### Incident Summary

---

\*\*\*\* See full report for details \*\*\*\*

This Use of Force occurred at the termination point of the vehicle pursuit written on the same report number. As the suspect pulled into her driveway on her motorcycle, Ofc. Osmond, the passenger in the primary pursuing Police vehicle, exited his door and ran towards the suspect. To prevent her from escaping, Ofc. Osmond used his body momentum to push the suspect off the motorcycle and down onto the ground. The suspect's helmeted head struck the side of her trailer, giving her a bloody nose, and apparently her right wrist suffered a fracture from the take-down when her and the motorcycle fell over. That was the only force used other than control holds to get her handcuffed and into custody.

The suspect, (S) WInn was arrested for 2 felonies (2800.4 VC, 2800.2 VC) and 6 misdemeanors (148 PC, 23152(G) VC, 23247(E) VC, 11350 HS, 11364 HS, 14601.2 VC) and had priors for 245 PC and a multitude of drug/alcohol related arrests in her past.

[REDACTED]

Also to note, I discussed with Ofc. Osmond various other post pursuit tactics to take someone into custody, such as standard felony vehicle stop tactics and ACB control holds and tactics specific to suspects on motorcycles/bicycles. Ofc. Osmond was very receptive to the information discussed.

After reviewing the associated ICC and Body Worn Camera Footage as well as the corresponding report, and as the Use of Force occurred at the end of a dangerous pursuit, and used to prevent the escape of (S) Winn, my determination is that this Use of Force was both Justified and within our Use of Force Policy.

Respectfully submitted,

Sgt. Charles Mantell

## Sacramento Police Department Vehicle Pursuit Report

**Incident Entered By:** Police Sergeant Charles Mantell - 3370

**Assigned Investigator:** Admin Analyst Colleen Barker

### Incident Summary

\*\*\*\* For full details, see attached report \*\*\*\*

In reviewing the ICC footage, Body Worn Camera Footage, and the report generated for this incident, there were several small items of concern to discuss regarding the pursuit. In general, Ofc.'s Fisher and Osmond performed very well on this pursuit. Ofc. Fisher drove very well, and Ofc. Osmond performed very well in regards to the radio traffic. The only issue observed for Ofc. Fisher's driving was at the red light at Old Placerville Rd/Grandby Dr, which turned red right as they went through it at over 70+ MPH. Well, the other three units, Ofc.'s Moua, Mota and Brau, also went through the same red light at 70+ MPH in quick succession. For Ofc.'s Fisher and Osmond, it was afresh red, but for Ofc.'s Moua, Mota, and Brau, there should have been a more conscious effort to slow down and clear the intersection before going through it.

Only other small item of concern was Ofc. Brau's use of roadway positioning as she followed the motorcycle's path of travel when in the #2 position for a short period of time.

It should be noted that [REDACTED] two days after this incident and went to [REDACTED] PD as a lateral Officer. Thus he is not in our Blue Team system anymore for me to include. I met with him the night before he left, and later on met with the other Officers involved and shown them the ICC footage, and we discussed the items of concern observed mentioned above. All were very receptive to the information discussed and understood the reasons why they were of concern.

After reviewing this incident, my determination is that the pursuit was both JUSTIFIED and within POLICY.

Respectfully submitted,

Sgt. Charles Mantell, #3109

Reason:

Comments:

Based on my review of the reports and video, I believe the pursuit was justified and within policy. I discussed the following topics with Sgt. Mantell: 1) The number of units involved in the pursuit of a motorcycle. 2-3 would have been sufficient, due to the fact we will not need a fourth for a PIT; 2) The policy prohibiting the blocking of a roadway during a pursuit (Star asked our units to block the pathway of the suspect vehicle), 3) The GO regarding ground units calling the pursuit instead of Star. 4) The option of going to surveillance mode when the air unit is ready. Sgt. Mantell was receptive to the discussion about the pursuit. Additionally, I discussed the above issues at roll-call the next day. I believe the issues raised were appropriately handled at the watch level.

Per A/Captain Stinson:

One thing neither of them mentioned was that both Fisher and Osmond did not have on their seat belts when

the pursuit began and you can clearly see them on BWC put them on once the pursuit begins. Fisher has left the department but I asked Mantell to have Osmond provide one parent's cell number so I could call and advise them that their child is driving around without wearing a seatbelt. I will also casually bring it up wearing a seatbelt at roll call one of these days.

  - If you refuse to submit to, or fail to complete a chemical test, your driving privilege will be administratively suspended for **one year** or administratively revoked for **two or three years** by the Department of Motor Vehicles. A second offense within ten years of a separate violation of driving under the influence, including such a charge reduced to reckless driving, or vehicular manslaughter, or a violation of CVC §23140, which resulted in a conviction, or separate administrative determination that you were driving with a BAC of 0.01% or more while under age 21; or a separate administrative determination that you were driving with a BAC of 0.01% or more while on DUI probation, or a BAC of 0.04% or more while operating a commercial motor vehicle, or a BAC of 0.08% or more at any age, or you refused a test, will result in a two-year administrative revocation. Author: **4399 - OSMOND, FREDERICK 0982**

Subject: **OFC. OSMOND #982**

Related date/time: **Apr-05-2019 (Fri.) 1727**

On 04/05/19 at approx. 1727 hours, Ofc. Fisher #1004 and I (Ofc. Osmond #982) (2C65) were working uniformed patrol in the area of 49th St. and Broadway. We were driving a fully marked SPD patrol vehicle and both wearing full SPD Officer's uniforms. Our in car camera and body worn cameras were all activated during the following incident.

We attempted to conduct a vehicle enforcement stop on a motorcycle with a solo driver. The driver was later identified as Betty Winn via WebKPF booking photo. Winn fled from us and a vehicle pursuit was conducted. See Officer Fisher's observations for details regarding the enforcement stop and pursuit.

During the pursuit we remained in the number 1 position the entire time, Ofc. Fisher was driving and I was in the passenger seat notifying additional responding Officers via radio. Except for brief moments while on highway 50, I did not lose sight of suspect Winn through the pursuit.

At the termination of the pursuit, suspect Winn pulled into the driveway of [REDACTED] Dutchess Way (later determined to be her residence). Suspect Winn stopped the motor cycle and started to put the kick stand down. In order to prevent her from fleeing on foot or into a nearby residence, I gave chase on foot. I exited our patrol vehicle and ran at suspect Winn who was still seated on the motorcycle. As I reached suspect Winn, I wrapped my arms around her upper body, and used the momentum and weight of my body to take her to the ground. Suspect Winn fell to the ground and hit her face on the side of her residence. Suspect Winn's motorcycle fell with us, slightly on top of suspect Winn and beneath me. I took ahold of suspect Winn's right arm and ordered her to present her left arm which was underneath her body. Additional Officers arrived and assisted in detaining her in handcuffs without further incident.

Ofc. Moua and I conducted a search incident to arrest of suspect Winn's person. I did not locate anything of evidentiary value.

Suspect Winn was then detained in the back seat of our patrol vehicle. I later attempted to read suspect Winn her Miranda rights, suspect Winn would not let me finish reading her rights and then she advised that she wanted an attorney.

I observed a small abrasion on the right cheek of suspect Winn's face. The abrasion was approx .75 inches in diameter, had bruising and was slightly bleeding. It was apparent that suspect Winn obtained the injury at the termination of the pursuit. Suspect Winn did not appear to have any other injuries at that time, nor did she advise of any further injuries.

Fire Engine 62 of the Sacramento Metro Fire Department arrived on scene and treated suspect Winn. Fire personal advised that suspect Winn did not need immediate medical attention and did not need to go to the hospital at this moment. Fire personnel cleared the scene.

Winn was placed under arrest and transported to jail. While at jail, Winn removed her jacket and I observed her right wrist was swollen and slightly out of line. Suspect Winn complained of pain to her right wrist, left shoulder, right ankle, face and left rib. We then transported suspect Winn to Sutter General hospital where she was treated for her injuries.

While at the hospital, Winn spontaneously stated that the reason she did not stop was because she did not want her motor cycle to be towed. It should be noted that I deactivated my body worn camera while inside the hospital for privacy reasons.

I filled out a property booking receipt and placed a copy of the receipt into Winn's jail property bag. Her items were later booked for safe keeping at SPD Property.

### IN SUMMARY:

On 4/5/19 at approx 1727 hours Ofc Osmond #982 and I, Ofc Fisher #1004 were working uniformed patrol in the area of Broadway and 49th St. We were driving a fully marked SPD patrol vehicle and wearing full, distinct SPD Officer's uniforms. Our vehicle was equipped with fully functional overhead red and blue lights and a working siren. I was driving the patrol car and Ofc Osmond was riding in the passenger seat.

I observed a black Harley Davidson motorcycle (CA Lic: [REDACTED]) traveling eastbound on Broadway at the intersection of 49th St. The motorcycle was in the left hand (northbound) turn lane at the intersection of 49th St and Broadway. The motorcycle proceeded straight (eastbound) from the left turn lane, in violation of 21641(a) VC. I accelerated to catch up to the motorcycle. I observed the motorcycle had a registration tag noted it had been registered last in 2018, in violation of 4000(a) VC. I activated my overhead emergency lights in order to conduct an enforcement stop on the motorcycle. Ofc Osmond and my department issued body worn cameras and in car camera were activated throughout in the incident.

The motorcyclist (sole occupant) did not yield when I activated my overhead emergency lights. I activated my siren for a short moment to gain the motorcyclist's attention. The motorcyclist moved on her bike (as if startled by the noise), turned her head towards Ofc Osmond and I, and continued riding eastbound on Broadway. I realized the motorcyclist was not yielding and I activated my siren continuously. The motorcyclist then accelerated away from Ofc Osmond and I. Ofc Osmond broadcast via the radio that we were in pursuit. The motorcyclist continued to flee and I observed the following (speeds indicated are from in car camera GPS speeds, unless otherwise noted):

START OF PURSUIT: Approx 17:26:54 hours (per in car camera time stamp)

- The motorcyclist fled eastbound on Broadway, accelerating to approx 76 MPH (in violation of 22350 VC). The motorcyclist proceeded through the intersection of Broadway and 56th St, through a red circular light (in violation of 21453(a) VC).
- The motorcyclist continued eastbound on Broadway, accelerating to approx

87 MPH (in violation of 22350 VC). The motorcyclist made a northbound turn on 65th St from Broadway against a red circular light (in violation of 21453(a) VC).

- The motorcyclist fled northbound on 65th St. Traffic was heavy and the motorcyclist travelled against the flow of traffic in the westbound turn lane along the southbound traffic side of 65th St (in violation of 21651(a) VC). The turn lane transitioned into a two-way left hand turn lane, which the motorcyclist continued to travel in as she approached the intersection of 4th Ave. At the intersection of 65th St and 4th Ave, the motorcyclist proceeded northbound and began to travel between the #1 and #2 northbound lanes through the heavy traffic north of the intersection. The motorcyclist proceeded through the intersection and made an eastbound turn onto the on ramp for US-50 eastbound.

- The motorcyclist accelerated onto US-50 eastbound from the on ramp. While entering US-50 eastbound, the motorcyclist turned her head towards Ofc Osmond and I, and shook her head. The motorcyclist then accelerated away from us into heavy traffic on US-50 eastbound. As the motorcyclist travelled between lanes of traffic (from the #4 eastbound lane, to the #1 eastbound lane) I would temporarily lose sight of the motorcyclist. I observed the motorcyclist in the #2 eastbound lane, continuing to flee.

- The motorcyclist travelled into the #4 eastbound lane. I pulled along side the motorcyclist and Ofc Osmond ordered her to stop the motorcycle. The motorcyclist looked at Ofc Osmond and I, shook her head and continued to flee eastbound on US-50, passing the Howe Ave exit. I observed the motorcyclist appeared to be a female white adult, approx 50 years old, wearing a black jacket, black helmet, and a camouflage backpack. There was a bandana pulled over the motorcyclist's mouth and nose. Traffic was heavy on US-50 eastbound.

- The motorcyclist continued to travel eastbound on US-50 and travelled from the #4 lane to the left hand shoulder. The motorcyclist continued to flee along the paved shoulder, left (north) and beyond the solid yellow line (in violation of 21658(a) VC). The motorcyclist accelerated, travelling along the left shoulder of US-50 eastbound reaching speeds of approx 80 MPH. The motorcyclist then travelled into the #4 eastbound lane and accelerated to speeds of approx 100 MPH. The motorcyclist then travelled around cars in the #4 eastbound lane by travelling between the #3 and #5 eastbound lanes. The motorcyclist accelerated passed the Watt Ave exit.

- The motorcyclist continued fleeing eastbound on US-50. The motorcyclist travelled into the #1 eastbound lane and accelerated to approx 120 MPH (in violation of 22349(a) VC and 22348(a)/(b) VC). Traffic was moderate on US-50 eastbound, east of Watt Ave. The motorcyclist travelled eastbound and transitioned to the #4 and #5 eastbound lanes, exiting US-50 at the Bradshaw Rd off ramp. The motorcyclist travelled between vehicles waiting

At the intersection of Bradshaw Rd and Micron Ave, the motorcyclist accelerated through the intersection through the circular red light (in violation of 21453(a) VC). The motorcyclist continued to flee southbound on Bradshaw Rd, accelerating to approx 54 MPH. Traffic was heavy on Bradshaw Rd south of the intersection of Lincoln Village Dr. The motorcyclist travelled in the #1 southbound lane of Bradshaw Rd. The motorcyclist then made a left (eastbound) turn onto Old Placerville Rd through a red arrow traffic signal (in violation of 21453(c) VC).

- The motorcyclist accelerated and continue to flee eastbound on Old Placerville Rd, accelerating to approx 76 MPH (in violation of 22350 VC). The motorcyclist travelled through the intersection of Grandby Dr through the circular red light at the intersection (in violation of 21453(a) VC). The motorcyclist accelerated to approx 89 MPH. The motorcyclist passed a vehicle along the right hand shoulder (in violation of 21755(a) VC). The motorcyclist continued eastbound on Old Placerville Rd as the roadway curved from an eastbound/westbound roadway to a northbound/southbound roadway.

- The motorcyclist continued to flee, travelling through the intersection of Old Placerville Rd and Macready Ave through a circular red light (in violation of 21453(a) VC). Traffic was moderate on Old Placerville Rd. The motorcyclist travelled northbound on Old Placerville Rd, accelerating to approx 88 MPH. The motorcyclist made a right (eastbound) turn onto Rockingham Dr through a red circular light (in violation of 21453(a) VC).

- The motorcyclist continued to flee eastbound on Rockingham Dr. As the motorcyclist approached the intersection of Mather Field Rd on Rockingham Dr, traffic was stopped at a red light for eastbound traffic for Rockingham Dr. The motorcyclist travelled into westbound lanes on Rockingham Dr to circumvent the traffic at the intersection (in violation of 21651(a) VC).

The motorcyclist made a left (northbound) turn onto Mather Field Rd.

- The motorcyclist continued to flee, northbound on Mather Field Rd, accelerating to approx 87 MPH. The motorcyclist made a left (westbound) turn on Croydon Way.

- The motorcyclist continued to flee, westbound on Croydon Way, accelerating to approx 41 MPH. The motorcyclist made a left (southbound) turn onto Mills Station Rd, through the stop sign at the intersection (in violation of 22450 VC).

- The motorcyclist continued to flee, southbound on Mills Station Rd, accelerating to approx 71 MPH. Mills Station Rd turned from a northbound/southbound roadway to an eastbound/westbound roadway. The

motorcyclist fled westbound on Mill Station Rd, travelling into the eastbound lane of traffic to pass vehicles in the westbound traffic lane. The motorcyclist proceeded westbound in the eastbound traffic lane (in violation of 21651(a) VC) until she turned left (southbound) onto King Way. King Way was the entrance to Centennial Estates mobile home park.

- The motorcyclist continued to flee southbound on King Way and turned left (eastbound) onto Lord Way.

- The motorcyclist continued to flee eastbound on Lord Way as it turned from an eastbound/westbound roadway to a northbound/southbound roadway. Lord Way terminated on the north end at the intersection of Dutchess Way. The motorcyclist turned left (westbound) onto Dutchess Way.

- The motorcyclist continued to flee eastbound onto Dutchess Way. The motorcyclist turned northbound into the covered parking area at [REDACTED] Dutchess Way. I positioned my patrol car behind the motorcycle and exited my patrol car.

- During the pursuit, the motorcyclist would use her left and right turn signals in accordance with her indicated turning movements.

END OF PURSUIT: Approx: 17:37:34 hours (per in car camera time stamp).

TOTAL APPROXIMATE TIME: 10 minutes, 30 seconds.

TOTAL APPROXIMATE DISTANCE: 10.8 miles

I ran to Ofc Osmond who was attempting to detain the motorcyclist. Ofc Osmond was on top of the motorcyclist, between the motorcycle and the east wall of [REDACTED] Dutchess Way. I drug the motorcycle away from Ofc Osmond and the suspect so there would be more room for Ofc Osmond as he attempted to detain the motorcyclist. Additional officers who were involved in the pursuit assisted Ofc Osmond in taking the suspect into custody. While detaining the suspect and searching her incident to arrest, I observed a short, black glass pipe fall from one of Winn's pants pockets on to the ground (see supplemental observations for details).

The motorcyclist was walked to our patrol vehicle and placed in the back seat. The motorcyclist verbally identified herself to me as Betty Winn, DOB: 2/12/62 (XREF: [REDACTED]). Her identity was verified via WebKPF booking photo. A records check of Winn revealed she had the following active, outstanding misdemeanor warrant:

Sacramento County Warrant #: [REDACTED], Issued: 2/27/19, Bail: \$7,500, Violation: 11350(a) HS

The records check also showed that Winn was on felony probation for 23153(a)/(b) VC until 1/11/2020. Per her DMV hit, Winn was required to have an ignition interlock device (IID) installed on her vehicles. Ofc. Osmond advised that he was unable to locate an IID on the motorcycle. The

motorcycle was later towed by Capitol City towing.

See Ofc Osmond's observations for details regarding Winn's injuries.

I retrieved the glass pipe I observed fall out of Winn's pocket. I noticed the glass pipe had a burnt, powdery substance on one end. I looked down the other end of the pipe and observed what appeared to be metal shavings within the pipe. Based on my training and experience, I knew this type of pipe to be a pipe commonly used for smoking cocaine or cocaine base. I used a Nartec cocaine test on the burnt, powdery substance and another Nartec cocaine test on the inside stem of the pipe, both of which resulted with a presumptive positive for cocaine. This pipe was seized and later booked as evidence at 555 Sequoia Pacific.

Winn spoke rapidly and had flight of thought. She struggled to focus and chain together coherent thoughts.

I observed Winn had blood shot and watery eyes (objective signs of intoxication). Winn was wearing goggles while on her motorcycle, so I do not believe her blood shot and watery eyes were due to wind exposure. At one point, Winn spontaneously stated, "I drank some alcohol." Based on Winn's objective signs of intoxication, spontaneous statement, and narcotic paraphernalia possession, I believed Winn was under the influence of alcohol and illegal narcotics. SFST's were not attempted due to Winn's erratic behavior and lack of cooperation.

Sgt Mantell #3109 responded to the scene. Sgt Mantell photographed the scene at [REDACTED] Dutchess Way and Winn's motorcycle. Sgt Mantell took 15 total photographs which he later submitted as evidence at 300 Richards Blvd.

Additional Officers conducted a canvas of the area around the termination (see supplemental observations for further information).

Ofc Osmond and I transported Winn to Sacramento County Main Jail (SCMJ) to be booked on the following charges: 2800.2 VC, 2800.4 VC, 11364 HS, 23247(e) VC, 21461 VC, 23152(g) VC, and her outstanding warrant. While at jail, I asked Winn to take her leather jacket and sweatshirt off in order to expose her forearm to conduct a blood draw. Winn complied and complained of pain to her right wrist. Upon removal of her sweatshirt, I noticed Winn's right wrist was swollen and appeared slightly disfigured. At approx 1855 hours, jail phlebotomist [REDACTED] drew blood from Winn's left arm.

Ofc Osmond and I transported Winn from SCMJ to Sutter General Hospital for treatment of her wrist injury. Medical staff at Sutter General Hospital

treated Winn. While at Sutter General Hospital, I completed a DMV Form DS367 and served Winn with her copy. Additionally while at Sutter General Hospital, CSI responded to photograph Winn's injuries. Ofc Fremgen #1003 responded to Sutter General Hospital to take over watch of Winn while she received treatment. Ofc Fremgen later booked Winn at SCMJ.

The following items were later booked at 555 Sequoia Pacific:

On 04/05/19, at approximately 1727 hours, I (Ofc Moua #628) was dispatched to 50th St / Broadway to assist officers with a pursuit of a motorcycle. My body worn camera was activated.

Officers advised they were eastbound Highway 50 coming up to Howe Ave. I entered eastbound Highway 50 from Howe Ave and observed the pursuit behind me, in which I pulled over. The pursuit eventually drove past me and I entered as #3 in the pursuit from Highway 50 at Watt Ave. I continued as #3 in the pursuit until the suspect's vehicle exited onto southbound Bradshaw Rd from Highway 50 at which point I took over as #2 in the pursuit. I continued as #2 in the pursuit until it terminated at [REDACTED] Dutchess Way.

Upon the end of the pursuit, I observed the motorcycle pull into the driveway of [REDACTED] Dutchess Way at which point the driver (later identified as Betty Winn) appeared as though to try to get off the motorcycle. I then observed Ofc Osmond #982 attempting to stop Winn from leaving by tackling her before she could get off the motorcycle.

As Ofc Osmond was struggling to place Winn's hands behind her back, I attempted to move the motorcycle out of his way by grabbing the muffler, at
