone on the palm of the hand involving the metacarpal of the
306 fourth finger a large-caliber, semi-jacketed projectile is recovered.

307
308 In summary, this is an apparent distance-range gunshot wound of the left hand which
309 passes across the first and second fingers and into the palm of the left hand. There is damage
310 to the first and second fingers as well as the tendons and muscles of the palm of the hand. A
311 large-caliber, moderately deformed projectile is recovered.

312
313
314
315

DETECTIVE COPY MADE94-0757
ALLEN, Scott Lee
AUTOPSY316 GUNSHOT WOUND NO. 10:

317

318 Entrance: Gunshot Wound No. 10 occurs high on the posterior neck. The defect is
319 centered at point 8" down from the top of the head and 1/2" to the left of the anterior
320 midline. The defect is circular and measures 5/16" in diameter. There is a 1/16" to 1/8"
321 abrasion collar about the entrance defect. No gunpowder residues are noted on the surface of
322 the skin or in the depths of the wound proper. No fouling, charring, stippling, or tattooing is
323 noted. No satellite injuries are noted.

324

325 Exit: There is no wound of exit associated with Gunshot Wound No. 10. Radiographic
326 evaluation of the body reveals a retained projectile.

327

328 Wound Track: The wound track passes forwards and toward the decedent's left after
329 passing through the skin and subcutaneous soft tissues. The mid-cervical spine at this level is
330 transected at this level. Approximately two-thirds of the cervical cord is lacerated secondary
331 to passage of the projectile. After passing through the cervical cord, the wound track passes
332 down through the muscles of the lateral neck; and the wound track ends posterior to the left
333 clavicle. In a pocket of hematoma approximately 2" lateral to the sternoclavicular joint, a
334 large-caliber, moderately deformed, semi-jacketed projectile is recovered.

335

336 In summary, this is an apparent distance-range gunshot wound of the back of the neck
337 which passes back towards front, downwards, and towards the decedent's left. There is
338 secondary damage to the cervical spinal cord. A large-caliber projectile is recovered.

339

340 GUNSHOT WOUND NO. 11:

341

342 Entrance: Gunshot Wound No. 11 occurs in the mid-left back. The defect is centered at
343 a point 21" down from the top of the head and 6-1/2" to the left of the anterior midline. The
344 defect is circular and measures 3/8" in diameter. Present along the lateral aspects of the
345 defect is an abrasion collar extending outwards up to 3/16" in length. There are no
346 gunpowder residues noted on the surface of the skin or in the depths of the wound proper.
347 No fouling, charring, stippling, or tattooing is noted. No satellite injuries are noted.

348

349 Exit: There is no wound of exit associated with Gunshot Wound No. 11. Radiographic
350 evaluation of the body reveals a retained projectile.

351

352 Wound Track: After passing through the skin and subcutaneous soft tissues, the wound
353 track passes through the muscles of the lower left back. The wound track passes downwards
354 at a steep angle. There is hemorrhage through the muscles and soft tissues noted. Present at

DETECTIVE COPY MADE94-0757
ALLEN, Scott Lee
AUTOPSY

355 a point approximately 25-1/2" down from the top of the head and between 1/2" and 1" to the
356 left of the midline, two moderately deformed, large-caliber, semi-jacketed projectiles are
357 recovered.

358
359 In summary, this is an apparent distance-range gunshot wound of the left back which
360 causes damage to the muscles and soft tissues of the back. A projectile is recovered.

361
362 GUNSHOT WOUND NO. 12:

363
364 Entrance: Gunshot Wound No. 12 occurs in the left back also. The defect is centered at
365 a point 22" down from the top of the head and 5-3/4" to the left of the posterior midline.
366 The defect is somewhat oval-shaped and measures 3/4" by 5/8" overall. There is an abrasion
367 collar noted on the lateral aspect which extends out up to 1/4" in length. No gunpowder
368 residues are noted on the surface of the skin or in the depths of the wound proper. No
369 fouling, charring, stippling, or tattooing are noted. No satellite injuries are noted.

370
371 Exit: There is no wound of exit associated with Gunshot Wound No. 12. Radiographic
372 evaluation of the body reveals a retained projectile.

373
374 Wound Track: After passing through the skin and subcutaneous soft tissues of the back,
375 the wound track passes downwards at a steep angle. There is hemorrhage in the muscles of
376 the back noted. The peritoneum is not violated. Present at a point approximately 25-1/2"
377 down from the top of the head and between and 1/2" and 1" to the left of the midline, two
378 large-caliber, moderately deformed, semi-jacketed projectiles are recovered. The exact
379 trajectory cannot be ascertained.

380
381 In summary, this is an apparent distance-range gunshot wound of the left back which
382 passes downwards and through the muscles of the back. A large-caliber, moderately
383 deformed projectile is recovered.

384
385 GUNSHOT WOUND NO. 13:

386
387 Entrance: Gunshot Wound No. 13 occurs in the lateral left abdomen. The defect is
388 centered at a point 25-1/2" down from the top of the head and 7-3/4" to the left of the
389 anterior midline. The defect is circular and measures 5/16" in diameter. There is a
390 symmetrical 1/8" abrasion collar around the entrance defect. No gunpowder residues are
391 noted on the surface of the skin or in the depths of the wound proper. No fouling, charring,
392 stippling, tattooing, or other cutaneous manifestations of gunpowder residue are noted around
393 the entrance defect. No satellite injuries are noted.

DETECTIVE COPY MADE94-0757
ALLEN, Scott Lee
AUTOPSY

394 Exit: There is no wound of exit associated with Gunshot Wound No. 13. Radiographic
395 evaluation of the body reveals a retained projectile.
396

397 Wound Track: The wound track passes through the muscles and soft tissues of the lower
398 left side of the decedent. Upon entering the peritoneal space, a stellate laceration of the mid-
399 portion of the spleen can be appreciated. Upon passing through the spleen, the wound track
400 passes through the superior pole of the left kidney. The superior pole is transected away
401 from the remaining portion of the kidney. There is retroperitoneal hemorrhage present
402 surrounding the kidney capsule. The wound track continues medially and lodges in a
403 vertebral body. Present within that vertebral body, a large-caliber, moderately deformed,
404 semi-jacketed projectile is recovered. The wound track through the body is left towards right
405 in a basically horizontal plane. There is secondary damage to the spleen and left kidney. A
406 large-caliber projectile is recovered.
407

408 In summary, this is an apparent distance-range gunshot wound of the lateral left abdomen.
409 There is secondary damage of the spleen and left kidney. A projectile is recovered from
410 within a vertebral body. The wound track through the body is left towards right in a basically
411 horizontal plane.
412

PRIMARY INCISION AND BODY CAVITIES

413
414
415 The body is opened with the usual Y-shaped thoracoabdominal incision. A left thoracotomy
416 has been performed. There is prominent hemorrhage present throughout the abdominal cavity.
417 The edges of the surgical incision are noted to be without evidence of hemorrhage. The
418 thoracotomy is placed superior to the fifth rib on the left lateral chest wall. The fourth rib at
419 the sternal joint is noted to fracture, but there is no evidence of hemorrhage present about this
420 fracture site. The pericardium has been incised. The right lung is collapsed and atelectatic.
421 There are approximately 50 cc of hemorrhagic fluid present in both the right and left pleural
422 spaces. The internal organs demonstrate normal anatomic relationships. There are no
423 adhesions noted in the pleurae, pericardium, or peritoneum. None of the internal organs
424 appear to have been surgically removed in the past. The serosal surfaces are smooth and
425 glistening. The abdominal fat at the level of the umbilicus measures 3/4" in thickness.
426

ORGAN DESCRIPTION

427
428
429 NECK ORGANS: There is evidence of hemorrhage in the anterior muscles of the lower left
430 neck posterior to the left clavicle secondary to gunshot trauma. The hyoid bone is intact
431 without evidence of hemorrhage. The thyroid is bilobed and non-nodular. There are no

DETECTIVE COPY MADE

94-0757

ALLEN, Scott Lee
AUTOPSY

432 obstructing materials or lesions present in the epiglottis or larynx. The anterior cervical spine
433 appears grossly unremarkable.

434

435 **CARDIOVASCULAR SYSTEM:** The heart weighs 470 grams. There is a moderate amount
436 of smooth and glistening fat present on the epicardium. There are occasional petechiae
437 present on the epicardial surface. There is a left-dominant coronary artery system present
438 without evidence of significant atheromatous disease. The heart valves are normally formed
439 with minimal thickening of the mitral leaflets. The coronary ostia are patent. The chambers
440 are not dilated. There are no myocardial scars or other focal lesions noted. The left ventricle
441 measures 13 mm in maximal thickness. The right ventricle measures 5 mm in maximal
442 thickness. The great vessels are normally related. The aorta and its major branches are intact
443 and reveal minimal fatty streaking present.

444

445 **PULMONARY SYSTEM:** The right lung weighs 550 grams. The left lung weighs
446 400 grams. Both lungs are similar in appearance. The pleural surfaces are smooth and
447 glistening with occasional apical bullae present. There is moderate subpleural anthracosis
448 noted. The cut surfaces reveal moderate pulmonary congestion and edema present. There is
449 no evidence of consolidation, abscess, infarction, neoplasm, or pulmonary embolus noted.

450

451 **GASTROINTESTINAL TRACT:** The GI tract is intact throughout its length. The mucosa of
452 the esophagus is intact and grossly unremarkable. The stomach has a normal rugal pattern
453 present. The stomach contains less than 1 oz of markedly hemorrhagic fluid. No residuals of
454 medication or ethanol-like odor are noted. No hemorrhages, ulcerations, or mass lesions are
455 encountered. The appendix is present and not inflamed. The large and small intestines
456 appear grossly unremarkable.

457

458 **HEPATOBIILIARY SYSTEM:** There is an obliquely oriented wound path across the liver
459 edge on the right lobe of the liver. This is approximately 1-1/4" proximal to the liver edge.
460 The laceration is 5" in length and passes through the entire substance of the distal right lobe
461 of the liver. The liver weighs 1950 grams. The hepatic parenchyma is dark red-brown in
462 color. There is no evidence of fibrosis or mass lesions noted. The gallbladder contains a
463 moderate amount of liquid bile. There is no evidence of stone formation. The extrahepatic
464 biliary system appears patent.

465

466 **PANCREAS:** The pancreas is tan-brown, lobulated, and of the usual configuration. There is
467 no evidence of necrosis, hemorrhage, calcification, or fibrosis noted. There is moderate
468 hemorrhage present in the peripancreatic soft tissues about the tail of the pancreas.

469

DETECTIVE COPY MADE94-0757
ALLEN, Scott Lee
AUTOPSY

470 HEMATOPOIETIC SYSTEM: The spleen weighs 220 grams. There is a gaping, stellate
471 laceration involving the mid-portion of the spleen. This laceration is approximately 2" in
472 diameter with lacerations of the capsule which extend another inch around the central cavity
473 defect. The splenic substance is dark red without evidence of fibrosis or mass lesions. There
474 is apparent good development of both the red and white pulp noted. There is no evidence of
475 cervical, mediastinal, or peritoneal lymphadenopathy.

476
477 GENITOURINARY SYSTEM: The right kidney weighs 170 grams. The left kidney weighs
478 180 grams. The right kidney is intact and has a smooth cortical surface. The left kidney has
479 been markedly traumatized secondary to gunshot trauma. The superior pole of the left kidney
480 has been transected and leaves the body of the kidney markedly hemorrhagic. A gaping
481 defect approximately 2-1/2" by 1" in overall dimensions is present involving the apex of the
482 left kidney. The renal architecture is intact without mass lesions noted. The collecting
483 systems are patent and not dilated. The blood vessels appear unremarkable. The bladder
484 contains approximately 6 oz of markedly hemorrhagic urine. The bladder mucosa is
485 unremarkable. The prostate is unremarkable.

486
487 ENDOCRINE SYSTEM: The pituitary, thyroid, and adrenal glands are unremarkable without
488 evidence of hemorrhage or masses.

489
490 SKELETAL SYSTEM: There is fracturing of the cervical spine secondary to gunshot trauma.
491 Fracture of the anterior fourth left rib is apparently secondary to therapeutic intervention. The
492 remainder of the axial and appendicular skeleton is without gross evidence of acute fracture.

493
494 CENTRAL NERVOUS SYSTEM: The scalp is reflected and reveals no evidence of
495 subgaleal hemorrhage present. The calvarium is intact; and upon removal, there is no
496 evidence of subdural or epidural hemorrhage present. The brain weighs 1450 grams. There
497 is diffuse subarachnoid hemorrhage noted over both cerebral convexities. There is a small
498 amount of hemorrhage present about the base of the brain. The meninges are clear,
499 glistening, and intact. The cerebral gyral pattern is fully developed. The external
500 configuration of the brainstem and cerebellum is grossly unremarkable. There is no evidence
501 of edema or herniation. The cranial nerves appear intact and grossly unremarkable. The
502 cerebral arteries appear intact and grossly unremarkable.

503
504 Multiple coronal sections of the cerebral hemispheres reveal undilated ventricles containing
505 hemorrhagic cerebrospinal fluid. No acute hemorrhages or mass lesions are encountered.
506 There is an intact gray matter stripe. Multiple sections of the brainstem and cerebellum reveal
507 no anatomic abnormalities. There is diffuse subarachnoid hemorrhage noted over both
508 cerebellar hemispheres. The distal cervical spinal cord is noted to be lacerated secondary to

DETECTIVE COPY MADE

534 MICROSCOPIC DESCRIPTION

536
537
538

536 Sections of the major organs examined confirm the gross pathologic findings.

539
540
541

539 PATHOLOGIC DIAGNOSES

542
543
544

541 I. Apparent distance-range gunshot wound of left ear which causes secondary damage of
542 the scalp.

545
546

544 II. Apparent distance-range gunshot wound of left shoulder with secondary damage of
545 muscles of left shoulder.

DETECTIVE COPY MADE

94-0757

ALLEN, Scott Lee
AUTOPSY

- 547 III. Apparent distance-range gunshot wound of upper right abdomen with secondary
548 damage of liver.
549
- 550 IV. Apparent distance-range gunshot wound of left thigh with secondary damage to
551 muscles of left thigh.
552
- 553 V. Apparent distance-range gunshot wound of upper right arm which causes subcutaneous
554 damage only.
555
- 556 VI. Apparent distance-range gunshot wound of left biceps.
557
- 558 VII. Apparent distance-range gunshot wound of dorsum of left hand which causes skin
559 injury only.
560
- 561 VIII. Apparent distance-range gunshot wound of left finger.
562
- 563 IX. Apparent distance-range gunshot wound of palm of left hand.
564 A. Large-caliber, moderately deformed projectile recovered.
565
- 566 X. Apparent distance-range gunshot wound of posterior neck with secondary damage of
567 cervical spine.
568 A. Large-caliber, moderately deformed projectile recovered.
569
- 570 XI. Apparent distance-range gunshot wound of left back with secondary damage of
571 muscles of left back.
572 A. Large-caliber, moderately deformed projectile recovered.
573
- 574 XII. Apparent distance-range gunshot wound of left back with secondary damage to
575 muscles of left back.
576 A. Large-caliber, moderately deformed projectile recovered.
577
- 578 XIII. Apparent distance-range gunshot wound of left side with secondary damage of spleen
579 and left kidney.
580 A. Large-caliber, moderately deformed projectile recovered.
581
- 582 XIV. Cardiomegaly (470 grams).
583
- 584 XV. Status post hospitalization, supportive-care therapy.
585 A. Status post thoracotomy.

PHOTOGRAPHIC AND EVIDENCE REPORT

ORIGINAL

CRIME CLASS Homicide	LOG NUMBER	REPORT NUMBER 94-14476
COMPLAINANT OR VICTIM	ADDRESS WORK PERFORMED Area of [redacted] Marlin Spike Wy.	
PHOTOGRAPHS (ALPHABETICAL) TO	ELIMINATION PRINTS: OYES ONO	EVIDENCE (NUMERICAL) TO

P	E	NARRATIVE
		2-18-94, at 2338 Hrs., Officer Trujillo and Pollard responded to the above location in regard to a call for code-3 assistance, officer involved in a shooting. Upon arrival, the shooting had stopped and suspects were in custody. Officers helped in securing the area and protecting the evidence.
		Sgt. Mitchell and his homicide team arrived on the scene to conduct the shooting investigation. Per their direction, the scene was processed as follows:
		<u>PHOTOS</u>
		Six rolls of primary color 35mm film by Pollard Three rolls of back-up color 35mm film by Trujillo
		<u>PHYSICAL EVIDENCE</u>
		All physical evidence was gathered, packaged, and booked by Officer Trujillo. Some of the photographs have item#9 with a number 6 number stand. Item#6 was on the sidewalk; Item#9 was on the street. Both items in front of [redacted] Marlin Spike. Item #45 is a blood sample taken from the drivers seat of Officers Hogge's patrol car. Item #47 was found by Ivy-20, Cabrera, Sat., 2-19-94. We were dispatched at his request to the scene approx. 1408 hrs. to obtain evidence and take additional photos.
		<u>DIAGRAMS</u>
		All diagrams and measurements completed by Officer Pollard

FORM COMPLETION INSTRUCTIONS

Complete all reports with black ballpoint pen or soft-lead pencil. The information entered into the boxes must be clearly printed.

The guidelines below pertain to information common to several sections of the report:

NAMES OF PERSONS: Print in full, last name first followed by first name and middle name.

DATE: The number of the month followed by the number of the day and the last two digits of the year. EX: 11/15/75.

SEX: M or F.

DESCENT: Common descent descriptions and acceptable abbreviations are listed below. If none of these descriptions are applicable, specify a more appropriate descent description.

White - W Indian, American - I Chinese - C
Negro - N Mexican (Latin American) - M Japanese - J

AGE: Span of ages may be used if exact age is not known, such as 25-30, 16-19, etc.

Box 1 Check (✓) appropriate box(es).

Box 2 Enter report number assigned to the case (if available).

Box 3 Always list the section number, subsection (when applicable), and source code abbreviation as it appears on the original report. EXCEPTIONS: If the original crime report has previously been reclassified, use the changed classification. When reporting the location of a missing person, enter "MISSING PERSON" (or MP).

Box 4 If victim is a person, list full name of victim. If victim is a business or governmental agency, use firm, corporation or agency name. For large firms with many branches, use the name of the firm followed by a branch number or name. STATE OF CALIFORNIA should be listed only for victimless crimes.

RECLASSIFICATION ONLY

Boxes 5-7 should be completed only when the classification of the crime report is to be changed.

Box 5 Enter the new section number, subsection (when applicable), and source code abbreviation.

Box 6 List the common name of the new crime classification as it appears in the Crime Class Code Book.

Box 7 Enter the crime class code for the new crime classification. Refer to Crime Class Code Book for proper code.

CLEAR-UP ONLY

Complete Boxes 8-26 to report the clearance disposition of the crime.

Boxes 8-11 Of the thirteen choices available, check (✓) the one which best describes the type of case disposition being reported.

- **CLEARED BY ARREST:** Check (✓) the appropriate box when a crime has been committed and reported in Sacramento, and the suspect is in custody.
- **CLEARED BY CITATION:** Check (✓) the appropriate box when a crime has been committed and reported in Sacramento, and a citation has been issued to the offender.
- **VICTIM REFUSED TO COOPERATE OR AID IN THE INVESTIGATION (OFFENDER WAS NOT IDENTIFIED):** Check (✓) this box when the victim will not cooperate in the investigation and the offender has not been identified. This report reflects the final action taken by the Department relative to this case.
- **VICTIM REFUSED TO PROSECUTE:** Check (✓) this box when the offender is known, whether or not he is in custody, and the victim refuses to sign a complaint.
- **PROSECUTED BY ANOTHER AGENCY:** Check (✓) this box when a known offender is prosecuted for other crimes by another jurisdiction and there is no reasonable prospect of returning him to Sacramento for prosecution. This clearance should also be indicated when another law enforcement agency has concurrent jurisdiction in a particular offense and no arrest will be made by the Sacramento Police Department.
- **DA REFUSED TO PROSECUTE OR FILE:** Check (✓) this box when the DA's office refuses to issue a complaint even though there is sufficient evidence, the victim is willing to prosecute, and the offender is known.
- **OFFENDER CHARGED IN A DIFFERENT SPD CASE AND WILL NOT BE CHARGED IN THIS CASE:** Check (✓) this box when the known offender is arrested on other charges by the Sacramento Police Department and will not be charged in this crime. The offender's identity must have been definitely established before this box can be checked.

- **JUVENILE OFFENDER COUNSELED AND FIELD RELEASED:** Check (✓) this box when the offender is a juvenile who will not be cited or booked and is released to his parent or guardian after reprimand by the officer.
- **RESTITUTION MADE:** Check (✓) this box only for clearing Check Offenses (SPD 39) or other crimes where the victim has received restitution and the offender will not be charged.
- **JUSTIFIABLE HOMICIDE:** Check (✓) this box for clearing justifiable homicide cases.
- **CLEARED BY EXCEPTIONAL MEANS:** Check (✓) this box if none of the other case dispositions described previously are applicable and if all four listed questions can be answered "YES".

Box 12 Enter offender's name. This box must be completed when the identity of the person responsible for the crime has been established.

Boxes 13-15 List known offender's sex, descent, age and date of birth.

Box 16 Enter SPD number if available.

Box 17 If offender was cited, list citation number. If offender was booked, list arrest report number if available. Otherwise, LEAVE BLANK.

Box 18 If offender was booked or cited, indicate charges.

Boxes 19-25 List additional persons responsible for the commission of the crime. Use guidelines listed for Boxes 12-17. Indicate in Box 23 if the offender was BOOKED or CITED if applicable.

Box 26 Enter report numbers of other crimes reported to the Sacramento Police Department which were perpetrated by the listed offender and cleared as indicated by the case disposition selected in Boxes 8-11.

RECOVERED PROPERTY

Box 27 should be completed only when a property recovery is being reported.

Box 27 Check (✓) box(es) indicating the type of property recovered. Be sure to list property items which were recovered either in the DETAILS section (Box 28) or in a SUPPLEMENTARY INVESTIGATION REPORT, (SPD 105).

Box 28 This space is to be used for listing recovered property items or supplying additional information related to the location of a missing person or the unfounding, reclassification or clearance of the crime.

Box 29 Print first initial and last name of reporting officer.

Boxes 30-31 List badge number and division number of reporting officer.

Box 32 Print first initial and last name of assisting officer if applicable.

Boxes 33-34 List badge number and division number of assisting officer if applicable.

Boxes 35-36 Enter the date and time the report is being made.

Boxes 37-40 LEAVE BLANK. All four boxes must be completed by the approving supervisor.

EXAMPLES:

A burglar confessing to ten reported crimes may be charged with only two. The eight remaining crimes are cleared by this clearance.

Whenever an offender is known to have committed a felony and a misdemeanor, and is charged only with the felony, the misdemeanor report may be cleared by this clearance.

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

STATEMENT OF VICTIM: HOGGE, David

On 2/19/94 at approximately 0245 hours, Detective Winfield conducted an interview with a David Hogge. David Hogge is a Sacramento City Police Officer. This interview was conducted at the Sacramento Police Department, 813 6th Street, Homicide Division interview room.

Present during the interview was an attorney named Kasey Christopher Clark, representing Mastagni, Holstedt and Chiurazzi.

This interview was both audio/video recorded.

The following is a summary of that interview.

David Hogge advised Detective Winfield that he has been an officer with the Sacramento City Police Department for seven plus years.

He indicated his current assignment is the Patrol Division, North Area, swing shift.

He indicated that he has spent a total of approximately five years on Patrol with one year as an FTO.

He indicated the remaining two years he spent in Narcotics as a TAC Officer.

He indicated that he's currently assigned to the late swing shift, North Area, 5:00 p.m. to 3:00 a.m.

He indicated his identifier is Edward 41.

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:
HOGGE, D.

He indicated that he began shift as stated and had a ride-along with him on today's shift.

He indicated his ride-along's name is [REDACTED], unknown last, and that [REDACTED] was an old neighbor of his that he knew for approximately one year or more.

When asked what first drew his attention to the suspect vehicle in question, Officer Hogge advised Detective Winfield that he was southbound on Norwood in the #1 lane at the 80 overpass when he saw the suspect vehicle headed in a northerly direction in the #1 lane. He indicated that it appeared to him that the suspect vehicle was speeding.

The officer, Dave Hogge, indicated he slowed down to approximately twenty miles an hour so that he could get as look at the vehicle and the driver.

He indicated that as the two of them passed each other between the overpass and North on Norwood he was in a well lit area. He indicated as they passed each other he got a look at the driver of the vehicle.

He indicated that as he was looking at the driver of the vehicle, he saw that the driver slowed his vehicle down to approximately thirty-five miles per hour. Officer Hogge indicated he wasn't certain of the speed limit in that area but that it was between thirty-five and forty-five miles per hour.

SACRAMENTO POLICE DEPARTMENT
SUPPLEMENTARY INVESTIGATION REPORT

CODE: 664/187 PC

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:
HOGGE, D.

The Officer, Dave Hogge, indicated that he watched as the driver suddenly looked at the police car as it was passing the police car in an opposite direction.

Officer Hogge indicated that it appeared to him that the driver of the vehicle, he describes as looking similar to an Oldsmobile, appeared to spit in the direction of the officer.

He indicated that he was not certain if the subject driving the vehicle spit at him or was making a derogatory comment to him. He describes the suspect as being antagonistic toward the police and describes him as looking angry.

The officer indicated to Detective Winfield that he thought to himself that that was not normal behavior for the subject to participate in.

The officer stated that at that point he made a U-turn in an attempt to follow the suspect vehicle in a northerly direction on Norwood.

Detective Winfield asked the officer if he believed his passenger, his ride-along, had seen the derogatory gesture or comment made by the driver of the vehicle.

He indicated that he believed he did because it was obvious.

Officer Hogge then advised Detective Winfield that it was his impression that the vehicle that was being driven by the suspect in

this case was an Oldsmobile, which is a vehicle that is of a vintage which is commonly stolen.

The officer indicates that he works a lot of stolen vehicle cases and the behavior and the type of vehicle aroused his suspicion.

Officer Hogge advised that he was able to see that the driver of the vehicle was a male White in his mid-thirties and that he had a passenger in the front passenger seat who was male White in his mid-thirties.

Officer Hogge indicated that the behavior did not appear right and he felt it necessary to make a U-turn and check the license plate of the vehicle to determine whether it was stolen.

He indicated that he made this U-turn from a southerly direction to a northerly direction between the overpass and North on Norwood.

Officer Hogge indicated that he sped up to catch the vehicle.

He indicated the first thing that he noticed was that there was no license plate light so that the plate was not illuminated for him to enter it in his MDT.

Officer Hogge indicated that he realized he had to get closer to the vehicle in order to actually see the plate because of the lack of illumination.

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:
HOGGE, D.

Officer Hogge indicated that it was at approximately the intersection of Norwood and Jesse that he made a radio transmission similar to, "I'm going to make a vehicle stop in the area of Norwood and Jesse, standby for the plate."

Officer Hogge indicated that he caught up to the vehicle when they had a red light at a four-way stop.

He indicated at this time he gave the plate to dispatch and activated his overheads but not his siren.

Officer Hogge indicated that he noticed the vehicle immediately started to accelerate away from him.

He indicated that as he noticed the vehicle accelerating he wanted to make a transmission that he had a failure to yield immediately but the dispatcher was giving him vehicle registration and status with regard to being stolen so that he was unable to get his failure to yield information out immediately.

Officer Hogge indicated that at the conclusion of the twelve and thirteen information, he was able to give Communications the information that he had a failure to yield with two White occupants and that he was continuing northbound on Norwood.

Officer Hogge indicated that he believes he also stated at this time for dispatch to contact the registered owner and determine the status of the vehicle; i.e., whether it was stolen.

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:
HOGGE, D.

Officer Hogge indicated that he then recalls dispatch making a statement that Edward 41 is in pursuit.

Officer Hogge indicated he then activated his siren as well as his overheads.

He indicated that the suspect continued northbound on Norwood at speeds exceeding sixty to eight MPH.

The Officer, Dave Hogge, indicated that he noted that they were approaching a four-way stop at the intersection of Norwood and Bell. He indicated that it was obvious to him that the suspect vehicle had no intention of stopping.

Officer Hogge indicated that he slowed his vehicle and checked in both an easterly and westerly direction to feel assured that no vehicle would be struck as he entered through the four-way stop without a complete stop.

He indicated that he continued northbound on Norwood and then observed the suspect vehicle turning eastbound on Marlin Spike Street.

He estimates his distance behind the suspect vehicle as approximately six car lengths.

He indicated he then watched as the suspect vehicle went up on the front lawn on the south side of the street.

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:
HOGGE, D.

He indicated his next observation was the suspect vehicle hitting a metal box which he felt was a mailbox.

He indicated that he saw metal flying and indicated to dispatch something to the effect of, "I have a 901, Marlin Spike is a dead-end."

Officer Hogge indicated that he realized he had to get out of the car quickly as the suspect vehicle came to a an abrupt stop.

Dave Hogge then drew a rough sketch of the direction that the suspect vehicle was pointed and the direction of his vehicle.

The suspect vehicle was pointed slightly in a northeasterly direction. The officer positioned his vehicle behind the suspect vehicle and pointed in an easterly direction.

The officer drew a sketch of the position of the vehicle as it related to his vehicle.

The officer indicated he got out of his car very quickly and was anticipating the driver of the vehicle getting out quickly as well.

The officer indicated to Detective Winfield that he felt there was a high probability that he would have to chase the driver of the vehicle, as is that it is common in potential 503 cases.

The officer indicated as he was exiting his driver's door and positioning himself just slightly beyond the driver's door as if to

approach the suspect vehicle, he was able to observe a long barrel from a rifle or shotgun being elevated and maneuvered to a position pointing directly at him and his vehicle.

He indicated to his passenger "he's got a shotgun get out or get down."

Officer Hogge indicated that he believes the suspect's driver's window was open at this time as he was able to very clearly see the barrel of the weapon he had pointed in his direction.

The officer describes the movement of the barrel as coming from the lap of the driver of the suspect vehicle being directed toward him and his vehicle.

Officer Hogge indicated that the next thing that he recalled was hearing what he estimates as between seven and eight shots being fired toward his vehicle. He indicated that the shots were being fired at the patrol car from the barrel of the gun that he had previously described.

Officer Hogge indicated that he did not recall if he shot from his 9mm Sig-Sauer while standing in the position behind the driver's door.

Officer Hogge indicated that he saw the suspect out of the suspect's vehicle and advancing toward the driver's door of his vehicle.

He describes the suspect advancing to the hood area of the patrol car.

Officer Hogge describes what he says was continuous fire in his direction.

Officer Hogge indicated that he then repositioned himself from behind the driver's door to the rear driver's portion of the vehicle.

He indicated that he knows he shot several rounds, unknown exactly how many, but perhaps as many as ten, from that position.

Officer Hogge indicated that his best memory is that at either that time or shortly thereafter, while positioning ^{himself} behind a truck, he realized he had hit the suspect because he saw ^{5 susps} hand, arm and perhaps even his leg fly backward as if he had been hit by the gunfire.

Officer Hogge indicated that the suspect continued to advance around the driver's door of his patrol car when he ran to a more secure position of cover.

He indicated that he positioned himself to the west side of a truck parked in the driveway of a residence on the north side of Marlin Spike, address of [REDACTED].

Dave Hogge indicates that the suspect continued to advance behind the driver's door of his vehicle.

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:
HOGGE, D.

Officer Hogge indicated that when he was at the rear of his vehicle directly behind the driver's side, he noted that his passenger, the ride-along, had also run to the rear of the vehicle and was standing behind the vehicle on the passenger side.

He indicated he did not see his passenger run to the south side of the street but did see him hidden in a breezeway of a residence on the south side ^{of the street} at the time that he positioned himself across the street by the pickup truck he had previously described.

Officer Hogge indicated that it was at this time that he was first able to utilize his handie-talkie and call dispatch and advised them he had a code "900 and needed code 3 cover," he "was being fired at."

The Officer, Dave Hogge, indicated that at the time of his transmission he was being fired at by the suspect with the rifle he had previously described. He indicated that he believes at this time he was lying on the ground next to the transformer which was slightly east of the pickup truck between the residence of [REDACTED] and the residence just to the east of that residence.

Officer Hogge indicated that it was at this time that he realized he was out of ammunition and needed to reload his weapon.

He indicated that he was having difficulty getting to the magazines of his weapon and was finally able to insert the magazine and inject a round into the chamber.

HOGGE, D.

Officer Hogge indicated that it was at this time that he watched the suspect walk directly to the driver's side of his vehicle and get into the driver's side of his vehicle.

Officer Hogge indicated that he remembers thinking, the suspect's in my car and he's attempting to escape.

He indicated at that time he made a radio transmission to dispatch stating that the "suspect is in my car attempting to escape in my car."

He indicated that he estimates the suspect being in his car approximately thirty seconds to one minute.

He recalls hearing some grinding of the engine as if the suspect was having difficulty placing the vehicle in gear.

It was at this time that Officer Hogge heard other officers saying on the radio, "Where's Marlin Spike."

Officer Hogge indicated it was at that time he transmitted over his radio, "Just north of Bell."

The suspect then got out of the patrol vehicle's driver's side and discontinued his attempt to flee in the vehicle.

It was at this time that he began again firing directly at Officer Hogge.

HOGGE, D.

Officer Hogge describes the suspect as carrying the rifle and pointing it in the direction of his person.

Officer Hogge indicated he then began returning fire with ammunition from the new magazine.

The officer indicated the suspect then began walking westbound on Marlin Spike, away from him and the patrol vehicle.

Officer Hogge indicated that he yelled at the suspect "drop the rifle, drop the weapon," several times.

It was at this time that Officer Hogge saw two units turn eastbound into the cul-de-sac of Marlin Spike.

Officer Hogge indicated that one of the patrol vehicles went to an area unknown to him and the other patrol vehicle parked with the engine running on the north side of Marlin Spike and the driver's door was open.

David Hogge indicated that he saw Officer Kevin Nowicki step out of his vehicle and issue commands for the suspect who was walking in his direction with the rifle elevated to "freeze."

Officer Hogge indicated, at this time, he may have noted that the suspect was limping, as if injured in one of his legs. Officer Hogge indicated that it was his belief that the weapon of the suspect was leveled in the direction of Officer Nowicki, at this time.

HOGGE, D.

At this time, Officer Hogge indicated that he may have shot one round but is not certain.

He indicated he did, however, see Officer Nowicki shooting numerous rounds in the direction of the suspect.

At approximately this time Officer Hogge indicated he felt something hit his chest, as if a piece of the projectile may have struck him.

He indicated it was at this time that he really noted the cross-fire problem and he indicated that he may have even expressed over the police radio that he had a "cross fire problem."

Officer Hogge indicates that his best estimate of the distance between Officer Kevin Nowicki and the suspect at the time that Officer Nowicki shot his rounds was that it was between ten and fifteen feet.

It was shortly after Officer Nowicki shot several rounds in the direction of the suspect, that the suspect fell to the ground.

He indicated he then watched as Officer Nowicki approached the suspect, kicked the gun from the area of his person and handcuffed him quickly.

When asked if he could estimate the number of shots fired by Officer Nowicki, Officer Hogge indicated between two to six shots.

Officer Hogge indicated that he was aware that a passenger was seated in the front passenger seat of the Oldsmobile at the time that they passed each other on Norwood and that he was additionally aware that a passenger was taken from the suspect's vehicle and placed in custody shortly after the suspect in this case had been handcuffed.

This arrest was done by Support Officers.

Officer Hogge indicated that to his knowledge the passenger of the vehicle never got out of the suspect vehicle at anytime during the shooting incident.

Officer Hogge indicated that there was good lighting in the area where the suspect vehicle stopped.

He describes the cul-de-sac as well lit as you make entry and that there were some street lights illuminating the area, as well as his headlights and overheads and siren which were continually activated through the entire incident.

He additionally indicated that he was aware of the back drop behind the suspect vehicle.

He indicated he noted that there was a stone or wooden wall which separated the dead-end of the roadway. He indicated there were no houses beyond that wall that he could recall.

This was the conclusion of the interview with Officer Hogge.

ADDITIONAL VICTIM STATEMENT:

NOWICKI, Kevin Michael
Sacramento Police Officer, badge 0340

On 02/19/94 at 0406 hours, Detective Overton met with Sacramento Police Officer Kevin Nowicki in interviewing room #5 located in the Homicide section. A video and audio tape recording machine had been activated to record the contents of this interview. Officer Nowicki stated the following in summary about this shooting incident.

On the police radio, I heard Officer Hogge making a vehicle stop at Norwood and Jessie Avenue. The dispatcher came back with the 912 and 913 information (a check to see if the vehicle is stolen and registered owner information). Hogge said, the suspect vehicle was now failing to yield. I then made a U-turn from southbound Norwood onto northbound Norwood. I activated my emergency light and siren and proceeded northbound on Norwood. I then heard Hogge say that the suspect vehicle was going through either a traffic light or a street sign still northbound. I kept proceeding northbound on Norwood Avenue at about fifty to fifty-five miles per hour. I then began to slow my police vehicle down, because my police siren was intermittently cutting out on me. I then heard Officer Hogge say, "Shot fired". I then accelerated my police car again, as I continued northbound on Norwood Avenue.

At about Grand Avenue or Jessie Avenue, another police car came in from the east (Officer Debbie Langston, Alpha-41). My siren gave out completely at this point, so I followed Langston with her lights and siren activated. Hogge was then yelling for Code-3 cover. I could hear the sounds of pops in the background as he was making his radio transmission. Hogge's voice sounded stressed and high pitched. I then heard Hogge say something like, "He's in my car". I thought he meant that the suspect was in custody, but Hogge's voice hadn't calmed down. Hogge then said, "Shots fired" and he needed Code-3 cover.

Alpha-41 (Officer Langston) then made a right turn onto the street and I was right behind her in my car. When I made the right turn, I saw a male White adult on the north side of the street, mid-block, walking westbound towards me with a rifle in his right hand. He was carrying the rifle at the center portion of the rifle. I focused in on him. I then hit my "E key" (emergency key on the computer to summons additional help). I then angled my patrol car in a northeast angle and came to a stop at the north

side of the street. I then exited my patrol car with my gun drawn and pointed at the male White subject. The rifle was still in his right hand at a level angle. I yelled for him to freeze and to drop it. Beyond him, I could see a white pickup truck, about fifty to sixty yards away in a driveway, a garage door and an officer in front of the truck in a huddled position. I heard yelling, that I think was coming from the officer in front of the truck. I heard "gun", but that's all I could make out. The male White subject wasn't dropping the rifle. The barrel of the gun then started coming up towards me as he started to raise his right hand in a forward position. I then fired to defend myself. I think I fired three to four rounds at this point. The guy started to drop slowly. He was then laying on the sidewalk and the sloping curb at the north side of the street. I looked at the rifle and at his hand, which was about one inch away from the trigger area of the rifle. I could see the suspect looking at me and then started reaching for the gun. I fired another two to three more times. At this point, he was less than five feet away from me. I remember thinking to myself, that I'm not going to die. I felt that if I didn't shoot, that I was going to be shot. I had came from behind the door of my police car when I shot at him during the second volley of shots. His hand then stopped moving.

I approached the suspect and moved the rifle away from his grasp and then looked at him. I noticed he was not moving at all. I picked the rifle up and put it in the trunk of my police car. Another male officer arrived. I still had the suspect at gunpoint, and at this point in time, I cuffed the suspect. As I cuffed him, I did not notice any movement at all from the suspect.

During this ordeal, I remember seeing the taillights of Officer Langston's police car ahead of mine down the street near the other police car. However, I couldn't see where Officer Langston was.

I don't remember hearing the suspect saying anything. I also didn't hear any other gunfire. That's all I remember at this time.

The interview was concluded at 0440 hours.

It should be noted that prior to the start of the details of this incident, Detective Overton asked Officer Nowicki what his current

ADDITIONAL VICTIM'S STATEMENT:

LANGSTON, Deborah Louise
Sacramento Police Officer
Badge 0311

On 02/19/94, at 0456 hours, I, Detective Overton met with Officer Langston in interviewing room number five located in the Homicide unit. Detective Overton had activated a video and audio recording machine to record the following interview. Detective Overton initiated the interview by obtaining personal identifying information on Officer Langston and then asking her what her present assignment is within the Sacramento Police Department. Langston stated, she is presently working First Watch Patrol in the north area of Sacramento with a Call sign of Alpha-41. Langston stated, her normal working hours are 2100 to 0700 hours. Officer Langston stated, she has been a Sacramento Police Officer for one year and one month. She's a graduate of the Sacramento Police Academy and is presently a Junior in College with a Criminal Justice Major. The following is Officer's Langston statement in summary:

I was northbound on Rio Linda Boulevard at approximately Grand Avenue, when I heard Officer Hogge come on the police radio and say that he was going to make a Vehicle Stop at Norwood and Jessie. I started in his direction when I heard Officer Hogge get on the radio again and say that it was a Failure to Yield. I remember Hogge saying, it was going to be a pursuit northbound on Norwood and to advise the Sheriff's Department. After that, I started Code 3 in his direction. I also remember Hogge saying that the suspect got into a 901 (accident) on Marlin Sparks or something like that. I remember Hogge then stating that shots were fired and that the guy had a shotgun.

I didn't know where the street was at, but I kept going northbound on Norwood Avenue because I knew it was in that direction. I remember Hogge yelling for Code-3 Cover on the police radio and that shots had been fired. Hogge then said the suspect was in his police car and was trying to drive it. I could hear gunshots in the background as Hogge was making his radio transmissions. The last transmission I remember hearing, was Hogge saying, "It was north past Bell".

I had just passed Bell Avenue and I then saw another police car behind me with it's emergency lights on. I then came up to the street and I turned the corner to the right to see Officer Dave Hogge vehicle with it's emergency lights going.

As I drove down the street, I saw Hogge running towards this home on the north side of the street with the suspect running after him. It was kind of a blurr, so I don't remember seeing a weapon in the suspect's hand at this point in time.

I pulled my car up to the north curb on Marlin Spike, between where Officer Nowicki's car ended up and the driveway of where the white pickup truck was parked (between [redacted] Marlin Spike Way).

I started to get out, but the suspect was already at the front of my car within about five feet, with what looked like a pistol grip shotgun in one of his hands. I don't remember which hand it was in. His other hand and arm were limp and I could see blood all over him. He was moving the gun around to the front of his body, as if trying to get a better grip on the gun. He was walking towards my car with the gun pointed at me.

I knew that I did not have time to get out of my car and to pull my gun, so I leaned down on my seat fearing that he was going to shoot through my windshield. I then put my car in drive and I drove forward to the point where I stopped my vehicle on the right side of Officer Hogge's police vehicle.

I then got out of my car and I saw Officer Hogge taking cover in front of the white pickup truck in the driveway of [redacted] Marlin Spike Way. I was then looking for covering myself. I wanted to go over to Officer Hogge's location, but I was concerned that if I ran around the front of Officer Hogge's vehicle, that I maybe shot by suspect number two still in the suspect vehicle. I could see suspect number two in the suspect vehicle. When I looked back at suspect number one, he was now walking towards Officer Nowicki's car, which was now at the north curb of Marlin Spike Way. I then decided to open the back driver's side door of my patrol car to act as a shield from suspect number one, in case he decided to shoot at me. I also had my driver's door open as a shield from suspect number two in the suspect vehicle. I then crotched down between the two doors. I then heard about four to five shots from the area where Officer Nowicki was. I could see Nowicki firing his gun. The suspect then dropped to the ground. The distance that Nowicki was from the suspect when he first shot, was about five to seven feet away. I don't recall hearing anything other than the gunshots. I don't remember hearing the police radio, hearing any voices or sirens. I then saw Officer Nowicki fire his gun one

additional time. This time, Nowicki was closer to the suspect, perhaps about four feet away. Nowicki must have moved closer to the suspect, but I really don't remember seeing this.

I then turned my attention back towards the suspect vehicle and suspect number two. I had my flashlight on him and I was yelling for him to put his hands out the window. The suspect slid across the front seat towards the driver side and then put his hands out the driver's window. He had something in his hands. At first, I thought it was a gun and then he threw it. It turned out to be a flashlight. He started to get out of the car. By this time, there was a bunch of officers there. The officers started yelling commands for him to get down on the ground and they subsequently took him into custody.

Officers then placed suspect number two in the back seat of my patrol car. I then got into the driver's seat of the patrol car and started asking him what his name and identifying information was.

He said, "I told him to stop and not to do it". He was asking what would happen to him and he wanted to know what we did with his friend. I asked a couple of questions like, "Were they on parole, is the car stolen, did his friend say anything when they saw the cop car behind them. He said that his friend said, "Watch this" as he pulled the gun out from underneath the seat and then started shooting. That's all I remember.

The interview was then concluded at 0543 hours. Officer Langston was given a business card from Detective Overton and instructed to call Detective Overton, should she think of anything further to add to this statement.

ADDITIONAL VICTIM STATEMENT:

[REDACTED]
MH,
DOB [REDACTED]

On 2/19/94 at 0230 hours, Detective Overton met with victim [REDACTED] in an interviewing room located in the Felony Assaults Section. Detective Overton introduced himself and asked [REDACTED] if he would mind if Detective Overton audio taped the interview. [REDACTED] stated no. Detective Overton activated a portable cassette recorder, which inadvertently was initially upside down at the onset of this interview. Therefore, the first part of the interview may sound more muffled than the rest of it because the audio microphone was on the down side. [REDACTED] stated the following in summary.

I and Officer Dave Hogge are personal friends. He used to be my neighbor. Tonight, I went on a ride-along with Officer Hogge.

While we were on Patrol in the North Area, we saw the suspect vehicle going the opposite direction from us on Norwood Avenue. The suspect vehicle was driving northbound on Norwood Avenue while we were southbound on Norwood Avenue. The occupants gave Dave (Officer Hogge) a hard look and said something like fuck you. Dave then made a U-turn. Dave caught up to the vehicle and noticed that the license plate light was not working. He then started to run the license plate number in his computer system. Dave then activated his red and blue emergency lights. The suspect's car started to speed up a little bit and then fully accelerated away from us.

CONTINUED:
[REDACTED]

Dave got on his police radio and said that he had a failure to yield pursuit. I could see two silhouettes of people moving around inside the car a lot. The back window of the car was covered with dew. I remember the vehicle as being a brown Oldsmobile or Buick type car. The pursuit continued Northbound on Norwood where the car made a right turn onto a dead end street (Marlin Spike). The suspect's vehicle had been weaving within it's own lane as it was travelling northbound on Norwood. The driver was not driving like he was drunk but more like he was unsure of where he was going.

When the suspect vehicle made a right turn onto Marlin Spike, he lost control of his turn and jumped the right curb of the street hitting a mailbox. The car continued forward, backed up onto the street towards the end of the cul-de-sac.

We pulled our police car in behind the suspect vehicle and before we could bring our vehicle to a stop, the driver of the suspect vehicle (MW 30, 6'0, medium build, long blond shoulder hair, unknown color or type of clothing) had opened his door and had his foot already on the ground with a barrel of what I thought was a shotgun. He brought the gun out with his right hand and the barrel pointed upward and then grabbed the forestock of the shotgun with his left hand as he started to lower the barrel towards Dave. Dave started yelling commands. The guy muttered something but I don't remember what it was.

NARRATIVE SECTION

CONTINUED:

It may have been some type of profanity. Dave was yelling the commands but I don't remember exactly what he said, something like, "Get back in the car or drop your weapon. As Dave was yelling the command, the passenger in the suspect vehicle initially opened his car door and started to get out but then the shooting started and he got back in. I heard the suspect start shooting. I don't remember seeing a muzzle flash but I could hear about three or four shots being fired from the suspect's weapon. Dave started to return fire, maybe two to three rounds. We then both decided to leave our position and run to the back of the police car for better cover. It was about this time that Dave called in on the police radio that he had shots fired. The suspect started walking towards Dave on Dave's side of the car. He continued to fire, maybe four to six times, as he advanced. Dave popped off a few more rounds at the suspect and may have hit him again.

We both then decided to run to a blue car, possibly a Fiat, parked on the street over to the right curb behind our police car. We took cover behind the trunk area. The suspect was now somewhere around the driver's area of Dave's police car and was still shooting at us, maybe three more times. I remember one bullet sparking off the street pavement towards our direction. The bullet may have went underneath the Fiat. Dave may have fired some shots in return but I can't remember. The suspect then went back to the driver's door of his car, possibly to reload his weapon.

CODE: 197 PC

REPORT #94-14476

VICTIM: OFFICER DAVE HOGGE

NARRATIVE SECTION

CONTINUED:

At this point, Dave told me to take cover. I then ran up to a house on the right side of the street, [REDACTED] Marlin Spike Way, and took cover behind a wall which leads up to the entryway. Meanwhile, Dave ran across the street (northbound) and took cover behind a SMUD utility box. Dave was still yelling for the suspect to drop his gun. The suspect then began a deliberate walk towards Dave shooting about four to five shots. Dave returned about four to five shots. It was at this time that I saw Dave reload a magazine of bullets. The suspect had walked to within about ten feet of where Dave was.

The suspect then walked back towards the police car and got into the front seat of the police car. It sounded like the gears were grinding as if the suspect was trying to shift the police car into gear. The engine of the police car was still running. Dave radioed in that the suspect was now in the police car. The suspect then got out of the police car and started shooting again, maybe three or four more times. The suspect then started walking westbound down Marlin Spike in the gutter area as if he was looking for me. I could no longer see Dave and I thought that he had been shot. I never saw Dave take cover behind the white pickup truck parked in the driveway of [REDACTED] Marlin Spike. Dave may have taken a position of cover in that area during the shootout, but I don't remember seeing him in that position.

SACRAMENTO POLICE DEPARTMENT
SUPPLEMENTARY INVESTIGATION REPORT

CODE: 197 PC

REPORT #94-14476

VICTIM: OFFICER DAVE HOGGE

NARRATIVE SECTION

CONTINUED:

As the suspect was walking down Marlin Spike, another police car pulled onto the street at the north curb towards the western end of the street. A male officer got out and yelled a command, something like, "Drop your weapon." Then another police car pulled up on the right side of the second police car. The two police cars basically arrived at the same time. The suspect fired maybe one to two rounds at the second police car. The male officer fired about two to three rounds in return and the suspect immediately fell to the ground. The suspect had gotten to within about six feet or even closer before he was stopped by the gunfire of the second officer.

Then a bunch of police cars came. A short time later a group of officers advanced towards the suspect vehicle and hollered commands for the second suspect. I really couldn't see what was going on because of the distance and my vision being blocked.

At several times during this whole ordeal, the suspect was yelling something like profanity. I don't remember what was said or exactly when. I thought both Dave and I were going to die. I felt helpless because I didn't have a gun or anything.

The interview was then concluded at 0330 hours and [REDACTED] was given a business card by Detective Overton and instructed to call Detective Overton if he thought of anything further.

SACRAMENTO POLICE DEPARTMENT
SUPPLEMENTARY INVESTIGATION REPORT

CODE: 664/187 PC

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

STATEMENT OF WITNESS:

On 2/19/94, during the a.m. hours, Detective Winfield conducted an interview with a [REDACTED]

This interview was conducted in the Homicide Division interview room, 813 6th Street, Sacramento Police Department.

There were no other persons present during the interview.

This interview was both audio/video recorded.

The following is a summary of that interview.

Detective Winfield introduced herself to [REDACTED] as one of the detectives assigned to handle this case.

Detective Winfield established background information with regard to [REDACTED] i.e., date of birth, Social Security, residence and phone number and his status with regard to employment.

Detective Winfield asked [REDACTED] if he realized he was not under arrest.

He nodded his head in the affirmative.

Detective Winfield further asked [REDACTED] if he was aware that he was free to go at anytime.

He indicated he was aware of that fact.

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:

[REDACTED]

Detective Winfield advised the witness that I was sorry for the lengthy delay but that several other witnesses had been interviewed prior to him.

He indicated he understood.

Detective Winfield then asked [REDACTED] how long he had known the subject who had been involved in the incident with him tonight.

The witness advised Detective Winfield that the subject's name was Scott Allen and that he'd known him for only three to four weeks.

He indicated that he met Scott Allen through a friend named [REDACTED] unknown last name, who works at his residence as a babysitter.

The witness advised Detective Winfield that [REDACTED] was the person who was contacted by police to get the last name of the subject involved in the shooting tonight.

Detective Winfield asked the witness what he was doing with Scott tonight.

The witness advised that Scott had come by his and his wife's residence this evening at about midnight. The witness indicated that Scott Allen spoke with his wife for a period of time as he was sleeping.

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:

He indicated that he awoke from his sleep, came out and spoke with Scott Allen and the two of them decided to take a drive to the store for a beer.

The witness stated that he liked talking with Scott Allen, as he could discuss some of the problems that he was having of a domestic nature and that he was a person he liked to bounce ideas off of.

The witness further stated that he and his wife had been into an argument over normal problems earlier in the evening and he felt comfortable in discussing his domestic problems with Scott Allen.

The witness stated that he first thought that Scott Allen would be driving over to an AM/PM on Northgate, but that he was relaxed as the subject, Scott Allen, drove from Northgate to El Camino then turned left off of El Camino onto Grove to Norwood. He indicated that he felt they were just cruising around and talking and killing some time.

Detective Winfield asked the witness if he had ever seen the vehicle that Scott Allen was driving that night.

He indicated that he'd never seen Scott Allen in that car before and he recalls asking Scott Allen where he had got it.

He indicated that Scott Allen had told him that the car was his, that it was just one of his belongings.

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED;

The witness stated that nothing appeared unusual until he noted that Scott had a concerned look on his face as he was looking into the rearview mirror of his vehicle as they were travelling northbound on Norwood.

He indicated that he then saw some lights and turned to look over his left shoulder and saw that a marked police vehicle with it's lights activated was attempting to pull them over.

The witness stated that he noted a very worried and concerned look on Scott Allen's face and noticed that he accelerated the vehicle at this point.

The witness stated that he turned to Scott Allen and told him not to evade the police.

He indicated he recalls Scott Allen stating something similar to "they ain't gonna catch me."

He indicated they travelled over the 80 Freeway, northbound on Norwood and had passed the AM/PM on Norwood at Jesse, when Scott Allen pulled what appeared to be a .22 caliber rifle with the stock removed out from under the driver's front seat.

He indicated that he then watched as Scott Allen utilized the electronic window openers to open the driver's window.

He indicated that he became very fearful at the time that he saw the subject, Scott Allen, pull out the gun and told him to "stop for the police."

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:

The witness stated he additionally told Scott Allen that they were approaching a stop sign and a four-way stop and for him to slow down.

The witness estimates their speed at between eighty and ninety MPH. He indicated that the suspect blew us through the stop sign.

The witness stated that he responded to the suspect, "You don't need this kind of trouble, you don't need this kind of hassles." He indicated that the subject just continued, headed at an accelerated rate of speed northbound on Norwood and turned right onto a dead-end street. He indicated that the suspect lost control of the vehicle and "took a mailbox out."

He indicated that they then came to a stop.

The witness stated he then heard the suspect state "watch this," as the suspect set the barrel of the .22 caliber rifle up on the driver's window pointing it in the area of the officer's vehicle.

He indicated he yelled out to Scott Allen "no, stop."

The witness stated that he put his hands above his head as if to surrender should the officers see him.

He indicated there were no door handles on the vehicle so he was unable to exit the car.

REPORT #94-14476

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:

The witness stated that the suspect was having difficulty getting out of the driver's side of the vehicle and thus climbed out the driver's window. The witness stated that it was not until he had fired off at least two rounds from inside of the vehicle with the rifle pointed in direction of the officer's vehicle did he get out.

The witness stated that upon the stop of their vehicle, it appeared simultaneous that the suspect, Scott Allen, began blasting off rounds.

The witness stated that he looked over his left shoulder and heard the officer say something similar to "stay down, don't get up."

He indicated that he heard a lot of shots fired and realized that the officer was returning fire towards them.

The witness stated that there were approximately two to four rounds popped off from inside of their vehicle toward the officer's vehicle prior to the suspect getting out of the car through the driver's window.

The witness stated that it was his best memory that before the suspect got out of the car there were one to two shots heard to be return fire from the officer's vehicle prior to a second series of shots fired by the suspect from the rifle again.

The witness stated that as he looked over his left shoulder after that series of events, he saw Scott Allen on the ground by the squad car.

NARRATIVE SECTION

CONTINUED:

The witness stated that he then saw the officer run to the north side of the street behind a white economy truck parked in a driveway just behind his vehicle, referencing the officer's car.

The witness stated that he then saw Scott Allen get up from his position on the ground and began shuffling toward the officer's car and beyond.

He indicated it was at that time that he lost a visual of the suspect, Scott Allen.

He indicated that he heard shots being fired but did not recall how many.

The witness stated that there were approximately two minutes of shots fired until he was told to get out of the car by other officers on the scene.

The witness stated that he can recall the suspect stating as he pulled the gun out initially from beneath the driver's seat as they were driving to evade the officers, the suspect stated something similar to, "I'm going for it. I've got to go. They're not gonna keep me."

The witness stated the suspect additionally stated "I'm not going back. I don't want to go back."

The witness interpreted this comment as meaning that he was going to go for it, he did not want to go back to prison under any circumstances.

VICTIM: HOGGE, David

NARRATIVE SECTION

CONTINUED:

He further indicated that the suspect, at one point, turned to him and said, "This is it." several times.

He indicated it was his impression that this is it meant that the suspect was going to "Rambo it," meaning that he was going to charge at the officer and do whatever was necessary so as to avoid going back to prison.

The witness stated that he did not see his associate, Scott Allen, get hit by bullets but that it was his impression that he had from statements that he had heard officers on the scene make.

He indicated he did not know currently what the status of the subject, Scott Allen, was.

The witness stated that that was all he knew as best he could recall.

He indicated that shortly after heard a cease of the fire, he was contacted by uniformed officers who got him out of the car and arrested him.

He indicated they were gruff in their contact with him but that he understood why and that it was at a later time that he was told that they had to do that because of the circumstances.

He indicated he fully understood and knew that he was not under arrest but that they had to render the situation safe.

NARRATIVE SECTION

CONTINUED:

He indicated he did have a blue flashlight in his hand that he threw from his hands at the time that the officers searched him.

The witness advised Detective Winfield that he was in no way involved in any aggressive act and that he remained in the vehicle during the entire time that the shooting occurred.

He indicated that he attempted, with futile effort, to get the suspect, Scott Allen, to surrender to police.

He indicated it was obvious to him that the suspect, Scott Allen, was bent on being an aggressor in this situation and did not want to go back to prison.

The witness was advised that he may be contacted at a later date for more specific information and should he develop new information feel free to call Detective Winfield with that information.

This is the conclusion of the interview of this witness.

REPORT #14476

VICTIM:

NARRATIVE SECTION

STATEMENT OF VEHICLE OWNER:

1300 hours, 2/22/94. I contacted [REDACTED] who responded to the Hall of Justice, 813 6th Street to receive a copy of an impound release. [REDACTED] vehicle had been driven by the suspect when the suspect encountered police and was subsequently shot to death.

I asked [REDACTED] if he knew this guy who was in his car. [REDACTED] stated that it was his sister's boyfriend. I asked [REDACTED] if he loaned the car to the guy and he stated no, that his sister has been using it for the past several days.

[REDACTED] stated he didn't even know anything about the car until he saw it on the news and right away, when he saw the pictures he knew that his vehicle was being driven by Scott Allen, his sister's boyfriend. [REDACTED] stated he doesn't know Allen that well and was under the belief that his sister was using the vehicle.

[REDACTED] stated that Allen had just gotten out of prison this past January and was currently seeing his sister. I asked [REDACTED] if he knew this subject, Scott Allen, to use drugs or anything and he stated no, he didn't know because he didn't hang around with him nor did he know him that well.

I gave [REDACTED] a copy of an impound release and advised him to take it to the tow yard and his vehicle will be turned over to him.

3 CRIME CODE SECTION

664/137

NARRATIVE

1	SUPERVISORS SUMMARY
2	2335 HRS. 2/18/94, I HEARD VIA THE
3	POLICE RADIO OF OFFICER HOGGE'S
4	PURSUIT. I RESPONDED AND ARRIVED
5	AT MARLIN SPIKE/SULLY AT 2350 HRS.
6	UPON MY ARRIVAL I OBSERVED
7	MULTIPLE SPD MARKED UNITS ALONG
8	WITH SFD. ENGINES AND AN AMBULANCE.
9	THE SUSPECT WAS ON THE GROUND
10	ON THE N. CURB OF MARLIN SPIKE
11	EAST OF SULLY, AND BEING ATTENDED
12	BY A MEDICAL CREW.
13	THE SCENE HAD BEEN CORDONED
14	OFF BY POLICE YELLOW TAPE FROM
15	THE INTERSECTIONS OF SULLY & MARLIN
16	SPIKE AND POLICE UNITS WERE STOPPING
17	TRAFFIC N/S BOUND SULLY AT MARLIN
18	SPIKE.
19	I HAD UNITS ASSIGNED TO
20	ENVIAS THE BLOCK OF MARLIN SPIKE
21	EAST OF SULLY. ADDITIONALLY, I ASSIGNED
22	OFFICERS (DAND VALDER) TO REMAIN
23	WITH THE INVOLVED OFFICERS (NOWICKI &
24	HOGGE) AND TO FURNISH TO THEM
25	CONT.

VICTIM OR COMPLAINANT	
2 LAST NAME, FIRST, MIDDLE (FIRM NAME IF CRIME AGAINST BUSINESS)	3 CRIME CODE SECTION 664/187

NARRATIVE

1	OBSERVATIONS :
2	
3	ON 2-18-94, AT APPROX. 2335 HRS,
4	I OVERHEARD OVER MY PATROL CAR RADIO
5	OFFICER HOGGE WAS IN PURSUIT OF
6	A VEH. WHICH WAS FAILING TO YIELD.
7	THE PURSUIT ENDED AND SHOTS WERE
8	BEING FIRED AT OFC. HOGGE AT APPROX.
9	2326 HRS.
10	AT APPROX. 2340 HRS, I ARRIVED
11	AT THE SCENE, OFFICER NOWICKI HAD
12	JUST HANDCUFFED THE SUSPECT. (ALLEN).
13	I PROCEEDED TO THE SUSPECT
14	VEH. THE PASSENGER [REDACTED]
15	WAS LAYING ON THE GROUND UNHANDCUFFED,
16	OFC. TENNIS AND I TOOK [REDACTED]
17	INTO CUSTODY AND PLACED HIM INTO
18	A PATROL CAR.
19	I THEN WENT TO WHERE SUSP.
20	ALLEN WAS LAYING ON THE GROUND.
21	I CHECKED TO SEE IF ALLEN WAS
22	STILL ALIVE. ALLEN HAD NO PULSE
23	NOR WAS HE BREATHING. ALLEN'S EYES
24	WERE OPEN AND FIXED ASWELL. I
25	ADVISED RADIO THAT THE SUSPECT WAS DEAD

--	--------------------------------

NARRATIVE

1	<u>OBSERVATIONS</u>
2	
3	2-18-94, APPX, 2333 HRS, I MONITORED OFC
4	HOGGE ADVISE VIA RADIO THAT HE WAS
5	MAKING A VEHICLE STOP AT NORWOOD/JESSE,
6	I STARTED IN THAT DIRECTION FROM
7	NORWOOD/LAS PALMAS FOR ASSISTANCE. I
8	HEARD OFC HOGGE ADVISE THAT HE WAS
9	IN PURSUIT N/B NORWOOD. NEXT I HEARD
10	OFC HOGGE REQUEST C-3 COVER, 5 SHOTS FIRED.
11	I RESPONDED CODE-3 RED LIGHTS/SIRENS
12	I DID NOT ADVISE DISPATCH OF MY
13	ENROUTE/ARRIVAL DUE TO AIR TRAFFIC. I
14	ARRIVED AT THE SCENE WITHIN 1-2 MINS. I
15	SAW OFC NOWICKI (IN FRONT OF [REDACTED] MARLIN
16	NORTH SIDEWALK) POINTING HIS FIREARM
17	AT SUSPECT, WHO WAS ON HIS BACK ON THE
18	GROUND. I EXITED MY PATROL CAR WITH MY
19	SHOTGUN. OFC NOWICKI TOLD ME TO COVER HIM
20	(SUSPECT). I COULD SEE BEHIND OFC NOWICKI
21	A RIFLE LYING ON THE GROUND. I COULD
22	SEE THAT SUSPECT WAS BLOODED AND STILL.
23	I DID NOT KNOW IF SUSPECT HAD EXPIRED.
24	I COVERED THE SUSPECT WHILE OFC NOWICKI
25	HANDCUFFED HIM. AT HIS POINT, I RAN

PRESS RELEASE SACRAMENTO POLICE DEPARTMENT

TOPIC OFFICER INVOLVED SHOOTING

DATE / TIME 2/18/94, 2335 HOURS

LOCATION 400 BLOCK OF MARLIN SPIKE WAY

SUMMARY

A recently paroled subject was fatality wounded after he fired several shots at Sacramento Police Officers. The shooting took place at the conclusion of a vehicle pursuit. The officers were not injured.

The 27 year old suspect lead officers on a short pursuit that ended when he ran over a neighborhood mailbox. He then got out of his vehicle armed with a rifle and immediately began shooting at the pursuing officer. The officer returned fire, wounding the suspect. Although wounded, the suspect continued to advance on the officer with his rifle, causing the officer to retreat while exchanging gunfire.

As assisting officers arrived, the suspect continued to advance on the officers, failing to comply with demands to drop his weapon. The suspect again pointed his rifle at another officer, who fired, causing the suspect to drop his rifle. The suspect was flown via helicopter to the UC Davis Medical Center, where he was pronounced dead.

Sgt. Bob Mitchell, Homicide Section

LAB NO: 94-01334-003/-004
VICTIM: Allen, Scott
Hogge, (Officer)
Nowicki, (Officer)
AGENCY NO: SPD-94-014476

ATTENTION: HOMICIDE DETAIL

RESULTS AND CONCLUSIONS:

Item 03-#1 (SPD PR 130661 #52) is a Sig Sauer P226, 9 mm Luger caliber semi-automatic pistol, serial number [REDACTED]. It operated normally in tests. The safeties are functional. It has a 4 pound single action trigger pull and a 11 pound double action trigger pull. General rifling characteristics are six lands and grooves, right twist, land impression widths of 0.059 to 0.060 inches and groove impression widths of 0.117 to 0.120 inches.

Item 03-#2 (SPD PR 130661 #54) is a Sig Sauer P226, 9 mm Luger caliber semi-automatic pistol, serial number [REDACTED]. It operated normally in tests. The safeties are functional. It has a 4 to 5 pound single action trigger pull and a 11 to 11-1/4 pound double action trigger pull. General rifling characteristics are six lands and grooves, right twist, land impression widths of 0.059 to 0.060 inches and groove impression widths of 0.118 to 0.120 inches.

Item 04-#1 (SPD PR 130661 #53) apparently is a magazine for the pistol Item 03-#1. It has a capacity of 15 rounds of ammunition. It contained nine intact "WIN 9 mm LUGER" headstamped cartridges loaded with hollowpoint bullets.

Item 04-#2 (SPD PR 130661 #55) apparently is a magazine for the pistol Item 03-#2. It has a

NARRATIVE SECTION

02/19/94, 1745 hours

NOTIFICATION:

02/18/94, 2347 hours, I received a Homicide Team Callout to Sully and Marlin Spike Way regarding an officer involved shooting. The notification came from the Sacramento Police Department Communication Center, Supervising Dispatcher, B. Starr, ID #6171.

Dispatcher Starr related that there was an officer involved shooting, with fatal injuries being sustained by the suspect.

I advised Dispatcher Starr to notify on call Detective J. Cabrera and later into the investigation, to also notify Detectives T. Winfield and R. Overton.

I also advised Dispatcher Starr to implement the Department's call out sequence for members of the Internal Investigation Section, Professional Standards Section, Sacramento County District Attorney's Investigators, Sacramento Police Officers Association and the Law Enforcement Chaplain (representatives from all the above sections and organizations responded to the scene. For their exact identities, see Crime Scene Recorder's report, prepared by CSO Officer Lau).

I responded from my residence.

ARRIVAL AND SCENE:

02/19/94, 0017 hours, I arrived at the scene. It was at this exact time that the suspect was being air lifted to the UCD Medical Center, via "Life Flight" helicopter. The suspect would later be pronounced dead.

SCENE:

Access to the scene was secured with all vehicle traffic being restricted on Sully, between Main Avenue and Santa Anna Avenue.

The outer perimeter of the primary scene was secured by police barricade tape on the west entrance of Marlin Spike Way, which is a cul-de-sac.

The inner perimeter, primary shooting scene, was also secured with police barricade tape.

Lieutenant D. Poroli, badge number 4081, was the Incident Commander, Sergeant S. Azevedo, badge number 3051, was the Sector Sergeant and CSO Officer S. Lau, ID number 6443, was the Crime Scene Recorder.

I made contact at the scene with Lieutenant Poroli and Sergeant Azevedo. Both advised me of the circumstances surrounding the incident and their scene assignments.

The Sacramento City Fire Department had already responded with their "Light Truck". This equipment was used to illuminate the shooting scene.

There were several officers present at the scene. For their observations, see individual supplements prepared by them.

I noted that both involved officers, (D. Hogge and K. Nowicki) were still present on the scene. Both later completed a "Walk Through" indicating their positions and directions of fire. Neither officers complained of injuries.

DETECTIVE FOLLOWUP:

Detective J. Cabrera, badge number 0234, responded to investigate the scene, video tape and coordinate the collection of evidence with Crime Scene Investigators Pollard, badge number 0424 and A. Trujillo, badge number 0213.

Detective Cabrera was later assigned to follow Officer Hogge's police vehicle to the Sacramento Police Department's laboratory at 555 Sequoia Pacific. The marked emergency vehicle, (equipment number 7221 and California exempt license plate E373452) was towed by [redacted] Arnold's Tow Service. The vehicle had received gun shots to the windshield and driver's side front tire. The front tire was flat. There was also blood on the exterior and interior driver's side. The vehicle was sent directly to the lab for later processing.

The suspect's vehicle, 1978 Oldsmobile Cutlass, [redacted] license plate [redacted] was impounded by Shanahan's Tow. The impound was documented on police report number 94-14497. This vehicle was also not processed at the scene and would be completed at a later time.

observed, numerous blood spots on the roadway in this particular vicinity of the vehicle. In front of this particular police unit, I observed a maroon colored Oldsmobile, [redacted] license [redacted]. The vehicle, appears to have suffered some damage from gun shots. Both doors are shut on the vehicle and the driver's window is down.

Checking the roadway between police unit 7221, and the suspect's vehicle, I observed, what appears to be twenty-two expended casings lying on the roadway. I also observed a blue metal flashlight lying on the roadway in the midst of the twenty-two expended casings. A count of the twenty-two casings show that six(6) expended twenty-two casings lying on the roadway between the officer's vehicle and the suspect's vehicle and a resident's vehicle that is parked facing west in front of [redacted]. This vehicle has a [redacted] license plate of [redacted] and there appears to be no visible damage to the exterior of this vehicle by gun shot. There is also numerous blood spots in the roadway area between the officer's vehicle and the suspect's vehicle.

A visual check of the suspect's vehicle, shows that there is a hole in the rear windshield of the vehicle, which has shattered the glass. There's also observed, a hole on the left quarter panel of the vehicle, as well as two other damaged areas made by gun shot. A look inside the interior of the vehicle, shows that the gun shot hole to the rear of this vehicle, entered and struck the area just below the headliner in the backseat area of the vehicle. The steering wheel is observed lying on the seat and the steering column is shattered. There are also no keys in the ignition. This particular vehicle has no lights on and the engine is not running.

Also observed on the front of the vehicle's hood area and right and left front quarter panel, are damage marks made by gun shot. There's also observed, moderate damage to the front of the vehicle's grill and hood area, which appears to have come from striking the mailbox container. A portion of the mailbox container, is observed under the left front axel area of the vehicle. The right front wheel of the vehicle is off the ground approximately one inch.

The area surrounding the suspect's vehicle, which includes vehicles belonging to residents and the dwellings themselves, are checked for any visible damage, which could have been made by gun shot. No damage is observed in this particular area. The wooden fence, which blocks the end of the street, is

also checked for any evidence and gun shot damage. No damage is found. Looking up over this fence, I observed a large open area with a nearby brick and metal type shed, which appears to be abandoned. A preliminary check of the side visible to me, shows no damage by gun shot.

CSI Officers are to photograph all areas, in which they are instructed to do so and to collect all evidence at this particular crime scene. The officers then will book the evidence into Property. I have also been shown by CSI Officer Pollard, the weapon which had been recovered next to the suspect. The weapon is observed to be a small caliber bolt action rifle, which has it's stock removed. The barrel also appears to be shortened. The bolt action is closed and it is unknown if there is a round inside at this time.

A video of this crime scene will be made showing the location of police units at the time of the incident. It also will show where evidence is located from both the suspect and the officers who are involved in the incident.

It should be noted also, that a marked police unit was observed upon my entry into the street on the south side of the roadway in front of residence number [redacted] facing east. This vehicle had been driven by a female officer at the time when the incident occurred. The officer did not involve herself into the shooting portion of the incident, but was attempting to cover the officers who requested assistance. This vehicle was subsequently removed from the street. There was no visible damage by gun shot to this particular vehicle.

FOLLOWUP EXAMINATION OF SCENE:

At approximately 1400 hours, 02/19/94, I met with Detective Sergeant Bob Mitchell and Detective Toni Winfield at the site of the shooting. I was there to examine during daytime hours, all residences and vehicles which might have suffered any damage stemming from the shootout. After a brief examination through the neighborhood, I found a copper jacket located in the driveway of residence [redacted]. I also found that a portion of the rain gutter located on residence [redacted] in front of the driveway, had also sustained damage from a gun shot. A business card was left on the front door, so that this particular resident could contact me at a later date regarding the damage. Further daytime examination showed that on the front lawn area of residence [redacted], was a furrow through the lawn, which in closer examination, showed that a round struck the sidewalk, leaving a lead marking approximately three inches in length and

NARRATIVE SECTION

DETECTIVE CALL-OUT/FOLLOW-UP:

On 2/19/94 at approximately 0110 hours, Detective Winfield arrived at the scene of an officer involved shooting at the eastern most portion of cul-de-sac of Marlin Spike.

Detective Winfield had received notification that there was an officer involved shooting with a fatality at the intersection of Norwood and Marlin Spike.

Upon arrival at the scene, Detective Winfield was contacted by Sgt. Mitchell from the Homicide Unit who advised that the suspect in this case was deceased and that officers were still on scene.

Detective Winfield was further advised that Detective Winfield's responsibility in this case would be to handle the interviews at the Sacramento Police Department, Homicide interview rooms of the officers in this case.

Detective Winfield accompanied Detectives Cabrera and Sgt. Mitchell and Officer Dave Hogge through a walk-through of the crime scene.

It was briefly narrated by Officer Hogge.

(See Detective Cabrera's supplement for details.)

After establishing a general idea with regard to the scene of the incident Detective Winfield, along with Detective Overton, proceeded to the Sacramento Police Department to handle the interviews in this case.

DETECTIVE CALL-OUT/FOLLOW UP:

Detective Winfield coordinated with the Identification Division that photographs be taken of the three officers involved in this shooting.

The three officers involved in this shooting included two officers who actually fired their handguns, Officer Dave Hogge and Officer Kevin Nowicki. A third officer was not involved in discharging her handgun was Deborah Mello.

Photographs were, in fact, taken by Identification Technician of the three officers.

Because Officer Dave Hogge had indicated to Detective Winfield in a preliminary contact with Detective Winfield that he felt something had struck him in the area of his upper chest/throat area, he was additionally advised to remove his shirt and check for any injury, burning or other unusual circumstance which may relate to this incident.

Photographs were taken of all three officers in uniform, prior to their changing.

The officers had been previously asked to surrender their weapon to Lt. Dave Poroli, Watch Commander.

Dave Poroli identified both Officer Nowicki and Officer Hogge's weapons for Detective Winfield and indicated that he left the weapons, other than rendering them safe, in their condition at the time of the surrendering of the weapons by the officers.

DETECTIVE'S ACTIVITIES:

On 2/19/94 at 0051 hours, Detective Overton received a call at his residence from Sacramento Police Department Dispatcher Brian. Brian stated that there had been an officer involved shooting at Sully and Marlin Spike Way and that one subject was dead. Brian stated that per Detective Sgt. Mitchell, Detective Overton was directed to respond to the scene.

At 0136 hours, Detective Overton arrived on the scene and met with Detective Sgt. Mitchell and Detective Winfield. Detective Overton listened to a partial summary of the crime scene scenario from Detective Winfield. Detective Overton and Detective Winfield then walked through the crime scene for familiarization. Detective Overton drew a rough sketch of the crime scene for future reference. Detective Overton was then directed to assist Detective Winfield in conducting interviews of the parties involved and witnesses at the Hall of Justice.

Detective Overton responded to the Hall of Justice and at 0230 hours met with witness [REDACTED] [REDACTED] was led into an interviewing room located in the Felony Assaults Section. [REDACTED] interview was audio taped, since no video taping room was available. [REDACTED] interview concluded at 0330 hours.

At 0406 hours, Detective Overton met with Officer Nowicki in interviewing room #5 located in the Homicide Unit. A video recorder and audio recorder were activated to record his interview. Nowicki's statement was concluded at 0440 hours.

At 0456 hours, Detective Overton met with Officer Deborah Langston in interviewing room #5 located in the Homicide Unit. Langston's

CRIME SCENE SUMMARY:

At approximately 2351 hours, 02/18/94, I received a call from Sacramento Police Department Police Communication's Dispatch advising me that I was to respond to an Officer Involved Shooting with the suspect deceased. I was advised to respond to the area of Marlin Spike and Sully, which was just north of Norwood Avenue.

I arrived on the scene and found that the entryway from Sully onto Marlin Spike had been corded off by a police tape. I observed numerous police units in the area, as well as officers and Fire Department personnel and equipment.

I found that the area in which the shooting had taken place, was a relatively new residential area located north of Norwood Avenue, which then turns into Sully. This area consist of primarily single story family residences.

At the scene, I contacted Detective Sergeant Bob Mitchell of the Homicide Unit and whom is my Supervisor at the scene. I also contacted Sergeant Azevedo, who is the Sector Sergeant for the area. I also observed numerous CSI Officers who were standing by until requested to process the scene for evidence and photographs. Detective Sergeant Bob Mitchell gives me a preliminary statement as to what has occurred. Detective Sergeant Bob Mitchell then advises me that I am to make a summary observation of the crime scene.

LIGHTING:

Street lights and some residential porch lights.

WEATHER:

Cold and overcast.

SCENE:

The street in which the shooting has occurred after the officers brief pursuit of the suspect and it's vehicle, is called Marlin Spike. This street runs east off of Sully and dead ends approximately five hundred feet from the entrance.

On this particular street, there are residences that line the north side and the south side of this street. There are a total of ten residences that are divided with five on the south side of the street and five on the north side of the street, with the even numbers on the south side, and the odd numbers

on the north side. Observed, are two light standards for the entire street. One light standard is on the south side of the street between the residences numbered [redacted] and [redacted] which are side by side. The second light standard is located on the north side of the street at the end of the block in front of residence numbered [redacted].

With the exception of the suspect's vehicle and three black and white marked police vehicles, I observed four vehicles that apparently belong to residents of this particular street. There are two privately owned vehicles located on the south side of the street and two vehicles located facing west on the north side of the street.

Entering the opening of Marlin Spike, I observed a marked police unit number 6834 facing east and parked with it's driver's door opened on the north side of the street in front of residence [redacted]. A visual examination to the exterior of the vehicle, shows no visible damage by gun shot; however, located in the front of the vehicle, is a .9 millimeter expended casing. Also observed is numerous blood spots in front of the vehicle's open door and in front of the vehicle itself. The blood is located on the roadway, as well as on the sidewalk area near the vehicle. Also observed, is paper from, what appears to be, medical emergency personnel. I am advised by Detective Sergeant Mitchell, that the suspect had reached the point in front of this particular vehicle and fell to the ground and was subsequently attended by medical personnel. Walking in an easterly direction up the street, I observed in the front lawn and driveway area of residence [redacted], five expended .9 millimeter casings. There is a commercial vehicle parked in this driveway facing north. It has a [redacted] license plate of [redacted]. There appears to be no visible damage like gun shot to this vehicle. Lying to the front of this vehicle, I observed, what appears to be a .9 millimeter slug.

Proceeding east from this particular point, I then walked a short distance into the next residence, which is number [redacted], where a SMUD utility box is located in the front lawn area, just west of the driveway at this particular residence. I observed a black magazine on the concrete portion surrounding the utility box. Walking in a southerly direction from this utility box, I observed four expended .9 millimeter casings lying in the roadway. I also observed small drips of blood on the sidewalk area between the utility box

and the expended casings. Walking from this particular point, again in an easterly direction, I observed in the driveway of residence number [redacted] part of what appears to be gun stock. There's also more blood spots located on the sidewalk area in this particular area. Looking south from this area of the driveway, I observed three more expended casings in the roadway and then following the path, observed four more expended casings which are .9 millimeter in caliber lying on the roadway behind the marked police unit equipment number 7221, which is parked in the middle of the roadway facing east with both it's doors open.

Further examination of this vehicle, led me to the discovery of three more expended casings in back of the opened driver's door. The passenger door is also opened. The lights of the vehicle are on and the engine is running, but the overhead emergency lights are not. I observed on the driver's seat of this vehicle's interior, a large stain of blood. I also observed on the driver's door panel, an area of smeared blood. Also observed, is, what appears to be, damage made by a gunshot, just west of the door jam along the side of the vehicle. A hole is observed on the driver's door panel also.

Looking back from this police unit, I observed a concrete area located between residences [redacted] and [redacted] that apparently was used for residential mailboxes enclosed in a single unit. There is debris lying on the concrete pad and just east of this pad located on the front lawn area of residence [redacted], is, what appears to be a portion of that mailbox container.

Following visually the area behind the mailbox concrete pad, I observed wheel marks across the front lawn of residence [redacted]. The wheel marks indicate that the suspect's vehicle had swerved, leaving the roadway, entering upon the residential front lawn, striking the mailbox container and continuing eastward.

Further examination to the front of police unit 7221, I observed a slug, which appears to be .9 millimeter in caliber lying on the roadway. I also observed two bullet holes to the windshield of equipment 7221. A close check of the damage mark, shows that the entry was from the exterior portion of the windshield. I also observed on the driver's door of the unit, which is opened, blood spots on the white portion of the exterior door. There's also

SACRAMENTO POLICE DEPARTMENT
SUPPLEMENTARY INVESTIGATION REPORT

CODE: 197 PC

REPORT #94-14476

VICTIM: OFFICER DAVE HOGGE

NARRATIVE SECTION

RESULTS OF AUTOPSY:

On 2/19/94 at 0948 hours, Detective Overton arrived at the Sacramento County Coroner's Office, 4400 V Street, Sacramento, CA. Detective Overton subsequently met with Dr. Robert Anthony and several of his assistants. CSI Officer Yeager, badge 485, arrived a few moments later and took 35mm photographs of the deceased (Allen, Scott; MWA, age 27, DOB 6/2/66).

Allen's body was observed lying on an autopsy table face up and nude. The body was observed to have four EKG adhesive pads stuck to it's chest. A stitched up Thoracotomy incision was observed laterally across the chest area. Allen's body had several large tattoos on it. Observed on the left biceps was a tattoo of "SAC VALLEY OUTLAW" on the front left biceps. On the backside of the left biceps was a tattoo stating "FOLSOM 87, 88, 89, 90, 91, 92". The left shoulder also had a long poem tattoo. The right biceps area also had a tattoo on the front and back and shoulder area. Another large tattoo covered most of Allen's back and included a tombstone tattoo with the inscription "FUCK THE WORLD".

Allen's body was observed to have three abrasions on the forehead and facial area. A fourth abrasion was observed at the base of the front of the neck. The following is a summary of the bullet holes found in the body and their location and trajectory.

- #1. Entered the left ear and exited the back left side of the head.
- #2. Entered the front left shoulder and exited the rear left shoulder.

REPORT #94-14476

VICTIM: OFFICER DAVE HOGGE

NARRATIVE SECTION

CONTINUED:
RESULTS OF AUTOPSY:

- #3. Entered the right side lower chest area, went through the liver and then exited the right side of the lower back.
- #4. Entered the upper front left thigh and exited the inside rear left thigh area.
- #5. Entered the outside edge of the right biceps and exited the rear right side of the biceps.
- #6. Entered the outside edge of the left biceps and exited the rear left side of the biceps.
- #7. A surface wound on the back of the left hand at the base of the index finger. The trajectory is from right to left (thumb to little finger).
- #8. Entered and exited the left hand index finger (appears to be a .22 caliber wound).
- #9. Entered the palm side of the left hand index finger near the first finger joint and went into the base of the middle finger. The bullet lodged in the palm of the left hand.
- #10. Entered the base of the neck and went through the spinal cord. There is no exit hole.
- #11. Entered the left side of the back and lodged in the lower back muscles with no exit hole.

RE: Officer Involved Shooting -- SPD # 94-14476
Officers Shooting -- David Hogge # 672 and Kevin Nowicki # 340
Person Shot -- Scott Lee Allen

Dear Lt. Enloe

I have received for review the police department reports in this matter, together with the photos and video tapes. I have also reviewed the report of our investigator Jerry Fowler, the records he provided from the UCD Medical Center, and Sacramento Coroner's report No. 94-0757.

The events leading up to the shooting began shortly before midnight on February 18, with Scott Allen driving a 1978 Oldsmobile Cutlass northbound on Norwood. In the car with him was [REDACTED]. The Cutlass belonged to [REDACTED] who had loaned it to his sister, who in turn was Allen's girlfriend. Allen was apparently using the car with permission. Earlier in the evening, he had gone to [REDACTED] home, and the two had then left together in the Cutlass.

As Allen was driving in the area of Norwood and Interstate 80, Officer Hogge was on patrol in a marked vehicle, driving in the opposite direction. Hogge had a civilian "ride-along", with him. When Hogge first saw the Cutlass approaching, he thought it was speeding. He slowed to get a look at the Cutlass driver as they passed, and as he did so he saw the Cutlass slow down. As the two cars passed, he saw the Cutlass driver make a facial gesture that looked like he was either spitting in the direction of the police vehicle or making a derogatory comment -- conduct in either case he thought was unusual. Hogge considered the possibility that the Cutlass was stolen. In his experience (supported by a recently released state report on cars most often

stolen), cars of this model and vintage are common theft targets. Hogge made a U-turn to follow the Cutlass.

The Cutlass rear license plate illumination light was not working, so Hogge had to get close to the vehicle to read the plate. He activated his overhead lights, and the Cutlass immediately accelerated away from him. When the Cutlass continued to ignore the overhead lights, Hogge activated his siren. Allen continued driving north on Norwood at speeds from sixty to eighty miles per hour, ignoring a four-way stop at Bell avenue.

The Cutlass turned right onto Marlin Spike Way, going onto the lawn of one house and hitting a mailbox. Hogge knew Marlin Spike to be a dead end street, so he came to a quick stop behind where the Cutlass finally came to rest in the middle of the street.

██████████ said that as soon as Allen started to evade the police car, he told Allen not to, but Allen said, "They ain't gonna catch me." He pulled out a .22 caliber rifle, with the butt of the stock removed, from under the seat. Allen said, "I'm going for it.... They're not gonna keep me.... I don't want to go back." After the Cutlass came to rest, he said to ██████████ "Watch this," and began to set the gun up on the driver's window.

Hogge saw the gun, which he believed to be a rifle or shotgun, being positioned to shoot, then heard several shots from the gun. At least two shots hit the front hood and windshield of the patrol car. Hogge at first positioned himself behind his open driver's door, but then moved to a position behind his car, and returned fire. Allen continued to advance, firing, so Hogge ran to a position behind a pickup truck parked in a driveway on the north side of the street, and continued to shoot. Allen got into Hogge's car and apparently tried to start the vehicle, but was unsuccessful. Hogge exhausted the ammunition in one clip, repositioned himself by a front yard electric transformer, reloaded, and fired several more shots. He could see impact from the shots on Allen's arms and legs, but Allen would not desist or go down.

Hogge had radioed his situation, and Officers Deborah Langston and Kevin Nowicki pulled into Marlin Spike. Langston pulled into the curb several feet behind and to the north of Hogge's vehicle, and saw Allen approaching her, trying to reposition the gun in his hands. Feeling she could not get from her car, draw her gun, and fire in time, she ducked and pulled her car forward and to the opposite curb, next to Hogge's car. From there, she covered the passenger in the Cutlass, but did not fire any shots.

Nowicki turned the corner and saw Allen walking west, towards him. Nowicki pulled into the north curb behind Langston's original stop, approximately two driveways west of where the Cutlass and Hogge's car were stopped. He got out of the car and pointed his gun at Allen. Allen started bringing the barrel of the rifle up, in Nowicki's direction. Nowicki then fired four shots, and at last Allen slowly dropped, near the north curb, within ten feet from the front of Nowicki's car. Nowicki then came closer to Allen, who looked at Nowicki, and started to reach for the rifle. Nowicki fired again, and Allen became still.

Just after the stop, Hogge's ride-along passenger had positioned himself behind Hogge's patrol car, then ran to the south side of the street, taking cover in the entry way of a house there. ██████████ was safely taken into custody, gave a complete statement, and was released. Neither Hogge's ride-along passenger nor ██████████ were injured.

Allen was transported to the UCD Medical Center, but efforts to save him were unsuccessful. The autopsy showed he had been shot 13 times, including wounds to the left thigh, back, hand, arm, shoulder, and head (not penetrating the skull); the right arm; the left abdomen (through the spleen and bisecting the left kidney); the right abdomen (through the liver); and the neck (partially severing the spinal cord). He died from multiple gunshot wounds. The autopsy also revealed he was under the influence of methamphetamine.

Allen, who was 27, had just been paroled in January from his second state prison commitment (for PC 12021, sentenced in February, 1993). He had also served a prison sentence from 1987 through 1992 for burglary and related charges.

There can be no doubt about the justification for this shooting. While Hogge's suspicion that the Cutlass might be stolen proved untrue, his general suspicion of Allen based on his behavior was well-founded. He was clearly entitled to stop the Cutlass for the license plate illuminator violation. Allen's failure to stop, in spite of the red lights, siren, and [REDACTED] urging, can only be explained by his methamphetamine use, his possession of the firearm in violation of his parole, and his desire to avoid being arrested and returned to prison. Once he chose to shoot at Officer Hogge, Hogge and then Officer Nowicki were entitled to return fire in self defense, in defense of the others at the scene, and in order to apprehend a felon who was committing a violent felony. Penal Code sections 196(3), 197(1) and (4); Tennessee v. Garner, 471 U.S. 1 (1985).

Since we find the shooting was justified, we will take no further action in the matter. Thank you for referring the case to our attention.

Very truly yours,

STEVE WHITE
DISTRICT ATTORNEY

ALBERT C. LOCHER
Assistant Chief Deputy
