

North Pointe Park Improvements (January 2025)

North Pointe Park is a 1.77-acre neighborhood park located in North Sacramento. Recent improvements included the replacement of damaged concrete walkways, the installation of seven park benches, two trash receptacles, and a drinking fountain. A new domestic water service and backflow preventer were added. Additionally, a group picnic area was created, featuring four picnic tables and a BBQ grill, along with the planting of ten shade trees.

New Group Picnic Area

New Shade Trees

New Drinking Fountain, Concrete Walkway and Park Benches

Before: Damaged picnic tables and concrete walkways
