Type 04 OBSERVATIONS

Subject OFFICER M. PINOLA #279

Author 787 - PINOLA, MICHAEL 0279

Related Date Jul-20-2021 11:41

On 07/14/21, at approximately 1403 hours, I (Officer M. Pinola #279 / Unit K91) was on patrol in north Sacramento. I was dressed in complete SPD K9 uniform and was driving a marked black/white police K9 vehicle (12447). My police service K9 "Brace" was riding in the backseat area. K9 Brace was wearing his metal police badge on a chain around his neck.

I was driving westbound on Silver Eagle Rd, east of Mabel St. I observed the Suspect (Negrete, Rogelio) walking eastbound on the south sidewalk of Silver Eagle Rd towards me. As I passed Suspect Negrete, I recognized him from prior booking photos that I had viewed of him. I was aware that Suspect Negrete had an outstanding felony warrant (██████████ / 245(A)(1) PC / Issued: 08/23/19 / SSD / No Bail).

I had been looking for Suspect Negrete for the past month. Suspect Negrete had fled from patrol officers a few weeks prior and had dropped a handgun during the incident. I had responded to Suspect Negrete's address, ██████████, on Attempt Pickup calls with patrol officers over the past few weeks.

After driving past Suspect Negrete, I performed a computer records check and confirmed that his warrant was still active. I made a U-turn after passing Mabel St.

Suspect Negrete was still waking eastbound on Silver Eagle Rd. As I began to close with Suspect Negrete, Suspect Negrete quickened his pace. I was approximately 2-3 houses from Suspect Negrete, when he ran south down the driveway of ██████ Silver Eagle Rd.

I drove south into the driveway and observed Suspect Negrete jump the west fence of the property.

I broadcasted over my police radio that Suspect Negrete had just ran from me.

SPD units arrived in the area and a perimeter was established

AIR1 arrived in the area and broadcasted K9 warnings via their public announcement system. AIR1 addressed Suspect Negrete by name during the K9 warnings.

Officer Wacker located Suspect Negrete in a yard within the perimeter (See Officer Wacker's observations).

The incident was recorded by my Body Worn Camera (BWC) and my In Car Camera (ICC).

Subject OFC. WACKER #541

Author 4203 - WACKER, JASON 0541

Related Date Jul-14-2021 21:12

On 07/14/2021 I (Ofc. Wacker #541) was working in full police uniform, driving a fully marked Sacramento Police Department K9 vehicle. My patrol car is clearly marked "K9" in white lettering against a black background on each side of the vehicle as well as on the center of the windshield. My K9 partner "Murph" was wearing a 3" black nylon collar with a Velcro patch the read "POLICE" in white reflective lettering. He was also wearing a silver choke collar with a gold star badge the reads, "Sacramento Police K9 #541" with the name "Murph" on the bottom of the badge.

At approx. 1403 hours Officer Pinola #279 advised that Suspect Rogelio Negrete (08/29/91) had fled on foot from him at the intersection of Silver Eagle Rd and Mable St. I know that (S) Negrete had an active 245(A)(1) PC warrant for his arrest (DOJ FCN# 4262009400104) issued on 08/23/19. I responded to the area and took a perimeter position near the intersection of Fairbanks Ave and Olmstead Dr along the southern border of Fairbanks Elementary School.

Perimeter units on Graves Ave advised (S) Negrete was last seen running from a residence on the southern portion of Graves Ave northbound and into the back yard of [REDACTED] Graves Ave. I repositioned my perimeter location from Fairbanks Elementary School to the street in front of [REDACTED] Ford Rd.

I know that (S) Negrete had the active warrant for his arrest from a previous call I assisted patrol with where he ran from Officers in the area of [REDACTED] Pell Dr (SPD report number 21-156981) . Officer Pinola and I searched the back yard of [REDACTED] Bell Ave where we located the back pack (S) Negrete was wearing at the time of the foot pursuit. Inside the backpack was an EBT card bearing the name Rogelio Negrete as well as a Bryco 380 semi-automatic firearm containing live ammunition. The pursuing Officers conducted a records check and identified (S) Negrete as the person who fled from them. Officers also identified the backpack containing the EBT card and firearm as being in possession of (S) Negrete at the time of the foot pursuit.

Follow Up Report # SA 1

Officer Henderson #343 and I held our perimeter position on Ford Rd while AIR1 was overhead and gave multiple K9 advisements using (S) Negrete's full name via their PA with no response. The advisements were loud and clear from our position on Ford Rd.

2SM2, Sgt. Hall #3031 gave approval for a yard to yard K9 search to begin once the announcements had been made.

Based on the following criteria I deployed K9 Murph to search for (S) Negrete:

- 1) (S) Negrete had an active felony 245(A)(1) PC warrant for his arrest.
- 2) (S) Negrete was arrestable for 29800 PC Felon in Possession of a Firearm] and 148(A)(1) PC [Resisting, Obstructing and Delaying a Peace Officer] SPD report #21-156981.
- 3) (S) Negrete had numerous prior arrests for violent felonies [REDACTED]
[REDACTED]
[REDACTED]
- 4) (S) Negrete had fled from uniformed officers on scene committing 148(A)(1) PC [Resisting, Obstructing, Delaying a Peace Officer]. His knowledge of the presence of Officers and a Police K9 showed that (S) Negrete was willing to go great length to avoid capture by the Police.
- 5) (S) Negrete had not been searched prior to fleeing and he was in possession of a backpack that could easily contain numerous weapons to use against Officers including firearms.
- 6) (S) Negrete was currently fleeing inside of a residential neighborhood and posed a possible threat to nearby citizens if not immediately captured.

At approx. 1505 hours Officer Henderson, K9 Murph and I entered the back yard of [REDACTED] Ford Rd by way of an open side gate along the eastern wall of the residence. I observed a small metal walled shed approx half way down the eastern side yard of the residence with the doors facing to the south and away from us. I positioned myself at the corner of the shed and gave two (2) K9 advisements in a loud voice for (S) Negrete to come out of hiding by name with no response.

K9 Murph began his search at the corner of the shed. I opened to door to the shed and K9 Murph entered the shed where he apprehended (S) Negrete. (S) Negrete was lying face down on the floor of the shed with his head at the door and his hands and arms under his torso. K9 Murph made contact with (S) Negrete on the back of his neck. At this point, I could see that (S) Negrete's hands were clear of any weapons. I gained positive control of K9 Murph and gave him the release command which he did. Officer Henderson then took (S) Negrete into

On 7-14-21 I, Ofc.Williams #687, responded to a reported case of a wanted subject fleeing from officers in the area of Silver Eagle Rd/Mabel St. Responding to the scene I was driving a fully marked police vehicle which was equipped with an in car camera. I was wearing a full police uniform which included a body worn camera. During the call one or both systems were activated. At the scene I contacted the resident at [REDACTED] Ford Rd, (W) [REDACTED] who provided the following statement in summary:

I was home sleeping. I did not hear anyone knock at the door earlier. I heard the helicopter flying over, but that happens a lot in this neighborhood. I did hear one of your officers walk by my window. I peeked out through the blinds and confirmed it was an officer. I closed the blinds and stayed inside. We keep the front gate and fence closed so I figured that if the cops are in our yard it would be best to just stay inside and out of the way. We have a couple of sheds in the back yard. I did not hear any other commotion or noise after that. I believe I heard the first noises at 1440hrs. I did not know there was a subject in the back yard. Nobody else is home and nobody should be in the back yard. I did not see the subject being taken into custody.

On 7/14/2021, at approximately 1415 hours, I, Officer Reinosa #252, was dispatched to a call in regards to a Subject Stop for a person with a felony warrant. Per the text of the call, I was informed that the suspect had been identified as Rogelio Negrete (XREF: [REDACTED]). I was fully uniformed and in a marked vehicle identifying myself as a Sacramento Police Officer. My body-worn camera was activated and recording for the duration of my investigation. I observed the following in summary:

I arrived on scene and assisted officers in setting up a perimeter. I was initially placed on the roadway of Graves Ave for a brief period before relocating to the front of [REDACTED] Ford Rd.

I observed K9 and other officers approach the residence of [REDACTED] Ford Rd. I heard over the radio that they had located the suspect. Shortly after I heard the officers at that location call for more units to respond to their location with medical kits. I retrieved my medical kit and ran to the side yard of the residence where I assisted officers in rendering medical aid. It appeared to me that the subject had multiple bleeding lacerations on the back of his neck. I applied pressure with gauze directly on the wound to stop the bleeding.

Medics soon came to the scene and relieved me and transported the subject.

Related Date Jul-14-2021 19:52

On 07-14-2021, at approximately 1416 hours, I was working full uniformed patrol in a marked Sacramento Police Department "K9" vehicle.

I was dispatched to the area of Mabel St and Silver Eagle Rd regarding units who were in foot pursuit of a suspect who had a felony warrant for his arrest. While en route, I conducted a records check on the suspect, who was identified as (S) Rogelio Negrete. The check showed that he had a felony no bail warrant for 245(a)(1) P.C. I was also familiar of (S) Negrete since he had ran from officers a few weeks prior to this incident. Also while I was responding, units put out that he was running across Graves Ave towards Ford Rd. They further advised that he was now not wearing a any shirt or shoes at this point.

I arrived on scene at approximately 1426 hours, I observed the following in summary:

Upon my arrival, I took a perimeter position on Ford Rd in-between Mabel St. and Bozman St. I activated my body worn camera at this point.

Officers confirmed that (S) Negrete was last seen running into the yard of ██████████ Graves Ave heading northbound towards Ford Rd.

The Sacramento Police helicopter (AIR-1) responded to the scene and started giving clear commands via P.A. for the suspect to surrender. They also gave multiple K9 announcements advising the suspect that a police canine would be used to search if he did not come out from hiding and surrender. This occurred at approximately 1438 hours.

After multiple announcements for the suspect to surrender we got no response. At approximately 1450 hours, Officer Wacker and I started a K9 search on the Ford Rd side of the perimeter. I was Officer Wacker's cover officer while his police service canine searched.

At ██████████ Ford Rd I knocked on the front door in attempt to contact any resident prior to our search. I did not get any response at this time.

We moved to the side yard of ██████████ Ford Rd. Officer Wacker gave another K9 warning near a shed on the east side of the house. His canine shortly located (S) Negrete who was hiding inside of the closed shed. After I could see both of (S) Negrete's hands I grabbed one of his arms and pulled him further out of the shed since I couldn't see the rest of his body. After he was further out I rolled him onto his stomach and pulled his hands behind his back. Officer Wagstaff then responded into the backyard and handcuffed him.
