**Re: Annual Certificate for Tax Allocation Loan Agreement  
City of Sacramento Redevelopment Agency Successor Agency  
No. CIEDB B05-065**

In accordance with the annual reporting provisions contained in the Tax Allocation Loan Agreement CIEDB B05-065 dated June 1, 2006 , (“Loan Agreement”) between the City of Sacramento as Successor Agency to the Redevelopment Agency of the City of Sacramento and the Redevelopment Agency of the County of Sacramento (“Borrower”) and the California Infrastructure and Economic Development Bank (“IBank”), any amendments thereto, and as modified by the letter from IBank dated December 28, 2012, I hereby certify that the following is true and correct for fiscal year 2020-21 (“Fiscal Year”). All capitalized terms have the same meaning as defined in the Loan Agreement.

1. Attached is a copy of the Borrower’s audited financial statements for the Fiscal Year, prepared by an Independent Accountant. **The City’s Annual Comprehensive Financial Report for the fiscal year ended June 30, 2021 was provided under separate cover.**
2. The total tax increment allocated by the County Assessor’s Office for payment of the IBank debt (includes principal, interest, and IBank Annual Fee) for the Fiscal Year is: **\$188,221.91 (for debt service payments on June 1, 2021 and December 1, 2021).**
3. No Event of Default as described in Section 7.01(a) has occurred and no event has occurred which, with the passing of time or the giving of notice or of both, would constitute an Event of Default. **That is correct.**
4. The Borrower is in compliance with the Tax Certificate requirements as set forth in Exhibit G of the Agreement. In addition, the Purchaser certifies to the following:
  - a.  yes    no      During the Fiscal Year, the Project has not been used and at this time is not expected to be used in the future by anyone or any entity other than the Purchaser, other governmental entities or the general public.
  - b.  yes    no      During the Fiscal Year, neither the Project nor any part of the Project has been sold or leased.
  - c.  yes    no      Only the Purchaser operated and managed the Project during the Fiscal Year.
  - d.  yes    no      Excluding construction contracts and contracts previously consented to by the CIEDB related to the Project; the Purchaser has not entered into any contracts or agreements

related to the use, management, or operation of the Project,  
or for any other reason related to the Project.

5. There has not been any other event or circumstance of any kind relating to the Project or the Borrower generally that would materially affect the ability of the Borrower to repay the Loan. No litigation or administrative challenges of any type have been commenced or threatened which (if ultimately decided against the Borrower) would materially affect the ability of the Borrower to repay the Loan. **That is correct for both items.**
6. The Borrower submitted all Recognized Obligation Payment Schedules (ROPS) required for the current Fiscal Year to the Department of Finance (DOF) according to DOF's schedule and the Borrower's ROPS payment schedules provided coverage for this loan and other obligations approved by DOF. **Yes.**

John Colville
