Incident Summary

On Thursday, 2-14-13, at approximately 2336 hours, Officer Cox #419 and Officer Schiele #201 (2A25) were working Directed Patrol in the south end of Del Paso Blvd in response to the robbery series ongoing in that area. As the unit drove south on Fairfield St approaching Calvados Ave they observed a male subject (Later identified as Joseph Billberry 7-27-81 XREF [REDACTED]) riding a bicycle on the wrong side of the road in violation of 21650 VC. After viewing the ICC it was also clear that the suspect was riding without a bike light in violation of 21201(d) VC and ran a stop sign in violation of 22450 VC as well.

As Suspect Bilberry rode east on Calvados Ave towards Cantalier St the officers pulled next to the suspect, illuminated him with their white spot light, activated their ICC, and verbally ordered him to stop his bike. Suspect Billberry began riding in circles near the patrol car instead of stopping his bike. He had to be told again to stop his bike. The suspect was hesitant and continued to ride in circles until officers exited the vehicle and engaged Suspect Bilberry. Suspect Billberry was immediately argumentative and was not compliant with officer's orders to put both his hands up on his head. He attempted several times to bring his left hand to his front waistband area. As documented in the crime report this concerned officers due to his argumentative nature, baggie clothing, and that he had yet to be searched.

Approximately 37 seconds into the contact Suspect Billberry broke free from Officer Cox and Officer Schiele's grip, dove his hand towards his front waistband, and attempted to flee. Officer Schiele broadcasted that the suspect was fighting and units began to respond Code 3.

Officer Cox grabbed Suspect Billberry around his waist from behind to prevent him from fleeing and restrict access to whatever the suspect was trying to get in his front waistband. Officer Schiele attempted to push Suspect Billberry to the ground into a prone position by the back of his head with both of her hands, however suspect Billberry was strong enough to charge at Officer Schiele with Officer Cox holding on to him. Due to how close Suspect Billberry was to Officer Schiele, he was still charging at her pushing her backwards, his hands were free, and her hands were engaged, Officer Schiele kned Suspect Billberry 3 times in the face. This apparently had little effect and Suspect Billberry was able to knock Officer Schiele back into the patrol car and down to the ground on her backside.

Suspect Billberry then began to assault Officer Cox, punching him several times in his face and grabbed and scratched at Officer Cox's face near his right eye. Suspect Billberry then grabbed and pulled with both of his hands on Officer Cox's gun holster. At this time OFC Schiele was able to regain her feet, observed that her partner was being assaulted and that his gun belt was being grabbed by Suspect Billberry. Officer Schiele unholstered her CED (SN X00-514216) and removed the cartridge to touch stun Suspect Billberry in defense of her partner. As she did suspect Billberry broke free from Officer Cox. Officer Schiele pulled the trigger to deploy her CED however she realized that she had removed the cartridge moments earlier and made no contact with Suspect Billberry. (Line 43 on the CED report, first deployment at Tazer Time 23:38:08)

Suspect Billberry fled east on foot to Cantalier and then south to the front yard o [REDACTED] Cantalier St where Officer Cox and Officer Schiele were able to catch him. Officer Schiele updated dispatch broadcasting that the suspect was running south. Officer Cox grabbed Suspect Billberry from behind and was able to use his bodyweight to force him to the ground into the prone position. Suspect Billberry continued to resist officers and attempted to get up with both of the officers on him. Suspect Billberry refused to put his hands behind his back and was physically resisting the effort by officers to get them there. Officer Schiele once again unholstered her CED (SN X00-514216) removed her CED Cartridge and touch stunned Suspect Billberry in the back with no apparent effect. (Line 44 on the CED report, second deployment at Tazer Time 23:38:30) She discarded her CED by throwing it away from the confrontation and continued to gain control of Suspect Billberry.

Due to the suspect's continued violent resistance, Officer Cox attempted to apply the Carotid Control Hold to

Suspect Billberry. Suspect Billberry was able to resist this attempt by Officer Cox and grabbed Officer Cox's fingers on his left hand. Suspect Billberry began to pull backwards on Officer Cox's fingers. Officer Cox felt as his fingers would be broken if he continued. Officer Cox then punched the suspect 2 to 3 times in his face with his right hand, which made the suspect let go of his fingers.

Officer Cox told OFC Schiele to use her CED to control the suspect, but she informed him that she had discarded it. He told her to draw his, since he was still engaged with the suspect trying to control him. Officer Schiele drew OFC Cox's CED (SN X00-201111), removed the cartridge, and touch stunned Suspect Billberry on his back again with no effect. After assessing the no effect that the CED was having in that area, during the same 5 second cycle, Officer Schiele moved the CED to Suspect Billberry's left forearm for the remainder of the cycle. (Line 41 on the CED report, deployment at Tazer Time 23:40:24) Officer Schiele discarded that CED as well and continued to try and gain control of Suspect Billberry's arms which were under him near his waistband.

Officer Clatterbuck, Officer Meier, and SGT McCain arrived on scene and in cooperation were eventually able to gain control of Suspect Billberry, place his hands behind his back and handcuff him.

I arrived at the scene. Both Officer Cox and Officer Schiele were out of breath. The following is an approximate timeline of the incident compiled from the ICC of the units patrol vehicle.

23:36:10 First verbal contact with Suspect Billberry

23:36:47 Suspect Billberry Begins to fight and flee.

23:38:50 First assistance arrives on scene over two minutes after the suspect began to fight

23:40:15 Suspect is detained in handcuffs

A broken glass methamphetamine smoking pipe was located in Suspect Billberry's jacket pocket.

After force care was administered. Medics were requested immediately, and he was put in a position of recovery while he was searched. When Suspect Billberry caught his breath he was seated upright and buckled into the back of a patrol vehicle until Sacramento Fire Department Medic 2, and Engine 19 arrived. Officer Mosley rode with Suspect Billberry to Sutter General where he was treated. Suspect Billberry refused to give a statement, however can be heard saying "I'm sorry" on the ICC audio immediately after being handcuffed.

Officer Schiele sustained redness and swelling to the right side of her face and eye. Officer Cox sustained an approximate 2" abrasion to the top of his head above his right eye, and scratches to his right arm and left hand.

CSI responded to the scene and photographed Officer Cox, OFC Schiele, and their injuries. CSI then responded to the hospital where Suspect Billberry's injuries were photographed.

OFC Cox developed additional scratches and bruising on his arms and legs which was photographed by CSI on 2/16/13.

Suspect Billberry sustained a swollen right eye (possibly fractured orbital socket), a bloody nose, abrasions to his right elbow and right knee, and a small abrasion to his back.

Suspect Billberry is 5'11 and 190lbs with an athletic build. It should be noted that Officer Schiele is 5'6 and 140lbs.

A neighborhood canvas was conducted by Officer Clatterbuck and Officer Meier. No eyewitnesses were located. Only a couple of neighbors heard yelling and sirens. One neighbor (Witness [REDACTED]) included in the report heard officers telling the suspect to put his hand behind his back, and the suspect replying, "I can't." No video was observed in the neighborhood. 11 units including 1A25's ICC were activated either responding to or at the scene of the incident. I review all of them and nothing was captured on video. Audio of the incident was captured on Officer Cox's and OFC Schiele's ICC.

A local records check of Suspect Billberry revealed that he is on informal searchable probation for a stolen vehicle until 4/15/2013. Additionally Suspect Billberry was out on bail [REDACTED]

[REDACTED] A criminal history chec [REDACTED]

Suspect Billberry was transported via ambulance to Sutter Roseville for treatment and was subsequently booked on the following evening (2/15/13) for 69 PC, 11364 HS, 1203.2(A) PC, and 12022.1 PC. On 2/19/13 the Sacramento District Attorney's Office filed 2 counts of 69 PC and 11364.1 HS on Suspect Billberry, and he is still currently in custody.

Based on my review of this use of force, it was appropriate, justified, and within SPD policy.

Document: **04 OBSERVATIONS**

Author: **3709 - SCHIELE, ASHLEY 0201**

Subject: **A. SCHIELE 201**

Related date/time: **Feb-15-2013 (Fri.) 218**

On 2/14/13 at approximately 2336 hours, Officer Cox and I, Officer Schiele (2A25), was on patrol, wearing full SPD uniform, and driving a marked patrol vehicle in the area of Calvados Ave/Cantalier St. We observed a subject, later identified as Joseph Billberry, riding a bicycle eastbound on Cantalier St approaching Calvados Ave, on the north side of the street (the wrong way). Billberry was in violation of 21650.1 CVC.

Officer Cox turned on his spot light to the patrol vehicle, and told Billberry to stop. Billberry turn around and started to ride his bicycle in circles. Billberry finally stopped I exited our patrol vehicle.

Officer Cox told Billberry to put his hands on his head. Officer Cox grabbed Billberry's right arm and was able to get his hand on his head. I grabbed Billberry's left wrist and told him to put his hands on his head. Billberry kept putting his hand around his ear level, but not on his head. Billberry was stating the bicycle was preventing him from being able to put his hands on his head. I told Billberry the bicycle would not prevent him from putting his hand on his head. Billberry still wanted to argue with Officer Cox and I about this. So I finally moved the bicycle way from him. I grabbed Billberry wrist and told him put his hands back on his head. Billberry started to put his hands on his head, but then suddenly pulled his arms down and attempted to flee on foot. I advised dispatch we had a subject fighting.

It should be noted during this incident Billberry had not been searched. It was unknown of Billberry was armed with any weapons.

Officer Cox grabbed Billberry by the waist and I positioned myself in front of them. I grabbed Billberry's back on the head and was attempting to push him to the ground. Billberry was charging me as Officer Cox was holding him to prevent him from fleeing. Billberry's actions forced me walk backwards. Due to the close proximity, Billberry's arms being free, his actions, and my hands were controlling his head I was unable to access any weapons systems on my belt. I kned him three times in the facial area. Billberry was finally able to push me away, causing me to hit the patrol vehicle and then fall to the ground.

Officer Cox and Billberry went around our patrol vehicle to the south-side.

It appeared Billberry began to physically assault Officer Cox by hitting him in the face. I observed Billberry grab Officer Cox's duty belt with two hands. One of his hands was grabbing Officer Cox holster to his gun.

I unholstered my CED and took the cartridge out. I went to touch-stun Billberry to defend Officer Cox from being assaulted, however, Billberry was able to break away and ran eastbound. I deployed my CED, but then realized there was no cartridge in the CED.

I holstered my CED and Officer Cox and I ran after Billberry. Billberry ran southbound through front yards of Cantalier St. Officer Cox was able to grab Billberry and use his body weight and momentum to take Billberry to the ground in the yard of [REDACTED] Cantalier St.

Billberry was attempting to get up. Billberry's body was tense and he refused to put his hands behind his back. I was unable to gain control of Billberry's left arm. Officer Cox was on Billberry right side/back area. I grabbed my CED, took the cartridge out. Due to Billberry's actions of physically assaulting Officer Cox, him still resisting, and not being able to control Billberry's hands I touched-stun Billberry in the back. It appeared to have no effect. I discarded my CED by throwing it away from the area.

Officer Cox put Billberry in the carotid control hold in an attempt to gain control of him (see Officer Cox's observations for further regarding this).

I attempted to get Billberry to put his hands behind his back, however Billberry's body was tense and his arm was locked. Billberry's hand was clinched in a fist. It appeared Officer Cox's carotid control hold was having no effect. I was able to get his arm behind behind his back. I kneed Billberry twice in his left side. I grabbed Billberry's left arm and was able to get it back to his head area. Then Billberry tensed up his arm again, pushed it forward, and was able to pull it out of my grasp. I kneed Billberry once more in his left side. Billberry started to push his upper body up off of the ground.

Officer Cox advised me to deploy my CED again. I informed him I didn't have my CED that I threw it out of the area. Officer Cox advised me to use his. I unholstered Officer Cox's CED. I could see Billberry was struggling with Officer Cox who still had him in the carotid control hold. It looked like he was trying to hit or grab Officer Cox's face. Due to Officer Cox now being on Billberry's back I took out the cartridge to touch-stun Billberry. I activated the CED and touched-stunned Billberry in the left back/side area. Within a few seconds it did not have any effect on Billberry's

behavior. I moved the CED to Billberry's left forearm and touch-stunned him there for the remainder of the cycle. This had no effect on Billberry. I discarded Officer Cox's CED in the same area as my CED.

Officer Clatterbuck and Officer Meier arrived on scene to assist. Officer Clatterbuck went to control Billberry's arms and Officer Meier gained control of Billberry's legs. Additional officers arrived on scene. We were finally able to get Billberry's hands behind his back. I placed him in handcuffs. A search of Billberry's person was negative.

I read Billberry his Miranda rights verbatim from SPD 133. After I read Billberry each right, I asked him if he understood that right, which he said "yes". I advised him anything he said from that point in time was admissible in court. Officer Moseley later attempted to get a statement from Billberry but he did not wish to provide one.

Billberry was given after force care. The after force care included putting him into the position of recovery while he was searched, we made sure he had ample air, and we asked him if he had any injuries. Billberry was then stood up and seated in the backseat of our patrol vehicle, where he waited for the fire personnel to arrive on scene.

I conducted a search of the jackets that came off of Billberry. I located a broken glass pipe in the left pocket of his jacket. The pipe had a white residue and black burn marks inside of it. There appeared to be a broken bulb on one end. I immediately recognized the pipe as being something that is used to smoke narcotics, specifically methamphetamine.

SFD Medic 2 and Engine 19 arrived on scene. Engine 19 transported Billberry to Sutter General to treat Billberry's injuries. Billberry's right eye was swollen shut and it appeared his nose was bleeding. Officer Moseley rode in the ambulance to the hospital.

Officer Moseley provided me with Billberry's name and date of birth. I conducted a records check on Billberry and found he was currently on i/s probation. Billberry was also out on bail for unrelated charges [REDACTED]).

I obtained redness and slight swelling to my right eye. I am unsure of how this exactly occurred during the physical altercation.

It was determined that Billberry was in violation of resisting arrest with injury (69 PC), possession of drug paraphernalia (11364 HS), committing a felony while on bail (12022.1 PC) and violation of probation (1203.2 PC).

Officer Cox and I later booked Billberry's bicycle and the narcotic pipe into evidence at property.

It should be noted that Billberry is approximately 5'9" tall, which is three inches taller than I am. Billberry weighs approximately 180 pounds, which is approximately 40 more pounds than I weigh.

1SM2 (Sgt. Bales) was advised.

CSI was requested for photographs of Billberry's injuries.

Officer Moseley advised me that Billberry's right orbital socket was broken. At the time of this writing Billberry was still being medically treated.

On 2/14/13 at approx 2336 hrs Officer Schiele and I, Officer Cox (2A25) were on patrol in the area of Calvados Ave/Cantalier St. We were in a marked patrol car and in full police uniform. I observed the following in summary:

I was driving the patrol car and Officer Schiele was seated in the front passenger seat. We were driving east bound Calvados Ave when I observed a subject (later ID as Joseph Billberry) riding a bicycle on the north side of the street riding against traffic (in violation of CVC 21650.1). I aluminated the subject with my spotlight as I pulled my patrol car along side of him. As I pulled up to (S) Billberry I to him to stop. (S) Billberry stated to me, "I know I need a bike light." I had to tell (S) Billberry again to stop riding the bike. I stopped my patrol car and exited to talk to (S) Billberry.

As I exited the patrol car (S) Billberry began to ride in circles and I had to tell him again to stop riding the bike. (S) Billberry stopped riding and came to a stop on the north curb-line of Calvados Ave. I told (S) Billberry to place his hands on top of his head. (S) Billberry would not place his hands on his head when he was told to do so. Due to (S) Billberry not

following the commands that were given and seeing that he was wearing several lays of baggy clothing that may conceal a weapon I grabbed on to (S) Billberry's right arm as Officer Schiele grabbed onto his left arm. I held his right hand to the back of his head but he would not place his left hand to the back of his head. (S) Billberry made several attempts to lower his left hand toward his waist band. I became concerned due to the fact that (S) Billberry had not been searched for weapons and was not being cooperative with the orders we were giving him.

As soon as Officer Schiele was able to get his left hand to the back of his head (S) Billberry pulled both of his arms down to his waist and arched forward. (S) Billberry then began to pull away from us and was trying to flee on foot. I was able to get my arms around (S) Billberry's waist and held onto him as he tried to flee. Officer Schiele got in front of (S) Billberry and tried to gain control of him. As Officer Schiele tried to block his path and he shoves her against the patrol car and then to the ground. I held on to (S) Billberry and pushed him against the patrol car and tried to gain control of him.

(S) Billberry began to fight more fiercely to get away. As I held onto (S) Billberry's waist he was able to drag me around the trunk of our patrol car to the passenger side. I was able to control (S) Billberry to the ground using my body weight. (S) Billberry was able to get his back against our patrol car and his feet under him. (S) Billberry continued to fight to get to his feet by punching me to the right side of my face several times with a closed fist. As I tried to keep (S) Billberry from getting to his feet he stuck one of his hands in my face and began to scratch at my right eye and face. While still trying to gain control of (S) Billberry he grabbed onto my duty belt with both of his hands and began to pull on my gun holster.

(S) Billberry was able to get back to his feet and break free from us. (S) Billberry began to run south bound through the front yard of █████ Cantalier St. where I was able to grab him from behind and control him to the ground using my body weight. While on the ground (S) Billberry continued to fight both Officer Schiele and I. Due to (S) Billberry's violent actions toward us I positioned myself on his back and tried to apply the carotid control hold to over come the continuing resistance. As I was applying the carotid control hold (S) Billberry grabbed onto my left hand and fingers and was preventing me from applying the hold. Fearing that (S) Billberry may break my fingers I used a 2-3 pugilistic strikes to the right side of (S) Billberry's face with my right hand.

Officer Schiele removed my taser form my duty belt and touch stunned (S) Billberry's left arm. After that several officers arrived on scene and help

On 2/14/13 at approximately 2336 Hrs I, Sgt W. McCoin 3114 was working as a patrol supervisor in the north are of the City of Sacramento. I heard 2A25 Officers Schiele and Cox come on the radio and state they had a stop at Calvados and Cantalier. A couple seconds later Officer Schiele came on the air and was in a foot pursuit/ fight with the suspect.

I responded code 3 from Eleanor and Del Paso to the stop location on Cantalier South of Calvados. Upon my arrival the suspect was on the ground actively resisting Officer Sciele and Officer Cox. He was not allowing his arms to be placed behind his back, he would not open his hands and he was kicking. I assisted in controlling his waist area then I took control of his left hand and arm and assisted in handcuffing the suspect.

I checked on the condition of the officers and found both had been assaulted, Officer Cox had a bloody scratch on his head, and both were physically exhausted. The suspect had been touch stunned by the ced and had physical injuries to his face. Medical attention was summoned for the suspect.

Sgt. Bales arrived on scene and took control of the incident.

On 02/14/13 at 2338 hrs., Ofc. Meier and I (Ofc. Clatterbuck #0386) were on routine patrol in full police uniform and driving in a fully marked police patrol vehicle. We were in the area of Del Paso Blvd and Glenrose Ave.

Ofc. Cox and Ofc. Schiele advised via the police radio that they were fighting with a subject in the area of Calvados Ave and Cantalier Street. We responded to the area and found Ofc. Cox and Ofc. Schiele in the front yard of [REDACTED] Cantalier Street. As I exited the patrol vehicle, I could hear a conducted energy device (CED) arcing.

I observed that Ofc. Cox was on the back of a MBA (later identified as JOSEPH BILLBERRY) and had BILLBERRY pinned down on the ground. Ofc. Cox appeared to be straddling BILLBERRY's body with both his legs. Ofc. Schiele had a CED deployed and was drive stunning BILLBERRY's left arm.

I grabbed onto BILLBERRY's left arm and attempted to place it behind his back. BILLBERRY was tensing his left arm and refused to place it behind his back. I placed my right knee on BILLBERRY's back to pin his upper body against the ground. BILLBERRY was attempting to bring his body up off the ground. We continued to struggle with BILLBERRY for about another minute trying to get BILLBERRY's arm behind his back. Sgt. McCoin arrived on

Ofc. Meier and I conducted a search incident to arrest of BILLBERRY's person where he was taken into custody. We did not locate any contraband on his person at that time.

I requested medical assistance for BILLBERRY, due to the CED deployment.
