On Wednesday 06/12/2019 at approximately 0214 hours, I, Officer Vito #825, (1A54) was on scene of a family disturbance with Officer Brandt (1A56) at [REDACTED] Mack Rd # [REDACTED] (Trailer park).

Upon arrival we spoke with [REDACTED] and his wife [REDACTED]. They both told us that their daughter Elise did not live here. They said that she hadn't lived her with them for over a year, but about a week ago, she came around and [REDACTED] let Elise stay here because it was really hot that day. Since then she would not leave and they said they were going to get a restraining order tomorrow to make sure she leaves and stays away.

I was equipped with a body worn camera which was activated during this call.

They said that today she had been acting erratically, yelling and screaming at mom and they needed her out. Mom said that Elise has been continuously smoking meth and she doesn't eat which is why she is emaciated.

I explained that since she was only here for a week, she had not established residency and we would assist them in getting her to leave.

We entered the house where Elise was kneeling on the floor in the living room.

I told Elise she needed to grab her things and leave. She started talking about how her parents didn't care about her. I explained that we were not going to discuss that and she needed to leave. She then started in about how she has no place to go and where was she supposed to go. I explained that she was an adult and she would need to figure it out.

She started screaming about how she already had it figured out but no one was helping her.

I then explained that we had told her twice that she needed to get up and walk out the door and if she did not comply we would escort her out. I explained that we did not want to hurt her and I asked her to simply walk out on her own like an adult.

She made no attempt to get up so Officer Brandt and I took her arms and helped her to her feet. She got up willingly and started walking with us towards the door.

Once we got to the door she started flailing her arms and body and screaming for us to let her go.

I asked her what she would do if I did let her go and said she would get her things.

I asked her where her things were and she screamed "I don't know!"

I told Officer Brandt, let's just walk her outside and we will get her things for her.

We started to walk her out onto the porch and Elise started pulling her arms and flailing her body around.

I attempted to get a better hold on her left arm and she bent forward at the waist and put her head down almost onto a chair that was sitting on the porch.

I started to apply a rear wrist lock on her left arm and I could see Officer Brandt doing something similar on her right arm.

As I started to apply some pressure, I heard a loud pop and felt something in her elbow area.

I realized she was injured and I held her arm still to try and prevent further injury.

At first, she did not react and I told her not to move her arm because her arm was hurt.

We called for the fire department and for LSM5 (Sgt. Viscuso). I also asked for a few additional units to assist with taking statements.

As all this was happening, I had Elise sit in the chair and I told her repeatedly to stop moving. She was twitching and squirming and would not held her body still. I told her several times that something was wrong with her arm and that fire was enroute and try and hold still.

Officers arrived on scene and took statements from the mother and father (see their statements). Officer Elson (1A51) spoke with Elise and took a

statement from her (see his statement).

Officers also conducted a canvass. There was a camera on the porch of the home however the homeowner could not pull the video up while we were on scene so Officer SCHANER (1A52) made up a call for dayshift to go and retrieve the video.

Fire arrived on scene and transported Elise to Kaiser South.

I later spoke with a doctor [REDACTED] who said that she had suffered a torsion fracture of the humerus bone (upper arm). He said she would most likely need surgery.

The doctor explained that this was most likely cause by some kind of twisting. The doctor also said that this type of injury would not have happened to a "normal" healthy person.

We cited the suspect for 148(a)1 PC, resisting, delaying, Officer and she was released per 853.6 PC.

I made up a call for CSI to take photos of the injured arm.

1SM5 (Sgt. Viscuso) was updated.

On 06/12/2019 at approximately 0130 hours, I (Ofc. Brandt #1017) contacted [REDACTED] in front of [REDACTED] Mack Rd Unit [REDACTED] and obtained her statement. [REDACTED] stated the following in summary:

My daughter, Elise Marie Jacobson-Salazar, has been gone for the past year. She showed up several months ago and we had to call the police to have her removed. She showed back up three (3) to four (4) days ago and was out on the porch. It was in the high 90's then and I felt bad for her so I let her in to cool off. Two (2) of those days she has been back she was gone.

Tonight she was going ballistic on me. She was banging on the counter and screaming in my face. I had to call her dad to have him come home from work to help me. I called the police and then she calmed down. As soon as I hung up the phone she started to act up again.

We waited for the police to show up and then you guys dealt with her. I didn't see or hear when you were talking to her. I saw you were trying to get her out the door and she was struggling with you guys. I didn't see or hear her arm get hurt.

It has been five (5) to six (6) years since she has really lived here. All she has here are the few bags she showed up with. She does not have a room here and does not have other belongings here. She does still get mail here because she hasn't changed her address since she moved out.

I can't take it any more. She is a detriment to my health.

On 06/12/2019 at approximately 0032 hours, Ofc. Vito #825 and I (Ofc. Brandt #1017) were dispatched to [REDACTED] Mack Rd Unit [REDACTED] regarding a family disturbance. Per the text of the call, the caller's daughter was not supposed to be at the residence and was there causing a disturbance.

I arrived on scene at approximately 0037 hours and activated my body worn camera (BWC). I contacted the caller, [REDACTED] (DOB: [REDACTED]), and his wife, [REDACTED] (DOB: [REDACTED]), at the front door.

Both advised that their daughter, Elise Jacobson-Salazar (DOB: 01/30/1987), had showed up in the last few days and did not reside at the house. Both advised that [REDACTED] was removed from the residence by the police department a few months prior as well. [REDACTED] advised he was going to get a restraining order the following day and requested we speak with Jacobson-Salazar and request she leave.

I contacted Jacobson-Salazar inside the residence. Jacobson-Salazar was seated on the floor scrolling through her cell phone. I asked Jacobson-Salazar what she had in the house and she advised a few boxes. I asked her to begin gathering her items because she had to leave. Jacobson-Salazar shook her head no and continued looking at her phone. I again asked her to get her things together and she said no.

Both Ofc. Vito and I asked Jacobson-Salazar multiple times to grab her belongings and leave the house but she refused. Because Jacobson-Salazar had no standing in the residence and refused to leave Ofc. Vito and I escorted Jacobson-Salazar out of the house.

Ofc. Vito and each grabbed one of Jacobson-Salazar's arms and began walking her to the front door. I let go of her right arm because there was not enough space for all of us to walk around the dining room table. When Ofc. Vito and Jacobson-Salazar got to the front door she became irate and was yelling. Jacobson-Salazar grabbed onto the frame of the door and refused to go further.

I grabbed onto Jacobson-Salazar right arm by her wrist and held onto it. While holding onto her arm, Jacobson-Salazar continued yelling was attempting to wave her arm around and pull free. Ofc. Vito and I escorted Jacobson-Salazar out onto the front porch. Once on the porch,

Jacobson-Salazar pulled away and spun around getting her arm free from my grasp. Jacobson-Salazar continued moving around and trying to pull away. I grabbed onto Jacobson-Salazar right arm again and placed her in a department approved control hold.

Ofc. Vito grabbed onto Jacobson-Salazar left arm and also placed her in a control hold. Jacobson-Salazar continued moving around and trying to push her body up. During this time, Ofc. Vito continued telling Jacobson-Salazar to stop multiple times. While holding onto her and trying to maintain control of her, I heard a "pop" noise come from Jacobson-Salazar left arm.

Jacobson-Salazar began to scream and stopped resisting. Ofc. Vito and I both released Jacobson-Salazar from control holds and seated her on porch patio furniture. Ofc. Vito requested the Sacramento Fire Department respond out to assess Jacobson-Salazar arm.

Ofc. Vito remained with Jacobson-Salazar while I contacted [REDACTED] and obtained her statement.

Jacobson-Salazar was transported by SFD to Kaiser South Sacramento for treatment. I later responded to Kaiser and issued Jacobson-Salazar a citation for 148(A)(1) PC - Resist/Delay. Jacobson-Salazar signed the citation and was released per 853.6 PC.

On 06/12/2019 at approx 0118 hours I, Ofc Schaner #980, contacted Witness-[REDACTED] at [REDACTED] Mack Rd Apt [REDACTED] regarding a disturbance that had occurred. My body worn camera was activated during our contact and Witness [REDACTED] stated the following in summary.

At around 1115 tonight, 2315 hrs 06/11/2019, I got a text from my wife saying that our daughter was at our house and acting crazy. I arrived back at our house at roughly 1245 tonight, 0045 hours 06/12/2019, and was trying to talk my daughter into going to bed.

After I realized she wouldn't listen I thought that she would listen to an authority figure so I called the police.

When the police got here I told them that I was going to get a restraining order against my daughter in the morning and that she had been harassing us in our own house.

My daughter does not have any residence in our house and the police were going to get her to leave. The police talked to my daughter and she said that she was going to leave the house voluntarily.

As the police were walking my daughter out of the house they had their hands on her shoulders, just guiding her out not grabbing her.

Once at the doorway to walk out my daughter began resisting the officers and tried to pull away from them. At this point the officers grabbed onto my daughter's arms and they all moved out of the front door.

Once they were all out of the house on the porch I could no longer see what was happening. I just heard my daughter yell out in pain.

I was more paying attention to my wife and trying to keep her calm.

I believe my daughter is currently using meth.

On 06/12/2019 at approx 0116 hours I, Ofc Schaner #980 was dispatched to [REDACTED] Mack Rd # [REDACTED] to assist officers who were on scene for a family disturbance. I arrived on scene with my body worn camera activated at approx 0118 hours and observed the following in summary.

I contacted Witness-[REDACTED] and obtained his statement. (See Witness Statement)

Witness-[REDACTED] attempted to show video that was captured on his Nest Camera of the events that had taken place. Witness-[REDACTED] showed me a still frame of the back of an officer as they were walking out of the residence with the suspect. Due to technical issues Witness-[REDACTED] was unable to play the video or send me a copy for evidence. Witness-[REDACTED] stated that they would contact the Nest company in the morning because that was how they usually obtain footage from the cameras.

Witness-[REDACTED] was instructed to contact the Sacramento Police Department once the video had been obtained. Witness-[REDACTED] was issued the respective report number on an information card.

A follow up call was generated for Day shift officers to return to the scene at a later time in an attempt to help obtain the video footage from residences Nest Cameras.
