

Roosevelt Park Ballfield Renovation (March 2020)

Roosevelt Park, a 2.5-acre park located at 9th and P Streets, in downtown Sacramento. Renovations consist of upgrading the ballfield lighting with energy-efficient LED lighting, new 30' high backstop, 20' overthrow fencing, new dugouts and spectator areas, with new concrete flatwork, reconstructing skinned infield, new team benches, scorer's table, foul poles, two 4-row bleachers (100 spectators capacity), two drinking fountains with pet bowls, two trash receptacles, four bike racks, signage and new landscaping and irrigation around three quarters of the park perimeter.
