**Special Inspections & Tests (Requested by Contractor, inspected by 3<sup>rd</sup>-party agencies authorized by the City of Sacramento or Public Works Inspector)**

“C” denotes continuous special inspection; “P” denotes periodic special inspection. If not identified in the table below, the Registered Design Professional (RDP) must check the appropriate box for periodic or continuous inspections. Refer to City of Sacramento form CDD-0230 for a list of approved special inspection and testing agencies. Approved agency(ies) must be approved for Special Inspection and testing services listed in “Agency” column below.

Reports, memos, test results, etc. shall be provided to the assigned PW inspector within 7 days of the special inspection.

**CAFÉ Special Structural Inspection Form**  
**(Required for Permit Issuance)**

---

Please refer to Section 1705 of the 2022 California Building Code for detailed tasks for all required special inspections and tests. The list on this CAFÉ Special Structural Inspection Form contains the most common types of Special Inspections required for Al Fresco Sidewalk Café projects constructed in the public right of way. Required Special Inspections are only necessary based upon the design of the structures. Consult with your Registered Design Professional (RDP) for each project's specific Special Inspection requirements. Required Special inspection tasks are to be identified in the left-most column labelled "Req'd". All applicable boxes must be checked for applicability to project requirements by RDP.
