### Incident Summary

On 7-18-16 at 0506 hrs., Officers Lewis and Price were dispatched to the River Terrace Apartments located at [REDACTED] Millcreek Drive regarding a caller who had advised dispatch that her boyfriend's brother was high on narcotics and having a psychotic episode. While enroute, dispatch received six additional calls regarding the same subject banging on vehicles and apartment doors. One caller advised that she had locked herself in her bedroom with her daughters because she was afraid the subject was going to break down her door.

Officer arrived at 0513hrs. Upon arrival, they located a subject walking in the parking lot (later identified as Jerry Sanchez) matching the callers description. Officers gave Sanchez voice commands to stop. Sanchez was making erratic movements with his body but complied with the Officers commands. Officer Price placed Sanchez into a standing modified arrest position and placed a handcuff on his right wrist while Officer Lewis had control of the left wrist. Sanchez attempted to pull away from Officer Lewis so Officer Lewis used an arm bar takedown to bring him to the ground. Sanchez landed face down in the grass. Sanchez started flailing his arms, striking both Officers in the face and head. Officer Price was struck in the groin by Sanchez's foot or leg.

Sanchez fought his way up to his feet and then turned towards the Officers. Fearing for his safety and the safety of his partner, Officer Price discharged his CED at Sanchez which was ineffective due to the probes not penetrating Sanchez's shirt. Sanchez then turned and walked away. Officers followed him and after he failed to follow voice commands. Officer Price advised him that a CED was being deployed and discharged his CED into Sanchez's back. The CED was effective and Sanchez fell to the ground in the grass.

Officers attempted to handcuff him but Sanchez again was able to fight his way to his feet and continue his resistance. Officers fell to the ground and Sanchez got back up several more times. Officers were beginning to feel exhausted due to the prolonged struggle. Officer Lewis administered the Carotid Control Hold on suspect Sanchez which rendered him unconscious. They again attempted to handcuff Sanchez but he regained consciousness quickly and continued his resistance. Officer struggled with Sanchez for approximately two more minutes until Officers Monelo #307, Fitzgibbon #659, Barret #627, Thompson #471, and Tsverov #893 arrived and assisted in restraining Sanchez so that he could be handcuffed. Once handcuffed, Officers requested medical aid .

Sanchez was transported to Sutter General Hospital by SFD Medic #20. CSI also responded and took photos of the suspect and Officers injuries. Officer Lewis received an approximately .5" abrasion to his right knee as well as a complaint of pain to both knees. Officer Lewis received bruising and swelling to both of his knees. Suspect Sanchez sustained an approximately 1" laceration on the firth side of his forehead, a medium 2"x2" abrasion to his left shoulder, and puncture wounds from the CED prongs on his back.

I responded to the hospital to provide medical paperwork to the Officers. Suspect Sanchez would calmly ask for water then immediately start screaming incoherently and had to be restrained by several Officers. CSI responded and took photos of the scene, and the injuries of the Officers and suspect.

**Comments/Response from Police Captain David Risley:**

Comments:  
Based on the information provided officers were in violent confrontation with the suspect. Officer attempts to subdue the suspect with lower levels of force were unsuccessful. Officers chose the apply the carotid control hold as a final option. The technique was effective and allowed time for other officers to arrive and assist. Force used was reasonable under the circumstances and within policy.

Type 04 OBSERVATIONS

Subject OFC PRICE #539

Author 4106 - PRICE, ADAM 0539 [REDACTED]

Related Date Jul-19-2016 7:41

On 7/18/16, at approx. 0506 hours, Ofc Lewis #233 and I (Ofc Price #539) were dispatched to the River Terrace Apartments (2574 Millcreek Dr) regarding a call of a male subject that was high on narcotics and having a psychotic episode. We were driving a fully marked SPD patrol vehicle, wearing full SPD patrol uniform. Per the text of the call, the subject having the episode was the brother of the complainant's boyfriend and was a male black adult wearing a gray shirt and blue jeans. As we were en route to the scene, the communications center received a total of 6 duplicate calls from separate parties advising there was a male wandering around in the parking lot of apartment complex yelling, banging on cars and banging on apartment doors. The additional callers advised that the subject was yelling to "call the cops" as he was wandering around the parking lot. A number of the additional callers also advised that they were scared and in fear for their safety with the subject banging on their doors and yelling. One of the callers advised that she locked herself, and her daughters, in her bedroom in fear after the subject had banged on her door on 3 separate occasions. We arrived on scene at approx. 0513 hours.

Upon our arrival, we were hailed by one of the callers, outside of the complex, advising that the subject was still wandering inside the apartment and was "acting crazy." As we entered the River Terrace Apartments, I observed a male subject (later identified as Jerry Sanchez 7/31/87) walking northbound through the parking lot wearing a gray shirt and blue jeans, matching the description given by the callers. (S)-Sanchez displayed several objective signs of being under the influence of a narcotic, including: swift and erratic movements, dilated pupils, rapid breathing and nonsensical verbal outbursts.

Ofc Lewis immediately ordered (S)-Sanchez to stop and put his hands up. I ordered (S)-Sanchez not to move and attempted to detain him by handcuffing his hands behind his back. As I placed the handcuffs around (S)-Sanchez's right wrist, I felt his right arm and his body immediately tense up. I once again ordered him not to move and he began to pull his right arm away from me. I ordered him not to move once more and he continued to pull his right arm away from me in an attempt to escape my grasp.

As (S)-Sanchez continued to pull his arm from my grasp, Ofc Lewis used a departmentally trained take down to maneuver the subject face up on the ground. As (S)-Sanchez was on the ground, I again grabbed his right arm and attempted to place the remaining handcuff on his left wrist. (S)-Sanchez began to flail his arms and legs violently, and was twisting his body in an attempt to escape our grasp. As (S)-Sanchez was flailing on the ground, both Ofc Lewis and I sustained several minor blows to various portions of our

upper and lower body. I also sustained a blow to my groin, from either (S)-Sanchez's foot or leg, leaving behind a large visible mark of dirt on my uniform. (S)-Sanchez was able to escape our grasp once again and immediately stood up and turned to face us.

As we were struggling on the ground with (S)-Sanchez, Ofc Lewis requested an emergency response to assist us in detaining (S)-Sanchez. Also during this time my In Car Camera microphone, that is attached to my duty belt, was forcibly pulled off of my belt onto the ground.

As (S)-Sanchez was facing us, Ofc Lewis deployed his department issued conductive electrical device (CED) towards (S)-Sanchez's torso in an attempt to subdue him to assist in detention. The CED failed to complete a connection and was ineffective. (S)-Sanchez turned and began walking at a very fast pace in the opposite direction from us.

As (S)-Sanchez began walking away from us, I unholstered my department issued CED and gave chase after him. I ordered (S)-Sanchez not to move once more and advised him that I would "taze" him if he did not comply. (S)-Sanchez continued to walk away and I continued ordering him not to move and to put his hands up several times. (S)-Sanchez refused to comply and continued walking away from me. After giving (S)-Sanchez a reasonable amount of time to comply with my commands, and in fear for my safety and the safety of the citizens in the apartment complex, I deployed my department issued CED (Taser brand X3 #X13000RK1) towards the back of (S)-Sanchez to assist me in preventing escape, overcoming resistance and effecting an arrest. My CED completed a circuit on (S)-Sanchez's back and he fell to his stomach as the CED cycled. I dropped my CED once again attempted to detain (S)-Sanchez by connecting the handcuffs behind his back during electrical cycle. Once the 5 second CED cycle was complete, (S)-Sanchez immediately began flailing violently again and attempted to walk away.

Both Ofc Lewis and I ordered (S)-Sanchez not to move and we once again took hold of his arms to attempt in connecting the handcuffs. (S)-Sanchez continued to struggle and resist, so Ofc Lewis and I used a departmentally approved take down to maneuver him to the ground once more. (S)-Sanchez continued to resist and would not comply, so Ofc Lewis placed him into a departmentally trained Carotid control hold. Once I observed that (S)-Sanchez had lost consciousness, I immediately advised Ofc Lewis and he released the hold. I grabbed back on to (S)-Sanchez's arms and attempted to connect the handcuffs behind his back again, however (S)-Sanchez regained consciousness and began flailing and resisting once again.

At this time, both Ofc Lewis and I were experiencing extensive exhaustion, both respiratory and muscular, and (S)-Sanchez was not showing any signs of compliance or exhaustion due to his alert mental state. Ofc Lewis maintained a moderate hold around (S)-Sanchez's neck/head area and his legs, and I continued to maneuver (S)-Sanchez's arms behind his back to

connect the handcuffs.

Ofc Monelo #307, Ofc Fitzgibbon #659, Ofc Thompson #471, Ofc Tsverov #893 and Ofc Barrett #627 arrived on scene and assisted us in detaining (S)-Sanchez and connecting the handcuffs behind his back.

From the time of our first contact, until the time (S)-Sanchez was fully detained, approx 6 minutes had elapsed.

We immediately requested an emergency response from Sacramento Fire Department Medics to evaluate (S)-Sanchez following the incident.

The use of 4 officers was required to subdue (S)-Sanchez on the ground until he was able to be fully strapped and restrained to a medical backboard.

Ofc Bender #602 arrived on scene and identified (S)-Sanchez via prior contacts. I verified his identity as Jerry Sanchez (7/31/87) via WebKPF booking photo (XREF: ██████████). Per Ofc Bender, he had a similar contact with (S)-Sanchez several weeks prior with him displaying the same erratic behaviors (See Report #16-177418).

(S)-Sanchez was arrested in violation of 69 PC (resisting executive officers) and 11550 HS (under the influence of a narcotic).

(S)-Sanchez obtained a minor laceration above his left eye and several minor abrasions to his face and body.

Sacramento Fire Department Medic 20 transported (S)-Sanchez to Sutter General Hospital for evaluation of his injuries and mental state.

During the incident, I sustained bruising and swelling to both of my knees requiring medical evaluation at Sutter General Hospital. Ofc Lewis obtained a small, approx. 0.5", laceration to his right knee cap during the incident.

CSI responded to 2574 Millcreek Dr and Sutter General Hospital for photographs of (S)-Sanchez's injuries, as well as my and Ofc Lewis' injuries.

CSO Virk #8180 responded to 2574 Millcreek Dr and collected the prongs, cartridges and AFIDS from both deployed CEDs and booked them as evidence at the Kinney Police Facility.

Sgt Wong #3056 and A/Sgt Edgerton #826 were advised and on scene.

Our fully functional In Car Camera video, and ICC microphones, were activated during the entire incident. However, due to our positioning and distance from our patrol vehicle, as well as my microphone being knocked from my belt, only a small portion of the incident was captured on the ICC.

(S)-Sanchez was medically cleared from Sutter General Hospital, and transported and booked into Sacramento County Main Jail for the above charges

### Narrative Text

**Type** 04 OBSERVATIONS

**Subject** OFC. LEWIS #233

**Author** 4265 - LEWIS, CHAD 0233

**Related Date** Jul-19-2016 7:57

On 07/19/16 at approximately 0506 hours, Ofc. Price #539 and I (Ofc. Lewis #233) were dispatched to 2574 Millcreek Dr # [REDACTED] regarding a suspicious subject. We were driving a fully marked SPD patrol vehicle, wearing full SPD uniform. Per the text of the call, the complainant [REDACTED] was advising that her boyfriend's brother was high on narcotics and having a psychotic episode. The complainant advised the subject having the episode was a male black adult named Jerry, wearing blue jeans and a gray shirt. While en route to the call, dispatch advised of numerous updates from other callers in the same apartment complex (6 total) who were advising that a subject was banging on apartment and car doors screaming for someone to call the police. One of the additional callers advised that she needed police to hurry because she was worried someone was going to be hurt by the subject. An additional caller advised that she was so scared of the subject, she hid in her bedroom with her children. We arrived on scene at approximately 0513 hours. I observed the following in summary (ICC activated for the duration of the incident):

Upon arrival, we were contacted by the driver (Unidentified male white adult) of a tow truck who approached our vehicle. The tow truck driver advised that the subject was in the south west corner of the parking lot. The tow truck driver stated that the subject was "really crazy" and advised Ofc. Price and I to be careful.

We entered the apartment complex and located a male black adult wearing blue jeans and a gray shirt (Later identified as S-Jerry Sanchez) walking eastbound through the complex. We parked and exited our patrol vehicle directly in front of the subject and commanded him to put his hands up. At this point, I observed S-Sanchez display behavior consistent with someone under the influence of narcotics (Methamphetamine). S-Sanchez' pupils appeared much larger than normal (Larger than any officer on scene).

In addition, S-Sanchez displayed odd behavior such as making a praying motion with his hands upon contact, repeatedly making erratic motions with his hands and arms, and repeatedly demanding to be taken to an ambulance. Ofc. Price approached S-Sanchez from S-Sanchez' right side and successfully positioned S-Sanchez in a standing modified arrest position. I was standing on S-Sanchez' left side. After placing handcuffs on S-Sanchez' right wrist, I heard Ofc. Price command S-Sanchez to stop moving multiple times.

I proceeded to grab S-Sanchez' left arm and attempted to place him in a two handed rear wrist lock. At this point, I felt S-Sanchez' body tense up and he began moving his arms to attempt to break the control hold. I then transitioned from the control hold to a department approved arm bar take-down on S-Sanchez' left arm. I successfully completed the take-down, causing

S-Sanchez to land face down in the grassy area outside of the apartment complex. I maintained control of the left arm and continued to attempt to handcuff S-Sanchez and Ofc. Price attempted to gain control of S-Sanchez' right arm, which at this point had a handcuff secured to the wrist.

I used my radio to call for emergency assistance from other units.

S-Sanchez started flailing his arms violently striking Ofc. Price and I in the head and face. While attempting to gain control of S-Sanchez' arm, S-Sanchez attempted to push me over onto my back. After approximately 1 minute of attempting to secure S-Sanchez' unsecured wrist in the handcuffs, S-Sanchez was able to break free of both Ofc. Price and my attempts to detain him and stand up on his feet. At this point, S-Sanchez turned towards Ofc. Price and I. Based on S-Sanchez' reported behavior prior to our arrival, the erratic behavior I observed, his physical resistance

during our attempts to arrest him, and the fact that we were unable to complete a pat-down search for weapons on S-Sanchez' person, I believed S-Sanchez posed a risk of great bodily injury to myself, Ofc. Price, and the residents of the apartment complex. Due to the facts listed above, I deployed my department issued CED (Taser X3 Serial #X13000RC) in an attempt to overcome S-Sanchez' resistance and effect an arrest.

My CED failed due to the prongs of the device not penetrating S-Sanchez' shirt.

Immediately after deploying my CED, I used my radio to broadcast that I had deployed my CED and that it was ineffective.

S-Sanchez then started walking eastbound through the complex in an attempt to escape. Ofc. Price gave chase and ordered S-Sanchez to stop. Ofc.

Price and I each ordered S-Sanchez to show his hands multiple times. Ofc. Price then warned S-Sanchez that he was going to taze him. After a reasonable amount of time, Ofc. Price deployed his CED, striking S-Sanchez in the back with both prongs. Ofc. Price's CED was effective, causing S-Sanchez to fall onto his stomach in a grassy area.

Ofc. Price and I then again attempted to handcuff S-Sanchez' unsecured arm/wrist. As we attempted to secure S-Sanchez' unsecured wrist, he immediately became physically resistive again, flailing his arms, kicking his legs, and rolling side to side, attempting to cause Ofc. Price and I to lose our balance. After approximately 20 seconds of struggling to control S-Sanchez on the ground, S-Sanchez was able to rise to his feet again.

At this point, I started becoming physically exhausted including muscle soreness, heavy breathing, sweating, and weakness. I became afraid that I would become overpowered by S-Sanchez due to my level of fatigue.

Ofc. Price and I continued to struggle to secure S-Sanchez' arms in handcuffs. Ofc. Price was positioned on S-Sanchez' right side, attempting to obtain a twist lock on S-Sanchez' right arm and I was on S-Sanchez' left side,

attempting to obtain a twist lock on S-Sanchez' right arm. S-Sanchez continually flexed, pulled, and flailed his arms. Eventually due to our attempts to obtain twist locks, and S-Sanchez' movements, we all fell to the ground.

Once on the ground, in an attempt to effect an arrest and overcome S-Sanchez' resistance, I administered a department approved carotid control hold. After holding the hold for approximately 10 seconds, I felt S-Sanchez' body go limp. I asked Ofc. Price if S-Sanchez was "out" and he responded yes. I immediately released the hold and rolled S-Sanchez onto his stomach in order to handcuff him. Due to S-Sanchez' arm being under his body, we struggled to complete the handcuffing prior to S-Sanchez waking up. As we were preparing to secure the handcuff to S-Sanchez' unsecured wrist, S-Sanchez "woke up" and began flailing his body violently again.

Due to S-Sanchez' continued resistance, I was unable to request medical aid for him immediately after administering the carotid hold.

Again, I secured a carotid control hold position and attempted to administer it to S-Sanchez. Due to S-Sanchez' flailing, I was unable to position the hold correctly and released it. I maintained a position of control on S-Sanchez' back while waiting for responding units.

After approximately 2 minutes of maintaining control of S-Sanchez, multiple officers arrived on scene, including Ofc. Monelo #307, Ofc. Fitzgibbon #659, Ofc. Barrett #627, Ofc. Thompson #471, and Ofc. Tsverov #893 (See supplements from all officers involved regarding their actions).

With the help of all responding officers, Ofc. Price and I were able to successfully handcuff S-Sanchez from the prone position. S-Sanchez continued to attempt to flail, flex his arms, and make evasive movements to avoid being handcuffed until the handcuffs were secured on his wrists. Immediately after S-Sanchez was secured in handcuffs, I requested code 3 medical assistance for S-Sanchez.

The total length of the incident from the initial request for emergency assistance to S-Sanchez being handcuffed was approx. 6 minutes. Additional units arrived on scene including 1SM1 (Sgt. Wong and A/Sgt. Edgerton).

CSI responded to the scene for photos of the scene.

CSO Virk #8180 responded and collected evidence for booking including CED blast doors, prongs and AFIDS (See CSO Virk's supplement for further).

SFD (Medic 20 and Engine 15) responded to the scene and administered aid to S-Sanchez. SFD transported S-Sanchez to Sutter General Hospital (Ofc. Price escorted S-Sanchez to the hospital inside the SFD ambulance).

On 07-18-16 at approx. 0730 I Officer Virk #8180 spoke with with witness [REDACTED] via phone [REDACTED]. He gave me the following statement in summary:

I live across the street from Boost Mobile store. I was getting ready to drop my son off at work. I noticed a male black adult (MBA) standing in front of the Boost Mobile store. He was wearing a gray jacket. He had short hair and he looked almost bald. He was approx. 5'8". It looked very suspicious to me because it was very early in the morning. I turned around to put my stuff in my car. When I turned around again and I saw the MBA hop through the window. The window was broken. It looked like he was standing as a guard.

A couple of seconds later, I saw the lights turned on in the store. I could see a second male black adult inside the store. He was wearing a black hoodie. He had a scruffy beard. He was approx. 5'5". At that point, they noticed me and they turned the lights off. I saw him duck down and hide. I then called 911 and told them that officers need to get here fast.

I will be able to recognize both male black adults if I see them again.

Upon arrival, I observed the window on the north eastern side of the building was broken. I also saw Ofc. Tsverov and Ofc. Barrett arriving at the scene from the north east direction. Ofc. Tsverov advised that the suspect was still inside. Ofc. Tsverov had his firearm drawn and he admonished the suspect to come outside. At that point, Ofc. Tsverov ran back towards the back entrance of the building. Ofc. Masee, Ofc. Barrett and I ran towards the rear of the building. While we were running, Ofc Barrett advised me to stand in front of the building and keep an eye out for anybody coming out of the building. I stopped running and came back to the front of the building.

After approx. a minute later, Ofc. Tsverov came to the front of the building. Ofc. Tsverov called for K9 assistance. I stood by the front until the K9 arrived. I assisted with conducting the neighborhood canvass.

On Monday 7/18/16, at approx 0517 hours, Ofc Monelo #307 and I (Ofc FitzGibbon #659) responded to 2574 Millcreek Dr regarding officers requesting assistance and that they were fighting with a subject. We arrived on scene at approx 0521 hours. I observed the following in summary:

We located Ofc Price #539 and Ofc Lewis #233 in the street of an apartment parking lot struggling to detain the suspect( Jerry Sanchez). I observed Ofc Price #539 kneeling down on top of the suspect, and Ofc Lewis #233 kneeling on the ground next to Jerry attempting to detain him. I observed both of the officers were struggling with Jerry.

Ofc Monelo and I ran to Ofc Price and Lewis and assisted in detaining Jerry. Jerry's brother was on scene standing approx 3 feet away from Ofc Lewis and Price. Jerry's brother was yelling at the Officers. I verbally commanded Jerry's Brother to sit down on a curb across the street. After multiple verbal commands Jerry's brother complied.

I assisted Ofc Monelo, Price, and Lewis detain Jerry. While doing so, I observed Jerry continued to resist officers and was actively resisting arrest. Jerry was keeping his hands underneath his body. I observed that officers had already handcuffed one of Jerry's hands. After a brief struggle and with the help of 4 total officers, we were able to detain Jerry in handcuffs without any further incident.

While waiting for the Fire Department, Jerry continued to thrash and kick and pull and grab with his hands while being handcuffed. Officers had to hold Jerry down for several minutes until the Fire Department arrived.

Additional officers arrived on scene to assist.

I later assisted in a neighborhood canvass.

He also started kicking and punching a tow truck and yelling at the driver. Once the police showed up the put a spotlight on him and told him to put his hands up. Jerry complied, once the Officers tried to handcuff him, jerry refused and ran down the street. The Officers got close to him and tased him twice, but he kept screaming and acted like it didn't effect him. The first two officers kept wrestling him and telling him to calm down, chill out and stop resisting. Then other Officers showed up and finally got things under control. I think all the Officers handled everything really well. Jerry should have just complied.

On 07/18/16 at approximately 0517 hours, Officer Tsverov (#893), and I, Officer Barrett (#627), together as 2A24, were on routine patrol in the area of Marysville Boulevard and South Avenue, in the City and County of Sacramento.

We heard radio traffic from SPD unit 2A11, Officers Lewis (#233) and Price (#539), that they were fighting with a resistive subject. We responded code 3 (overhead lights and siren) to the scene, when the reduce was put out and the resistive subject was detained.

We arrived on scene at approximately 0523 hours.

At the scene I contacted Witness/Complainant [REDACTED] who stated the following to me in summary:

I am in a dating relationship with [REDACTED]. He has a brother named "Jerry Sanchez". I don't think they're actually blood relatives, but they grew up together, so they say they're brothers. I've meet "Jerry" on a few occasions - probably three or four. I know him on sight, but I don't know him well enough that I would just say "hi" to him if I wasn't with my boyfriend.

My mom lives in apartment [REDACTED] I was over there this morning, getting ready to walk the dogs, when "Jerry" just ran into my mother's apartment yelling, "you need to call 9-1-1!" He kept saying that over and over and over. He was obviously having some sort of episode.

From my boyfriend, I know that "Jerry" uses crystal methamphetamine, and snorts crack cocaine. I also believe he is schizophrenic. This morning I'm pretty sure he was "on one" (under the influence of narcotics), which probably made the schizophrenia worse.

"Jerry" was adamant about me calling 9-1-1, and I was trying to, but I was so nervous with him standing in front of me and yelling at me to call 9-1-1 for him. My telephone has a password on it, so it took me a second to get the password entered. But, "Jerry" just kept saying, "You need to call 9-1-1! You need to call 9-1-1!" The way he was acting was making me very afraid of him.

I told him he needed to wait for 9-1-1 outside, and I pushed him out the front door and locked it. That was when I called 9-1-1.

I could hear him running and banging on things, which I can only imagine were

my neighbor's doors, and screaming for someone to call 9-1-1.

After I pushed him outside I didn't see anything. I came outside just now because my boyfriend called me and said he was in the back seat of a police car. I just came out to check on him. I didn't have any idea what "Jerry" did after he left my mother's apartment.

Around 15 to 20 minutes ago, a black male adult, the same guy the officers contacted and arrested, came to my front door and started knocking. He was knocking really loud. He was yelling "Call the Police!". He was banging really loud. I thought he was going to break in. He then started to bang on the window extremely hard. I thought he was going to break the window.

He noticed that a tow truck was driving around, so he ran to it and started banging on the tow truck. I immediately called 911. I informed the dispatchers what was going on. The tow truck started to drive away. I guess he scared the driver away.

After the tow truck drove away, the male subject ran to another apartment door and started banging on their door and windows.

I noticed that officers arrived and began to approach him. I stopped looking out the window since I thought the officers will deal with him. I did not see or hear anything else until I heard police sirens.

Around 05:00 AM, I arrived to this apartment complex to look for vehicles that were illegally parked. I heard someone yelling for help. He was yelling "call the Police!". He was running around yelling "someone call the cops". He ran towards my tow truck and yelled "call the police". It looked like he had his hands bound or he was holding them together. Using both his hands he started hitting my window extremely hard. I thought he was going to break the window. The force of his impacts were causing my truck to shake.

He had some crazy . For someone his size and to make my truck move by just hitting it, he must been high on something. He is a male black adult, in his 30's. He was wearing gray sweater.

He was hitting my window so hard, I am not surprised it didn't break my window. He was hitting it super hard!

He then ran away and ran towards an apartment. He ran upstairs and started hitting an apartment door. I thought he was going to break into their apartment and hurt them. He was banging so hard that I could hear it from the parking lot. I thought he was going to break in the door. Then he started hitting the window. At this point I was afraid for the peoples safety inside. I was worried he was going to seriously hurt someone since he was extremely high. I thought he was going to assault someone.

He ran to six or seven apartments and almost broke down their doors. I was concerned for everyones safety so I decided to turn on my tow truck lights and I yelled to him "Hey come here, the cops are here".

He came to my window and once again started hitting it. He tried to climb into through the slightly opened window. I told him to follow me as I began to drive away. I was afraid he was going to break into my truck and assault me. So I told him to follow me so I could lead him to the officers.

As I drove away he chased my truck but stopped following me after a short moment. He once again ran to a few different apartments and started hitting their doors.

I lost sight of him so I drove to the front gate. Two officers met me at the gate and I informed them what had occurred. They told me to stay near the

gate so that they may contact me later.

Around 5 minutes later I heard a lot of cop sirens, so I assumed that they needed him. I started directing the responding officers where they other officers were located. I used a gate remote to open for the officers. I knew the first two officers needed help. I did not see the first two officers contacting the subject.

I knew he would seriously hurt someone.

In Summary:

On 7-18-16 at approx. 0530 hours I, Officer Massee #548 spoke with [REDACTED] in the back seat of my patrol vehicle. [REDACTED] told me the following in summary:

That guy is my brother. He is a Schizophrenic.

I don't know if he uses methamphetamine. I don't think he is a violent Schizophrenic.

Tonight I was at a house around the corner when my girlfriend [REDACTED] called me and told me that my brother wanted her to call the cops for him. He wanted [REDACTED] to call the cops to help him.

I hopped the fence from the house that I was at and I came over to where my brother was at.

When I got here the cops were on top of him. One of the cops had my brother by the neck and was choking him and the other cop had his knee in my brothers back.

My brother was trying to get up but only because the cops were holding him down.

I didn't hear the officers say anything. I just wanted them to get away from his head so he could breath.

I didn't see anything that lead up to this point but I don't think my brother deserved that.

In Summary:

On 7-18-16 at approx. 0535 hours I, Officer Massee #548 spoke with [REDACTED] at [REDACTED] Millcreek Way # [REDACTED]. He told me the following in summary:

This morning I woke up to banging noises outside my door. The banging was really loud. I looked outside and I saw a guy walking back and forth on my balcony. I was really afraid that he was going to try and come inside my house so I closed one of my windows that I had open.

Shortly after that I heard the guy arguing with security (later determined to be police). I think they were down in the grass near my apartment.

I remember hearing the officers say "Get down" several times.

Then I know I heard the taser go off. I actually heard two tasers go off. It didn't sound like it worked though.

It was really hard to see what was going on because there were a lot of trees blocking my view.

Then I heard the sirens and all the commotion once the police showed up.
