Incident Summary

Officers J. Duckham and B. Laird conducted a subject stop on Alvin B. Lee for jay-walking. Upon contact Lee continually attempted to reach into his backpack. Officer Duckham told Lee to turn around, put his hands on his head and interlace his fingers. Lee was only partially cooperative and would not interlace his fingers. Officer Duckham started to bring Lee's right arm down and behind Lee's back at which point Lee attempted to run. Officer Duckham and Laird were able to immediately grab onto Lee and all three fell to the ground. Lee continued to resist however was quickly handcuffed without further incident.

After being handcuffed, Lee complained of pain to his right elbow. Lee had to be medically cleared at the hospital prior to booking. Lee sustained a minor fracture to his elbow area. The ER Dr. stated the fracture was one commonly found in subjects who put their arms down when falling.

Officer Laird sustained a scrape to his left elbow and complaint of pain to his left shoulder. Officer Duckham sustained minor scrapes to his left knuckles and complained of pain to his left thumb area.

Lee was found to be in possession of approximately 32 Ecstasy pills and also had 3 Felony warrants.

The use of force was within policy, used while attempting to stop a person attempting to flee.

Subject: **OFC J DUCKHAM #0676**

Related date/time: **May-13-2013 (Mon.) 1910**

On 5/13/13 I, Ofc J Duckham #0676 (MTR65), was working directed traffic enforcement in full police uniform on a marked police motorcycle within the city and county of Sacramento.

At 1232 hours I was travelling north on Valley Hi Dr toward Mack Rd. This section of Valley Hi Dr is a 6 lane northbound/southbound roadway intersected to the north by Mack road and the south by Bamford Dr. Both of these intersections are signal controlled with marked cross walks.

As I was approaching Mack road I observed a male, later identified as (S) Alvin Lee, step off the west curb of Valley Hi Dr and walk across three lanes of southbound traffic to the raised cement median. (S) saw me approaching and turned around, walking back across the traffic lanes to the west sidewalk. (S) crossed the street between two signal controlled intersections in violation of 21955 VC.

I activated my emergency lights and conducted a stop on (S) for the vehicle code violation. I advised (S) the reason for the stop and he stated "My bad." I asked (S) for identification and he stated he didn't have any. I asked (S) if he was on probation or parole and he stated he was on probation. (S) then started looking through a backpack he had in his possession. For officer safety reason I told (S) to get his hands out of his backpack. I dismounted my motorcycle with the intention of conducting a probation search on (S). I told (S) to interlace his fingers behind his head so I could conduct a probation search. (S) lifted his arms in the air but would not interlace his fingers together after I requested three times. Ofc Laird was at the scene to assist at this time. (S) was not following instructions so I was going to handcuff him for our safety while conducting the probation search. I grabbed (S)'s right arm and attempted to bring it behind his back. As I brought his arm back I felt (S) tense up then pull away from me and attempt to flee north. Ofc Laird and I were able to grab (S) as he attempted to flee and the three of us fell to the ground. (S) fell onto his stomach and I fell onto my knees straddling his back. (S) attempted to pull his right arm under his body and push himself up into a push up position. I grabbed (S)'s right arm and was able to pull it behind his back into a rear shoulder lock. I handcuffed (S)'s right wrist and Ofc Laird was able to get (S)'s left hand behind his back. (S) was handcuffed and placed into custody for resisting and officer (148(A) PC). (S) was

detained in the rear of a patrol car without further incident.

During the altercations I received small abrasions to the knuckles on my left hand, pain to my left hand near my thumb and scuffs to my pant knees. (see CSI photos)

I searched (S)'s backpack incident to arrest. In the front zipper pocket I located a clear sandwich baggie containing 32 small orange pills with a "batman" symbol imprinted on them. Based on my training and experience I recognized these pills as ecstasy, a methamphetamine pill (11377(A) HS).

Ofc Laird Mirandized (S) and took his statement (see supplement).

A records check of (S) revealed him to have three outstanding felony warrants for his arrest (#'s [REDACTED])

I responded to JERPF and using a Nartec test kit the orange pills I located tested positive for methamphetamine. The narcotics were booked as evidence and (S)'s backpack and personal property were booked for safekeeping.

(S) was transported and booked into Jail.

On 05/13/13 at approx. 1250 hours, I was conducting a canvass for witnesses of a police involved incident at the bus stop, just east of 6366 Mack Rd. I contacted [REDACTED] at the bus stop. [REDACTED] stated the following in summary:

I saw a male black (motioned towards Lee) who was "j walking" across Valley Hi Dr. The officers were attempting to talk to him when he tried to get away. The officers grabbed him and took him to the ground. The officers did a good job. They were not too rough with him.

On 05/13/13 at approx. 1232 hours, I (Officer Allen, J. #784) responded to assist Officer Laird #459 and Officer Duckham #676 who had conducted a subject stop at the bus stop on Valley Hi Dr., directly adjacent (east) of 6366 Mack Rd.

Upon arrival, the subject, later identified as Alvin Lee, attempted to run from Officer Laird and Officer Duckham. Officer Laird and Officer Duckham took Lee to ground in a forward motion. Officer Laird and Officer Duckham were flanking Lee at the time he was taken to the ground.

I dismounted my motorcycle and held down Lee's legs while Officer Laird and Officer Duckham handcuffed Lee. Officer Laird's and Officer Duckham's actions were within policy.

After Lee was in handcuffs, I conducted a canvass of the immediate area for witnesses to the event. I contacted [REDACTED] at the bus stop and took his statement.

I assisted Officer Laird and Officer Duckham with completing the booking paperwork.

I use, I don't sell drugs. The ecstasy in the baggie will last me for about a week. I paid 200 dollars for the bag. I used 2-3 ecstasy pills last night. I may still be under the influence.

I have pain to my right elbow where it hit the ground. I ran because I wasn't thinking. I know about the warrants but that isn't me. I need to get into a treatment program.

On 5-13-13 at approx 1232 Hrs I, Ofc. Laird #459 (Mtr 61) was riding my marked Sac PD motorcycle in full uniform in the area of Valley Hi/Mack Rd.

I pulled up to Ofc. Duckham who was on a subject stop on the west sidewalk of Valley Hi just south of Mack Rd. Ofc. Duckham was requesting ID and the subject stated he had none, yet was digging in a backpack he had on the ground. Ofc. Duckham asked if he was on probation and he stated he was.

Ofc. Duckham instructed the subject (Later ID'd as Alvin Lee) to place his hands on his head. (S) Lee was very slow to do this and after a couple requests, still had not followed Ofc. Duckham's instructions to interlace his fingers on his head. I took a hold of (S) Lee's left arm as he asked to pull up his pants. He then pulled away from me and attempted to flee northbound.

I grabbed onto his upper body and pulled him to the ground. We ended up with me on my rear end holding his upper body/head with my left arm and he (Suspect Lee) was holding onto my left leg underneath his body. I requested cover on the radio at this point.

I held my weight on his upper body as he tried pushing up against me and pulling on my leg. I then pushed off his back and freed my leg from his grip.

I continued to pin (S) Lee's upper body to the ground as he pushed against me. I felt my left elbow scraping the pavement as he did this. I observed another officer obtain his right arm and I got a hold of his left arm. I pulled it behind his back and we handcuffed him.

I immediately felt pain to my left elbow and observed it bleeding (photographed by CSI and cleaned up and covered at Sutter General). I also felt pain to my left shoulder following the physical struggle.

(S) Lee was photographed by CSI at the scene.

(S) Lee was then transported by Sgt. Bell to jail where I met her. Once at jail, medical staff refused to accept him due to his elbow pain and Sgt. Bell transported (S) Lee to 300 Richards. I obtained a patrol car and transported (S) Lee to Sutter General Hospital.
